EXT. DESERT - EVENING

The Arizona desert is shown. A village of tents from 9,000 BC are shown at sunset. It is quiet except for sexual intercourse sounds. The camera pans to the left and shows Princess Auga, a pretty, sexy twenty five year old. She is getting banged from behind by Ooga, a twenty five year old, big, dumb looking brut. Ooga is standing up and Auga is bent over. They are going at it. Auga likes it. Don't actually show intercourse. Auga is moaning. Show Auga's pleased face clearly.

PRINCESS AUGA

Aaahhh. Oooohhhh.

EXT. CHIEFS TENT - MORNING

Auga is by the chief's tent. She is communicating with a young boy named Bobo, about 8-12. She is using sign language to communicate with him. He is using sign language to communicate back to her. Auga is sweet to the boy. She rubs his hair and smiles at the boy. The chief, a fifty some year old guy who wears the chief's hat, and the medicine man, a forty year old guy, are standing by the chief's tent talking. The chief looks concerned.

CHIEF

I'm not getting any younger Medicine Man. I need to find someone to be the new chief before I die.

MEDICINE MAN

But you don't have a son Chief. Who will take over the tribe?

The medicine man/camera looks over at Auga.

MEDICINE MAN (CONT'D)

You only have your daughter, Princess Auga.

The camera goes back to the medicine man and chief talking.

CHIEF

I have given it great thought and I have decided that Princess Auga will take a husband. We will have a contest and the man that she chooses, will be her husband and will one day be the new chief.

MEDICINE MAN

This is a great idea chief. She needs to find a man and settle down.

The medicine man makes an undecided look.

MEDICINE MAN (CONT'D)

Not to be disrespectful chief, but Princess Auga is ill tempered, stubborn and unruly. And she has sex with many different men, and in public even.

The medicine man looks at the chief. They both look at Auga.

MEDICINE MAN (CONT'D)

Why would anyone buy the cow, when they can have the milk for free? These are the reasons Princess Auga hasn't found a husband yet.

The chief makes a disappointed face.

CHIEF

Yes, but the man she marries will be chief one day. This will be the selling point. It will be your job medicine man to organize this contest. We will call it the "Marry Princess Auga and be the chief contest". The last contestant left, when the contest is over, will become Princess Auga's husband. He will one day be the new leader of our clan Grunt.

MEDICINE MAN

I will do as you say chief.

CHIEF

I know you will medicine man. I will chose ten men from our tribe to be the contestants. The participants will be our bravest and smartest hunters and warriors.

(MORE)

CHIEF (CONT'D)

These are the qualities that will be needed to be the new chief.

MEDICINE MAN

Do you think we even have ten men that are fit to be chief?

The chief looks out into the desert and makes a disappointed look.

CHIEF

I have also thought about that. I will also ask five of the other local tribes to each send me one of their best warriors to also compete in the contest. This will ensure that we will one day have a mighty chief.

MEDICINE MAN

No one will ever be as great as you chief.

The chief smiles.

CHIEF

Thanks Medicine Man.

MEDICINE MAN

I will do as you say and will have the contest ready as soon as possible.

They both look at Princess Auga continuing to talk to the boy named Bobo. She hugs the boy.

EXT. CAMP FIRE - NIGHT

Twelve men are sitting in a circle around a fire. They are sitting on the ground or on rocks. There is the chief, the medicine man and ten other tribesman. Ooga, Igor, 24, smaller, wierd looking guy. Attow, 25, a short guy. Sopa, 26, a good looking guy, taller. Needdo, 35, a small person. Tutta, 28, a big ugly guy. Bunga, 25, regular average sized guy, Spart, 26, larger sized guy, but screwed up looking with screwed up eyes. Wintow, 24, short, fat and ugly. Fargot, 25, tall and skinny. All the members of the Grunt tribe are white. The chief speaks to the men.

CHIEF

I believe that you ten men are the best and smartest of the Grunt tribe.

The chief looks disappointed. The contestants look happy and are smiling.

CHIEF (CONT'D)

You have been chosen to be in a contest. The winner of the contest will one day be the new chief of the Grunt tribe.

The men are happy and are whooping and hollering.

CHIEF (CONT'D)

The winner of the contest will not only be the new chief of the tribe, when I retire. But he will also get to marry my lovely daughter Princess Auga.

There is silence. Then people start making cat calls and booing. They yell profanities. They scream "no way". They shake their heads. The chief is offended. The medicine man gets up.

MEDICINE MAN

Be still men. Be respectful of our chief and Princess Auga.

The chief continues, there is still slight murmurs in the crowd. The medicine man sits down.

CHIEF

Didn't you hear me. The man who marry's my daughter will one day be the new chief.

Needdo stands up.

NEEDDO

She's too much of a headache. We need more than just being the chief as a reward if you want us to live with that shrew.

The men agree in unison. The chief thinks for a second.

CHIEF

Then I will also throw in two chickens.

The men scream no.

CHIEF (CONT'D)

How about two chickens and a goat.

The men scream no.

CHIEF (CONT'D)

How about two chickens, a goat and a bottle of wine.

The men scream no way. The men are getting mad. The chief thinks for a bit.

CHIEF (CONT'D)

How about all those things and the new chief won't have to go on hunts any more.

The men seem to be thinking about it and discussing the idea.

CHIEF (CONT'D)

No more antlers in the face. No more getting bit in the groin by small animals. No more being kicked in the face by buffalo. No more being gored by wild pigs.

The men start to like the idea. Needdo gets up again.

NEEDDO

I think we all agree that we can put up with her for that.

The chief and medicine man are relieved and smile.

CHIEF

Good. There will be a total of fifteen men in the competition. You ten strapping young men and five other men from neighboring tribes.

The men get pissed again. They are screaming and are mad. The medicine man gets up again.

MEDICINE MAN

Silence. Be respectful of your chief.

The men quiet down. The medicine man sits down.

CHIEF

We need new blood in the clan. Our tribe has been inbreeding for years. Just look at you.

The men look around at one another.

CHIEF (CONT'D)

Some of our children are now being born with deformities. One of our children, Bobo, is a deaf mute.

(MORE)

CHIEF (CONT'D)

He can't sleep at night because he is afraid. And only his mother, Princess Auga, Brow and Oola can communicate with him using sign language. This is because of the inbreeding. We can stand to have some new blood in the tribe.

The men are now o.k. with the idea. They nod their heads with approval. There is still some little rumblings.

CHIEF (CONT'D)

In the end, Princess Auga will decide which contestants she will keep, and discard, during the contest. I would chose a mate for her, but I think she would be too stubborn and pig headed to go along with my suggestion.

Ooga, the bully of the tribe, stands up. Ooga stares down the other contestants.

