

EPISODE PITCH: MOIRAI – EPISODE 3

Title: Moirai – Episode 3: She's not me

Genre: Supernatural Thriller / Dark Fantasy

Target Audience: Adult (18+), fans of dark, character-driven dramas with supernatural elements.

Series Logline: In a city where life and death are controlled by three immortal sisters known as the Moirai, the boundaries between human emotion and supernatural duty blur, as Victoria, Audrey, and Joey navigate their eternal responsibilities while confronting the chaos of mortal lives.

Episode Logline: In "Threads of Betrayal," Victoria introduces Kate to her secret life as a Moirai, but their intimate moment is violently interrupted by Ellie, whose obsession with Victoria spirals into deadly confrontation. The sisters and their allies must confront mortal danger, the strain of divine responsibility, and the destructive power of love gone wrong. Trust is tested, loyalties are strained, and the cost of immortality becomes dangerously tangible.

Tone & Style: Dark, cinematic, high tension with intimate human drama. Suspenseful, claustrophobic settings contrast with serene, natural spaces for fleeting moments of calm. Themes include trust, obsession, loyalty, love, morality, and the heavy burden of power.

Key Characters:

- **Victoria Kensington (Atropos):** The haunted executor, balancing human love with divine duty, tested by betrayal and mortal threats.
- **Audrey Kensington (Lachesis):** The moral anchor, poised and protective, stepping into action to preserve family and order.
- **Joey Kensington (Clotho):** Compassionate but fierce, her youthful energy and power are essential in saving her sister.
- **Kate:** Mortal love interest, experiencing fear, awe, and the shock of Victoria's true nature.
- **Ellie:** Obsessed, unstable antagonist whose love for Victoria turns violent, testing both sisters and mortals alike.
- **Frank:** Supportive mortal ally, highlighting the emotional stakes.

Episode Highlights:

- **Opening:** Victoria and Kate share a secluded picnic in the forest, revealing their deepening romantic bond.

- Tension escalates as Ellie intrudes in the textile factory, threatening both Kate and Victoria with deadly intent.
- Victoria struggles to defend Kate while restrained by her mortal vulnerability; Ellie's obsession is revealed.
- The Moirai sisters unite with mortals to subvert Ellie's attack, demonstrating the intersection of divine power and human courage.
- Climactic confrontation: Joey and Audrey intervene, defeating Ellie through divine precision.
- Emotional aftermath: Victoria and Kate confront the fragility of mortal love in a world of immortals; Kate walks away, leaving Victoria to reconcile her dual identity.
- Closing: Ellie survives, hinting at future threats, while the sisters return home, emotionally and physically strained.

Series Potential: Explores the intersection of immortal responsibility and human emotion, deepening serialized arcs with romantic, psychological, and supernatural stakes. Builds on serialized narrative with recurring antagonists, evolving mortal relationships, and moral dilemmas that resonate through the Moirai's world.