OOGA

Ooga will win the competition. I'm the strongest and bravest in our tribe. I will be chief of the Grunt tribe one day.

The other men are fearful of Ooga, except Spart. The chief is also not afraid of Ooga.

CHIEF

Sit down Ooga. If Princess Auga chooses you, then you will be the new chief one day.

Ooga looks intimidating at the other contestants. Ooga sits down.

CHIEF (CONT'D)

The medicine man will organize and referee the contest. That is all.

The chief concludes his speech. Then he thinks of something else to say.

CHIEF (CONT'D)

Oh, and another thing. Someone has been shitting outside of my tent at night. When I get out of my tent in the morning, I get shit all over my hands. This needs to stop.

The tribes men are laughing. The medicine man gets up.

MEDICINE MAN

No shitting in front of the chief's tent.

The meeting breaks up. The chief gets up. The men start to leave. The medicine man goes over to the chief.

MEDICINE MAN (CONT'D)

Why did you chose Ooga to be in the competition? He's a crazy asshole. He's probably the one shitting in front of your tent.

The chief thinks for a second.

CHIEF

Maybe, but Ooga is a great and fearless hunter. He would make a good leader. Besides, the other men fear him. This is a good trait for a chief.

The contestants walk away. Ooga and his best friend Igor talk as they walk away.

OOGA

I'm the best hunter of the tribe.

IGOR

Yes you are Ooga.

OOGA

I'm the most clever of the tribe.

Igor makes a wtf face. Igor doesn't say anything.

OOGA (CONT'D)

No matter what, I will win this contest. One day I will be the new chief.

Ooga is proud and laughs. They keep walking away. Ominous music plays.

EXT. CHIEFS TENT - MORNING

Brow, a twenty five year old good looking guy, but he has a unibrow and Oola, a twenty five year old good looking woman and Princess Auga are outside of the chief's/Auga's tent. They are all signing with the deaf mute child Bobo. The chief comes up to the group and takes Princess Auga away from her friends.

CHIEF

Come with me Princess Auga.

The two walk back to the chief's wife who is on the other side of the chiefs tent. Brow and Oola take off with Bobo.

CHIEF (CONT'D)

Auga, your mother and I have decided that you will take a husband. We are having a contest with fifteen men. The man that YOU pick will be your husband and will one day be the new chief of the Grunt clan.

Auga gets a pissed off face.

PRINCESS AUGA

I'm not marrying anyone. Why buy the pig when you can get the bacon for free?

The parents make a confused look.

MOTHER

Auga you have to stop having sex with all the men of the tribe. And in front of everyone no less.

PRINCESS AUGA

I like sex. It feels good.

Auga smiles.

MOTHER

It makes us sad and embarrassed that you fornicate with all the tribesmen. It makes the other women of the tribe jealous that you're having sex with all the men. They don't like you.

CHIEF

In our clan there is a saying. One vagina, one penis.

The chief holds up a finger and on the other hand a circle. Then he puts his finger throw his other finger and makes a fucking motion.

AUGA

I don't like one vagina, one penis. I don't want to marry one guy and have sex with just him. That is the old can way.

Auga gives a look of disdain.

AUGA (CONT'D)

Why would I want to marry a man anyway. Men are hairy and stupid.

CHIEF

That may be. But you need a husband and a child. And the clan Grunt will need a new chief one day.

AUGA

I will be the new chief.

Auga looks all proud. The mother and chief start laughing real hard. The chief is holding his groin. His groin becomes wet. He looks at his hand.

CHIEF

Please Auga, stop. You're making me pee myself.

Auga is super mad. The chief restrains himself from laughing and recovers. He wipes his wet hand on his pants.

CHIEF (CONT'D)

No. Being chief is the most important position of the tribe. It is for a person of strength. Men hunt food and lead. Women prepare food and have babies. It is the clan way. Only men can lead the clan.

Auga is getting furious.

CHIEF (CONT'D)

Auga, if I die and you aren't married to the new chief, then you will be nothing to the clan. You will no longer be Princess Auga. You will just be Auga the whore. Then who will have you.

The mother is nodding her head. Auga is still mad.

MOTHER

They might even banish you from the tribe for being a tramp.

Auga is listening to what they say.

CHIEF

Auga, you will not be young and beautiful forever. Soon you will be old and decrept and you will look like your mother.

The mother makes a pissed off look, a close up.

CHIEF (CONT'D)

Please Auga. Use this contest to
find the best man to be your husband.

Auga is thinking for 5 seconds. The mother talks.

MOTHER

Auga, how can you have so much sex
and never become pregnant?

PRINCESS AUGA

I use the rhythm method from the
moon. The tribe women have our
periods regularly. I use the moon
to know when I will not get pregnant.

Auga points up to the sky and makes a moon shape and then
makes wave motions.

PRINCESS AUGA (CONT'D)

I also use the withdrawl method. If
men do not squirt their juices into
me, I cannot become pregnant.

Auga puts her finger through her other finger and pulls it
out fast.

PRINCESS AUGA (CONT'D)

And then the rest of the time I use
the jump up and down method.

Auga jumps up and down.

PRINCESS AUGA (CONT'D)

Then the man's juices leave my body.

MOTHER

I don't understand these methods.

PRINCESS AUGA

That's because you're old clan, you
are square. You don't understand
new clan science ways.

Auga makes the square sign. Auga thinks for a few seconds.

PRINCESS AUGA (CONT'D)

No. I will not marry a pig. I won't
do it.

CHIEF

You must. Do it for the clan.

(MORE)

CHIEF (CONT'D)

Get married and have my grandchild.
Your husband will be chief one day.
My grand child will also be chief
one day. Chose your husband wisely
Auga. I have decided.

PRINCESS AUGA

I won't do it old man. Chief dummy.

Close-up of the chief makes a sad face. Auga runs off.
Auga goes to her friend Oola's tent.

EXT. OOLA'S TENT - MOMENTS LATER

Auga arrive's at Oola's tent. Oola is outside of her tent
with her husband Brach, who is twenty seven and he is big.
Brach is on the ground. Oola is on Brach's back popping his
zits. Show a couple of big ass zits on Brach's back. She
has leaves to wipe off the puss.

AUGA

What are you doing Oola.

OOOLA

Oh, I'm popping Brach's zits.

PRINCESS AUGA

I need to talk to you Oola.

Oola keeps popping his zits.

OOOLA

Go ahead. I'm listening.

Oola is grunting while she is trying to pop a big zit.

AUGA

My father wants me to get married.
Men are slow and dumb. I don't want
to marry a stupid man.

OOOLA

Me and Brach have been married a
year now. We get along great. We
are very happy.

Oola pops a zit and gets it in her eye. She makes a ohhhh
sound.

OOOLA (CONT'D)

Ooohhh.

Oola wipes the puss from her eyes with leaves.

OOLA (CONT'D)

It's not so bad being married. You get used to the farts and other smells. And I get to pop Brach's zits. It's fun.

Auga rolls her eyes.

AUGA

I don't want to be with the same guy the rest of my life.

OOLA

Auga, be practical. You need to marry so that your husband will someday be chief. One day your son will be the chief too. It is the clan way. Be smart Auga.

Oola is pounding on Brach's zit. Then Oola grabs up two rocks and uses them to pop a zit.

BRACH

Aaahhhhh!

Oola gets it in the face with a zit.

OOLA

Ooohh.

Oola wipes her face off. Oola gets off of Brach's back.

OOLA (CONT'D)

Wait here Auga.

Oola goes into the tent and grabs a bundle and takes it out to Auga. You hear a baby crying.

OOLA (CONT'D)

Don't you want a little baby like mine and Brach's. It is best to be married to have a child. A child needs two parents to teach them the clan way.

Oola hands the bundle to Auga. Auga takes the child and looks down at the baby. Auga smiles and rocks the baby for a about 15 seconds. Oola takes the baby back and puts it back in the tent again. Oola comes back out.

OOLA (CONT'D)

Be smart Auga. The chief is right. It is time for you to take a husband.

Auga looks off. Auga is thinking.

PRINCESS AUGA

Thank you Oola.

Auga hugs Oola. Auga takes off. Oola gets back on Brach's back and starts popping a zit with two rocks again. Brach screams. Oola is smiling.

BRACH

Oooooohhhh!

EXT. DESERT - LATER

Princess Auga is walking in the desert. She's thinking. She walks and thinks. Decision making music plays. You see the plants and animals. Show two animals fucking. Show a mother animal with her child. Auga sits down on the ground in a yoga position and thinks.

EXT. CHIEFS TENT - LATER

Auga comes up to the chief.

PRINCESS AUGA

I will play your stupid game. But I will have sex with any of the contestants that I chose during the competition. I won't buy a pig in a poke. I must check out his bacon first.

The chief is mad. Then the chief thinks for a second.

CHIEF

Yes, you may do that. But you must do it in private. We will make a special private place for you to do your immoral acts. We will call it:

The chief thinks for a second.

CHIEF (CONT'D)

The tent of fornication. You can only do your sinful deeds in this tent.

PRINCESS AUGA

That will be fine. When does the contest start?

CHIEF

I'll have the medicine man start it as soon as possible. Auga, you need to chose wisely. We can't have a stupid chief.

(MORE)

CHIEF (CONT'D)

This would be bad for the tribe.
And I don't want any ugly grand babies
either.

PRINCESS AUGA

Then I hope that you have chosen
good stock for me to pick from.

The chief makes an "oh no" face. The chief thinks for a second.

CHIEF

Auga, promise me that you will marry
the man that wins this contest.

Auga is disappointed and thinks for a second and looks down bummed out.

PRINCESS AUGA

Yes. I promise. I will marry him.

EXT. DESERT - MORNING

The medicine man is standing before the ten men from the Grunt clan. There are also now four men from neighboring tribes that are present. Grunt tribe: Ooga, Igor, Attow, Sopa, Neddo, Tutta, Bunga, Spart, Wintow and Fargot. Neighboring tribes: Timco, tall, black, skinny, afro, 24. Oro, fat, short, 47, Hispanic. Otto, fat white guy, big, dumb, 26. Dungo, smaller Asian man, 26. Off to the side is the crowd with the chief, chief's wife, Oola, Brow. There is also Brach and other members of the tribe that are watching today's events. There is also a table with a bowl of potatoes on it out in front. Under the table is another bowl that is covered.

MEDICINE MAN

This is the contest to find a great man to marry our beautiful Princess Auga. We will have many rounds of play with different challenges for the contestants during this competition. After each round the Princess will give you a potato, our tribes symbol of fertility, if she wants you to continue to be in the contest.

The medicine man looks around at the men. The men are looking at the medicine man.

MEDICINE MAN (CONT'D)

If you don't receive a potato, then you are eliminated from the competition and will immediately leave the playing field. We have fourteen contestants. One of the other tribe's apparently didn't send a representative.

The medicine man looks around at the contestants.

MEDICINE MAN (CONT'D)

To begin the competition today the princess will walk in front of you and ask you questions that she deems appropriate. Later she will spend individual time with each of you to decide your compatibility with her. Good luck men. Let the contest begin.

The medicine man steps away. Princess Auga steps forward in front of the men.

PRINCESS AUGA

Good morning men. I'm here to select my future husband. When I step in front of you I want you to tell me your name and what tribe you are from. I will then ask you other questions.

Princess Auga goes to the right. Auga stands in front of the first person. First is Timco.

TIMCO

My name is Timco. I'm from the Wahalli tribe.

Princess Auga looks him over. She looks down his shorts. The crowd murmurs. Auga looks up at Timco.

PRINCESS AUGA

I heard that your tribe has large penises. Yours seems to be about the same size as our clan. What do you do in your tribe?

TIMCO

I pick fruit off of trees since I'm so tall.

Timco motions like he is picking fruit from trees.

PRINCESS AUGA

Do you have any children?

TIMCO

No.

PRINCESS AUGA

How high can you count up to?

TIMCO

Count? What is count? I can reach very high. I pick fruit off of trees.

Timco motions like he is picking fruit from trees.

PRINCESS AUGA

Then how many fruit can you pick in a day?

Timco looks around confused.

TIMCO

I don't know.

Princess Auga gives him a wtf face and moves to the next contestant Oro. Auga stands in front of him for about 10 seconds. She is waiting of him to speak. Auga looks annoyed.

PRINCESS AUGA

Well. What's your name and tribe?

Oro gives a surprised look.

ORO

Oh, I'm Oro. I'm from the White River tribe.

Princess Auga gives him the once over. Auga gives him a wtf look. Auga shakes her head.

PRINCESS AUGA

How much do you weigh Oro?

ORO

I weigh about three pigs.

PRINCESS AUGA

What do you do in your tribe?

ORO

I sew. I help my mother do the tribes sewing. I'm too fat to hunt or gather food.

Oro breathes heavy.

PRINCESS AUGA

So you're a seamstress. I know you don't have any kids, do you?

Oro makes a bummed out look.

ORO

No.

Auga leaves Oro and steps in front of the next contestant. He is Igor.

IGOR

I'm Igor. I'm from your tribe, the tribe Grunt.

PRINCESS AUGA

Igor. Why do you want to marry me?

IGOR

I think you are pretty.

PRINCESS AUGA

Thanks. You don't want to be chief one day?

IGOR.

Yes, I guess. Then I won't have to hunt.

Igor smiles.

PRINCESS AUGA

I don't know why my father chose you to be a contestant. Everyone knows that you are lazy. And it can't be because your smart.

Igor makes a pissed face. Igor speaks condescendingly.

IGOR

Apparently your father thinks I'm quite the catch or he wouldn't have chosen me to compete.

PRINCESS AUGA

Choosing one skunk out of a hundred skunks would very hard.

EXT. CROWD - CONTINUOUS

The crowd is offended.

EXT. DESERT - CONTINUOUS

Princess Auga goes to the next contestant, Ooga.

OOGA

I'm Ooga. I'm a brave hunter from the Grunt tribe. I'm the best hunter of our tribe. And I'm also the smartest person in our tribe.

Ooga smiles. Princess Auga laughs. Ooga gets mad.

PRINCESS AUGA

Yes, you are a good hunter Ooga. And you're an ok lover. But you are not even close to the smartest. I think your bravery is really just stupidity. Like the time you fought that bear.

Ooga looks all proud.

PRINCESS AUGA (CONT'D)

Only an idiot would fight a bear without a weapon. You're lucky you're alive. All I can say is that must have been one slow, dumb bear.

Ooga gets mad, very mad. Auga walks to the next participant. Attow.

ATTOW

My name is Attow. I'm from your tribe.

PRINCESS AUGA

Attow, why do you wish to be the chief of our tribe?

ATTOW

I don't know. The medicine man told me to be here today. So here I'm.

PRINCESS AUGA

I think you are one of the smarter men in our tribe. Can you count?

ATTOW

I can count to seven or eight. I don't know for sure.

Attow holds up his fingers and starts to count with difficulty.

ATTOW (CONT'D)

One. Ahh two.

PRINCESS AUGA

Never mind.

Attow is still counting, Princess Auga goes to the next guy, Sopa.

SOPA

I'm Sopa. I'm from the Grunt tribe.

PRINCESS AUGA

Sopa, how many babies do you have with our tribal women?

SOPA

I don't know.

PRINCESS AUGA

That's probably because you can't count either. You have four children with four different tribe women. You should use the withdrawl method.

Sopa makes a face of not understanding.

SOPA

What is that?

PRINCESS AUGA

That's when you pull your penis out of the vagina before you ejaculate.

Auga does her withdrawl method impression with her hands and pulls her finger out fast. Sopa makes another confused look. Then Sopa looks mad.

SOPA

I do not pull out. Why would I do that? Why would I do such a stupid thing?

Sopa is getting really riled.

SOPA (CONT'D)

Sopa does not pull out. Sopa does not pull out!

PRINCESS AUGA

Sopa does not use brain. Sopa does not use brain.

Sopa is super mad. Princess Auga walks to the next contestant, Needdo. Auga is looking straight ahead.

Then Auga looks down at Needdo.

PRINCESS AUGA (CONT'D)

Needdo?

NEEDDO

I'm Needdo. I'm from your tribe.

Auga looks at needdo with disdain.

PRINCESS AUGA

What the hell are you doing here
Needdo?

NEEDDO

The chief told me to be here. I'm a
great hunter.

PRINCESS AUGA

You only dig holes. You only catch
rabbits.

NEEDDO

But I catch a lot of rabbits. I'm
the best rabbit hunter in the tribe.

Needdo smiles and makes digging motions. Auga looks at him
again and then moves on. The next person is Tutta.

TUTTA

I'm Tutta. I'm from the Grunt tribe.

AUGA

Tutta, why do you want to be my
husband and be the next chief?

TUTTA

Well, no one in the tribe wants to
marry me. And no one in the tribe
wants to marry you, so we are perfect
for one another.

Tutta smiles.

AUGA

That makes sense in a stupid sort of
way. But I'm a Princess and you are
a big slob. I have no idea why you
were chosen to vie for my affection
and vagina other than to embarrass
me and make me mad.

Tutta is confused and doesn't know what to say. Auga moves
to the next person, Bunga.

BUNGA

Hi Auga. I'm Bunga and I'm from
your tribe.

AUGA

Bunga, hello. You are probably one
of the smartest men in our tribe.
Why do you want to be my husband?

Bunga makes a happy face.

BUNGA

I would make the best chief ever.

Bunga looks over at the chief.

EXT. CROWD - CONTINUOUS

Show the chief.

EXT. DESERT - CONTINUOUS

BUNGA

No offense chief.

Bunga looks back at Auga.

BUNGA (CONT'D)

Also the chief told me to come here.
And he's the chief, so here I'm.

PRINCESS AUGA

Would you prefer to marry someone
else other than me?

Bunga thinks for a moment. He is hesitant to answer.

BUNGA

Yes. But the chief told me to come
here. I like you Princess Auga. I
think you can be mean and pig headed
though. But I think that if you
chose me, that I'd be a good chief.

PRINCESS AUGA

I like your honesty Bunga.

Auga continues to look at Bunga. Auga moves in front of the
next person, Otto.

OTTO

My name is Otto. I'm from the Wattso
tribe.

AUGA

Why did your tribe chose to send you
to be in this contest today?

Otto looks confused.

OTTO

I don't know?

AUGA

What do you do in your tribe?

OTTO

I don't know?

Otto just stands there. Making stupid faces.

AUGA

I think I know why they sent you.
You are big, fat and dumb. Your
chief sent you so that maybe you
won't stay in his tribe and have
big, fat and dumb babies. He's hoping
that you'll never come back. Your
chief must be a smart man.

OTTO

I don't know?

Auga moves to the next guy. He is Dungo.

DUNGO

I'm Dungo and I'm from the San Wingo
tribe.

AUGA

Why did your tribe send you here
today?

DUNGO

I'm a brave hunter.

AUGA

You are sort of short for a hunter.

DUNGO

When I hunt I get down on my knees
and grab the prey's legs and hold on
real tight.

Dungo is acting out his hunting maneuvers.

DUNGO (CONT'D)

I get kicked and bitten in the head
a lot. But I catch a lot of game.

Princess Auga takes a second look at Otto's misshapen head. Then Auga moves on to the next person, Spart.

SPART

I'm Spart. I'm from the Grunt tribe.

PRINCESS AUGA

Spart, why do you want to marry me?

SPART

I like you Auga. I want to have babies with you.

Spart smiles. Auga looks at his cross eyes.

PRINCESS AUGA

I hear you are a great hunter Spart. But how, I don't know.

Spart wonders what has just happened. Princess Auga walks to the next person, Wintow.

WINTOW

I'm Wintow. I'm from your tribe.

PRINCESS AUGA

Why did the chief chose you to be in this contest?

WINTOW

I can count to ten and I'm a mighty warrior and hunter.

Princess Auga just looks at him. Then she moves onto the next contestant, Fargot. He is tall and skinny.

FARGOT

I'm Fargot. I'm from your tribe.

PRINCESS AUGA

Why do you wish to be my husband Fargot?

FARGOT

We've had sex many times. I like it. I want to have more sex with you, every night.

PRINCESS AUGA

Fargot, you are an o.k. lover. I've had better.

FARGOT

I will try harder to please you.

(MORE)

FARGOT (CONT'D)

Tell me what you like and I'll do it.

PRINCESS AUGA

You are here because you want to be chief so that you won't have to work or hunt, aren't you?

Fargot thinks for a second, he looks around.

FARGOT

Yes.

Princess Auga moves back to the front of all the men. She looks down the row of men. Then she looks off and ponders.

PRINCESS AUGA

I'm supposed to spend one on one time with each of the contestants. I'm also supposed to take a day to think about all the contestants and decide which seven of you should stay.

Auga stops for a second.

PRINCESS AUGA (CONT'D)

Fortunately our god has enabled me to read people fairly well. I have already come to my elimination decisions.

Princess Auga grabs the bowl from under the table and puts it on the table.

PRINCESS AUGA (CONT'D)

I will be getting rid of seven of you today, right now. Not tomorrow. I think our neighboring tribes have sent us their biggest losers to get rid of them. It's their way of thinning the herd. Or maybe its their way of trying to destroy our clan. I'm not sure.

EXT. CROWD - CONTINUOUS

Show the crowd looking at Princess Auga.

EXT. DESERT - CONTINUOUS

Princess Auga looks around at the men. Show all the contestants.

PRINCESS AUGA

Also, I didn't know how many losers we had in our tribe until I saw them all lined up in a row. This tribe has a lot of losers. I mean, really.

EXT. CROWD - CONTINUOUS

All the tribe people get mad and make mean noises. The chief and medicine man get pissed. Make close-ups of a lot of the men angry.

EXT. DESERT - CONTINUOUS

PRINCESS AUGA

Deciding the first group of seven contestants to go was difficult. There's so many of you who deserve to go right now, but apparently I can only choose seven of you to be dispatched in the first round.

Auga looks at all the contestants.

PRINCESS AUGA (CONT'D)

Here are the seven that I feel are most deserving of leaving today. I will not be handing the contestants, that will be staying, a potato. Instead I will be giving the people that I wish to go something from this bowl. This more sums up my feelings for them. I don't believe it is a symbol of fertility though. When you receive the stuff in this bowl, it is time for you to leave. Immediately go off to your left.

Princess Auga points to the left direction.

PRINCESS AUGA (CONT'D)

Left is that way for you idiots who don't know which direction that is. Let the rejecting begin.

Princess Auga pulls a towel off of the bowl next to the potatoes. The camera shows a bowl of coyote shit. It is still moist.

PRINCESS AUGA (CONT'D)

Sopa, you are the first to be expelled. You are a worthless man whore. You give the clan Grunt a bad name. Have some dog shit and go.

Princess Auga grabs some shit from the bowl and throws it at Sopa. Sopa gets hit in the face. He makes a surprised look and then an angry look. Sopa just walks off with the poop on his face.

EXT. CROWD - MOMENTS LATER

Show the chief and medicine man get mad.

CHIEF

This is not right Princess Auga.
This is not the clan way. Give them
potatoes. Throwing poop at someone
is bad luck. Give them the potatoes.

The crowd is getting restless.

EXT. DESERT - CONTINUOUS

Princess Auga doesn't mind the chief.

PRINCESS AUGA

Next to go is...Timco. You can't
count at all? What is wrong with
you?

She winds up and throws some shit. It hits Timco in the chest. He is mad. He picks up the shit and throws it back at her. Then he leaves. Auga laughs. Auga then looks at Tutta.

PRINCESS AUGA (CONT'D)

Tutta, I couldn't possibly have sex
with you. I'm pretty sure this isn't
the first time that you've had shit
thrown at you. Have some shit.

Auga throws some shit at Tutta. It hits Tutta in the stomach. He gets a disappointed look on his face. He turns and slowly leaves. Tutta is leaving towards the right.

PRINCESS AUGA (CONT'D)

No Tutta. You're other left.

Auga points to the left. Tutta stops. He then turns and goes to the left.

PRINCESS AUGA (CONT'D)

Otto, you are the next to go. This
turd is for you.

The turd hits Otto in the chest. He doesn't even know the turd hit him. He just stands there.

PRINCESS AUGA (CONT'D)

Time for you to go Otto. Go on.

Princess Auga points for him to go. She points to the left and chews him off. He lumbers off.

PRINCESS AUGA (CONT'D)

Dungo, there is just something about you that makes me want to throw shit at you. Incoming.

Auga throws shit at Dungo. It hits him in the face. He gets mad. He stands there all mad for a few seconds then he leaves.

PRINCESS AUGA (CONT'D)

Next to go is Oro. Tell your chief that he is an asshole for sending you to this contest. Give him some of my shit.

Auga throws shit at Oro. He blocks the poop from hitting him in the face. Oro smiles at Auga. Oro leaves.

PRINCESS AUGA (CONT'D)

I'm getting good at this. I have one turd left. Who will be the last to be rejected.

Auga looks around. There is a long silence.

PRINCESS AUGA (CONT'D)

Oh yes of course, Needdo. Time for you to go.

Princess Auga winds up and throws the turd at Needdo. It hits him in the face. Needdo runs up and attacks Auga. She pushes him to the ground. He gets up and continues to attack Auga. She just stands there holding him back with her hand.

PRINCESS AUGA (CONT'D)

Needdo, get out of here. Go catch a rabbit.

Needdo gets tired of fighting and runs off. Auga addresses the losers.

PRINCESS AUGA (CONT'D)

Thanks for playing everyone. But you lowered the bar way too much.

Auga addresses the remaining contestants.

PRINCESS AUGA (CONT'D)

Tomorrow you remaining seven
contestants will compete to win my
vagina.

The chief comes up to Auga. He is pissed.

CHIEF

Auga, you are a bad girl. No wonder
no one wants to marry you. You have
embarrassed clan Grunt.

PRINCESS AUGA

Screw you chief dummy.

The crowd laughs. Princess Auga walks away. The chief is
confused.

MEDICINE MAN

Tomorrow we will continue the
competition with the remaining
contestants. The competition will
be at the same time. Good day.

The crowd disperses.

EXT. DESERT ELIMINATION - MOMENTS LATER

The camera is running to record all the rejected contestants
now. They all still have their shit on them. The camera is
on Timco he is standing there in front of the camera.

TIMCO

I can't believe that she threw shit
at me. Who does that? What is wrong
with her? She hit me with poop. I
fail to see the humor in that.

Timco looks confused. Oro is in front of the camera next.
He still has shit on his face. Oro is mad.

ORO

I'm glad she threw shit at me. I
was lucky. Who would want a girl
who does that? Who would want a
shit throwing shrew like her?

Sopa is before the camera.

SOPA

I don't like her. Throwing feces
and mocking people is very childish.
She has bad manners. She obviously
knew that I would not want to stay
with her after she had my baby.

Otto is before the camera. Otto just stands there looking stupid and doesn't say anything for about ten seconds. He just breathes heavy. Then Dungo is before the camera. He still has shit on his face. He is pissed.

DUNGO

In my tribe, if she threw shit at me, we would stone her to death. Shit throwing is a capital offense. Shit is dangerous. We would bury her in the ground up to her head and throw stones at her. Big, hard stones. We would throw them at her little brained head.

Dungo is mad. Tutta is now before the camera.

TUTTA

I'm I still in the contest. I didn't get a potato. Should I have gotten a potato?

Needdo is in front of the camera.

NEEDDO

I've always hated her. All these big people piss me off. Maybe I'll go find a tribe of little people and I will be their chief. And if people didn't do as I say, I'd have them killed.

Needdo smiles and laughs.

EXT. OOLA'S TENT - EVENING

Auga goes up to Oola and Brow. Brow and Oola are signing with Bobo. Auga also signs with them. Then Bobo waves and takes off. The remaining three wave back at Bobo and then talk.

PRINCESS AUGA

Did you see me get rid of those losers?

They laugh.

OOLA

Yes, they deserved the shit.

BROW

I think you chose the right ones to get rid of.

Auga looks depressed.

PRINCESS AUGA

It doesn't look good. I will have to marry one of the remaining contestants. This isn't going to end well for me.

OOLA

I think you chose wisely today Auga. Just keep getting rid of the worst ones first.

PRINCESS AUGA

I decided to only keep our clan. I can't trust those others and their motives. Besides, they were mostly losers.

BROW

This is also wise of you Auga.

PRINCESS AUGA

I have known you both my whole life and we are great friends.

Brow and Oola are smiling at Auga.

PRINCESS AUGA (CONT'D)

I want you to help me chose the correct ones to stay and go. There is Ooga, Igor, Attow, Bunga, Spart, Wintow and Fargot remaining. Who do you think I should get rid of next?

OOLA

I think you should get rid of Ooga next. He is a bully and a jerk.

PRINCESS AUGA

No. It feels good when we have sex. Ooga is also stupid. If I end up marrying him I can control him. I would be the real chief if he were my husband. All men are stupid pigs. If I have to marry one, I want one I can push around like Ooga.

BROW

I think you should get rid of Wintow. He is super fat and ugly. You would have super fat and ugly babies.

PRINCESS AUGA

Yes, this is true.

Princess Auga thinks for a second, she looks off in contemplation.

PRINCESS AUGA (CONT'D)
 What I really want is a husband that can give me this thing called an orgasm. I've never had one of these and I've had sex with many men.

Close up of Oola's face.

OOLA
 We know.

PRINCESS AUGA
 I want my husband to be able to give me an orgasm.

Brow and Oola look at Auga confused.

OOLA
 What is an orgasm?

PRINCESS AUGA
 When I was younger, my mother caught me playing with myself.

FLASHBACK

EXT. CHIEFS TENT - AFTERNOON

A younger, 18 year old, Auga is rubbing herself with her hand under blanket. She's moaning.

PRINCESS AUGA
 Oooooohhhh.

Her mother catches Auga and tells her to stop. Auga is embarrassed by being caught and stops. The mother explains that when Auga masturbates, she should use a rock.

PRINCESS AUGA (O.S.) (CONT'D)
 My mother made me to stop. She told me to use a rock when I masturbated. She said that it is the clan way.

The mother hands Auga a rock. Auga looks at the rock.

PRINCESS AUGA (O.S.) (CONT'D)
 Then my mother decided it was time for her to explain sex to me. She showed me two dogs screwing. My mother told me that this is the correct way have sex, doggie style.
 (MORE)

PRINCESS AUGA (O.S.) (CONT'D)

It is the only way to get pregnant
with a child. This is the way of
the Grunt clan.

The mother shows Auga two dogs screwing. The mother is talking and pointing at the dogs. The grandma now shows up and all three are watching the dogs screw. Then the grandma starts talking.

PRINCESS AUGA (O.S.) (CONT'D)

Then my grandma told me the story of
a girl, a long time ago, named Orgasm.
Whenever Orgasm had sex she would
scream out with great pleasure. All
the other clan ladies were jealous.

The grandma is sticking her finger throw the other finger making a fucking motion. The grandma is mimicking great pleasure screaming.

GRAMMA

AAAHHH. OOOOOOHHHHH.

Auga's grandma fakes an orgasm.

PRINCESS AUGA (O.S.)

My grandma said Orgasm would also
squirt all kinds of liquid out of
her when she had intercourse. It
would be very messy and really sticky.

The grandma makes a motion with her hands like water going everywhere. And motioning with her fingers a sticky feeling. Grandma makes a face and shows sticky fingers.

FLASHBACK ENDS

EXT. OOLA'S TENT - CONTINUOUS

Princess Auga is standing there.

PRINCESS AUGA

This is an orgasm.

Close-up of Oola's face.

OOLA

I want an orgasm.

Show a close-up of Brow.

BROW

So do I. Auga let's have sex.

Brow is excited.

PRINCESS AUGA

No.

BROW

How come you've never had sex with me?

PRINCESS AUGA

We are friends. I can't have sex with my friends. Brow or Oola.

Brow is disappointed. Oola makes a wtf look.

BROW

I wanted to be in the contest to marry you Auga. But your father said no. He said I wasn't a good enough hunter. He also told me that I'm stupid.

Brow looks bummed out.

PRINCESS AUGA

It is best that we stay friends Brow. We have been friends since childhood. Brow, we get along perfect, we click. We don't want to ruin that with sex.

BROW

I'm willing to risk it.

PRINCESS AUGA

No Brow!

Brow looks down. Auga thinks for a bit.

PRINCESS AUGA (CONT'D)

I'm going to go and think about the remaining contestants and who I should eliminate from the contest next. Will I see you two at the contest tomorrow?

OOLA

Yes, we will come and watch.

BROW

I will be there to help you decide who you will dispatch, if you need me.

PRINCESS AUGA

Thank you both. We are friends
forever.

They all hug.

EXT. CHIEFS TENT - EVENING

Auga is standing with her father and mother. The chief is
angry.

CHIEF

You shouldn't have thrown shit at
the contestants. That is very
disrespectful. It might even start
a war between the other tribes and
our ourselves.

PRINCESS AUGA

These losers deserved to have shit
flung at them. They're lucky I didn't
throw rocks at them.

Auga's mother laughs.

CHIEF

Get a good nights sleep Auga. The
contest continues tomorrow. We will
have games for your suitors to show
their abilities.

PRINCESS AUGA

All I want is to have sex with them
to see their abilities. This is how
I'll find out which one is the best
pig.

Her mother laughs. The chief gets angry. Auga laughs and
enters their tent.

EXT. DESERT - MORNING

All the seven contestants are outside in the desert ready
for the tournament to begin, Fargot, Wintow, Spart, Bunga,
Igor, Ooga and Attow. The medicine man is there in front of
them. There are baseball sized rocks that are in front of
the contestants.

MEDICINE MAN

Today we will start the competition
with rock throwing. This is our
oldest battle weapon.

EXT. CROWD - CONTINUOUS

The chief, chief's wife, Auga, Brow, Oola and Bobo are off to the side watching the event. Other tribes members are also there.

EXT. DESERT - CONTINUOUS

MEDICINE MAN

We will find out which one of you can throw the rock the farthest. The three top winners of this contest will not be able to be disqualified by Princess Auga.

Princess Auga makes a pissed off look.

MEDICINE MAN (CONT'D)

The chief and I will go down range and measure each throw. You may begin when we signal for you to go. Start from the contestants on your left to right.

The chief and the medicine man go down range about a hundred feet. They stop and turn to the contestants. The medicine man waves his arms for them to begin. Attow grabs up his rock, winds up and throws it. He throws like a girl. It goes about twenty feet. Everyone in the crowd laughs. Attow looks bummed out. The chief and medicine man go and measure the throw. Bunga picks up a rock.

OOGA

Bunga, you better not throw it too far or I'll beat you senseless later.

Ooga shakes his fist at Bunga. Bunga throws the rock, it goes around fifty feet. The audience applauds. Bunga is proud. Ooga looks angrily at Bunga. The next person to pick up a rock is Spart. The chief and medicine man go up and measure Bunga's throw.

OOGA (CONT'D)

Spart, you will throw poorly. You are a loser.

SPART

Ooga, your mother had sex with a gorilla and they called their child Ooga. Ooga, the king of the monkeys.

Ooga gets mad. Spart winds up and throws the rock. It goes sixty feet. It barley misses hitting the chief. The chief ducks. The chief and medicine man go to the rock and mark Spart's throw.

IGOR
You make Ooga mad Spart.

SPART
Your mother and father make you ugly
Igor.

Igor makes a pissed off look and picks up a rock and throws it at Spart and hits him in the back. Spart is hurt pretty bad.

SPART (CONT'D)
Aaahhh!

Ooga and Igor laugh. Spart walks it off. Spart is about to attack Igor but Ooga steps in to intimidate Spart.

OOGA
I don't think so Spart.

Spart backs off. Wintow picks up his rock. Wintow is holding his rock and is warming up his arm. Wintow throws the rock and it goes about twenty feet. Everyone laughs at Wintow. Wintow looks down in shame.

OOGA (CONT'D)
Wintow, you can't throw a rock very
far. You are weak and stupid.

Wintow walks off in shame. The chief and medicine man measure the throw. The chief and medicine man back up. Fargot picks up his rock and throws it. The camera shows the rock flying threw the air. It goes seventy feet and hits the chief in the head. The chief is knocked out and falls to the ground.

EXT. CROWD - CONTINUOUS

The crowd is in shock that the chief was hit.

CROWD
Ooohhhhh!

EXT. DESERT - CONTINUOUS

The chief has blood on his head. The medicine man is violently slapping the chief to wake him up. The medicine man wakes up the chief and is helping him up.

EXT. CROWD - CONTINUOUS

The crowd is murmuring. The crowd claps for the chief getting up.

EXT. DESERT - CONTINUOUS

The chief gets up and is unstable at first. He is looking around wobbly. He is feeling around in the air with his hands.

CHIEF

Who shit in front of my tent?

The chief walks around a bit. Then the chief is fine. The chief and medicine man measure the throw.

IGOR

Fargot that is not good enough to beat Ooga.

Igor picks up his rock and warms up with it. Then Igor throws it. It goes around 30 feet. The chief and medicine man measure it. Ooga picks up his rock. He loosens his arm. He winds up and heaves the rock. It goes a hundred feet.

EXT. CROWD - CONTINUOUS

The crowd applauds and cheers.

EXT. DESERT - CONTINUOUS

Ooga is happy. The chief and medicine man measure the throw and then come back to the contestants.

MEDICINE MAN

The top three throwers are: number three, Spart. Number two, Fargot. And the winner is Ooga.

Ooga raises his hands as the victor. The crowd applauds.

MEDICINE MAN (CONT'D)

The next event is the foot race. This will show Princess Auga your stamina. Men line up.

The men proceed to line up in a row.

MEDICINE MAN (CONT'D)

You will run down to that cactus.

The medicine man points to the cactus down field about three hundred feet.

MEDICINE MAN (CONT'D)

You will run around the cactus and then head back here. The first to cross this finish line will be the champion.

The medicine man points to the finish line on the ground.

MEDICINE MAN (CONT'D)

The top three spots of the foot race
will also not be allowed to be
disqualified by Princess Auga.

Auga gets a pissed off look again.

MEDICINE MAN (CONT'D)

Men, get ready.

The men get ready.

MEDICINE MAN (CONT'D)

Get set.

The men get set. The medicine man waits a few seconds.

MEDICINE MAN (CONT'D)

Go.

The men take off running. Ooga is out in front. The rest of the men are trailing behind. Wintow is far behind and is last. Ooga is slowing down and trips Spart, the number two guy. Spart falls and slowly gets back up. Ooga is laughing and running. They all get close to the cactus, except Wintow. They go around the cactus and Ooga slows down and pushes the next number two guy into the cactus, Bunga. Bunga screams as he connects with the cactus. Bunga has cactus sticking out his side and on his face. Bunga keeps running.

BUNGA

Aaaahhh.

Ooga is laughing. Attow and Wintow are really far behind. All the contestants are now coming down the home stretch. Nobody wants to get close to Ooga. Ooga is slowing down for the others, but they also slow down when he slows down to avoid him. Ooga wins, then it is Fargot, then Bunga, then Spart, Igor, Attow and finally Wintow. They are all winded. Bunga still has cactus thorns sticking out of him.

MEICINE MAN

The winner is Ooga, second place is
Fargot, and third place is Bunga.

The crowd is applauding.

MEDICINE MAN

So after today's events, Ooga, Fargot,
Spart and Bunga can not be eliminated.
Only Wintow, Attow and Igor can be
sent away. Wintow, Attow and Igor
line up in front of me.

Wintow, Attow and Igor line up in front of the medicine man.

MEDICINE MAN (CONT'D)

What says you Princess Auga?

Auga walks out from the crowd to the medicine man. Auga is thinking.

PRINCESS AUGA

This is a really hard decision. I need to think about it for a bit and consult with Fargot.

Princess Auga goes over and grabs Fargot's hand and she leads him to the tent of fornication that is across from the crowd. Auga and Fargot enter the tent. You see the tent moving around and people making noises in the tent. There are moaning sounds.

EXT. CROWD - CONTINUOUS

Everyone is talking in the crowd. Oola and Brow and the chief and the chiefs wife are all watching the tent. Bobo is watching the tent. The whole crowd is watching the tent.

EXT. DESERT - CONTINUOUS

The medicine man and contestants are watching the tent.

MEDICINE MAN

This is not part of the competition. What is Princess Auga doing?

EXT. CROWD - CONTINUOUS

OOLA

We know what she's doing.

Oola laughs. The rest of the crowd laughs, except the chief and the chief's wife. The tent keeps moving and there continues to be moaning from the tent. The chief is getting mad.

CHIEF

Princess Auga, this is wrong. This is not the clan way.

EXT. DESERT - CONTINUOUS

Ooga is getting mad.

OOGA

I was the winner of both contests. I should be in the tent of fornication with Princess Auga.

EXT. DESERT - CONTINUOUS

The screen shows "5 Minutes Later". Princess Auga comes out from the tent. Her hair is messed up. Fargot comes out afterward. He is smiling. Auga starts jumping up and down. Everyone watches her. Then Auga stops jumping up and down.

PRINCESS AUGA

Fargot and I were discussing who should be eliminated. I need to talk with my friends to get more input on this matter.

Princess Auga is smiling and laughing. Auga jumps up and down some more, then she walks over to Oola and Brow.

PRINCESS AUGA (CONT'D)

Who do you think should be eliminated?

OOLA

I think Fargot might make a good husband for you.

Auga shrugs her shoulders.

PRINCESS AUGA

He was ok in the tent.

BROW

Get rid of Ooga.

PRINCESS AUGA

I can only get rid of either Attow. Wintow or Igor in this round of loser elimination.

BROW

Then you need to get rid of Wintow. He will only give you fat and ugly babies.

OOLA

Get rid of Attow.

Princess Auga thinks for a second.

PRINCESS AUGA

I have decided.

Princess Auga heads back over to the medicine man and the table with the shit on it. Auga takes the cover off of the bowl of shit. The three elimination contestants Wintow, Attow and Igor are lined up in front of Princess Auga.

PRINCESS AUGA (CONT'D)
 The loser that I will dispatch today
 is.....Wintow.

Princess Auga grabs some shit up and hurls it at Wintow.
 The shit hits Wintow in the face. He looks bummed out.
 Wintow walks away.

EXT. DESERT ELIMINATION - MOMENTS LATER

Wintow speaks to the camera. He still has shit on his face.

WINTOW
 This is a stupid competition. I'm
 gay. I like men. I really want to
 be with Ooga. He does it for me.

Wintow plays with his hair.

WINTOW (CONT'D)
 But I don't think Ooga even notices
 that I exist.

Wintow is bummed out.

EXT. CROWD - LATER

Princess Auga is with Oola, Brow and Bobo. Auga is signing
 with Bobo. The chief and his wife walk up to Princess Auga
 and start talking with her.

CHIEF
 We need to talk with you Princess
 Auga.

Brow, Oola and Bobo walk away.

CHIEF (CONT'D)
 You humiliated your mother and I in
 front of the whole clan. Why Auga?
 The clan heard you having sex in the
 tent. What is wrong with you?

The chief's wife is shaking her head in shame and disgust.

PRINCESS AUGA
 I was in the tent of fornication.
 You said I could do it. No one saw
 us.

CHIEF
 I didn't think you'd have sex during
 the contest and in broad daylight
 for everyone to know.

PRINCESS AUGA

You told me to chose wisely. How can I make a decision as important as taking a husband without first trying them on for size. You do not chose moccasins without first trying them on do you? Choosing a husband is much more important then choosing moccasins.

The chief and wife just look at her. They walk away with their heads down. Oola, Brow and Bobo walk up to Auga.

OOLA

Tomorrow you will have more decisions.

PRINCESS AUGA

Yes, another pig to eliminate.

Bobo signs to Princess Auga. Princess Auga signs back.

PRINCESS AUGA (CONT'D)

So you think I should chose Fargot to marry. Yes, I do like him. Maybe I will chose him Bobo.

Princess Auga looks off into the desert.

EXT. DESERT - NIGHT

Bobo is out walking around in the desert. It is night time. You can hear coyotes howling. Bobo looks up to the stars.

EXT. TREE - MOMENTS LATER

Fargot is sleeping by a tree. He has a blanket covering him. A person is watching Fargot sleep. The person slowly walks over to Fargot. You can't tell who it is. He is carrying a large rock with him. Jaws type music plays. He stands over Fargot's head and then slams the rock onto Fargot's head. Fargot's legs spasm. The killer leaves the rock and walks away.

EXT. TREE - LATER

Bobo is walking around the camp. He sees Fargot laying there with a bloody head. The rock is next to his head. Bobo makes a face of fright and runs away.

EXT. CHIEFS TENT - MORNING

The medicine man comes up to the chief. The chief is drinking his morning coffee outside of his tent.

MEDICINE MAN

Chief, Fargot was murdered last night.
Someone hit him in the head with a
rock.

The chief looks surprised.

CHIEF

This is not good.

The chief puts his coffee down. The chief thinks for a
second.

CHIEF (CONT'D)

I wonder if this is related to our
contest for Princess Auga?

MEDICINE MAN

Maybe. But we haven't had a murder
in months. It was about time we had
another one. I've called for Ooga,
so that we can integrate him.

CHIEF

This is a good idea medicine man. I
also believe that Ooga would be the
likely suspect.

Ooga arrives at the chief's tent.

OOGA

You wanted to see me Medicine man?

CHIEF

Did you kill Fargot?

Ooga looks surprised.

OOGA

Fargot is dead?

CHIEF

Yes, he had his head crushed in by a
rock last night.

OOGA

No. I didn't have anything to do
with it. Maybe you killed Fargot
Chief?

The chief looks surprised at the accusation.

CHIEF

Now why would I want to kill Fargot?
(MORE)

CHIEF (CONT'D)

I just chose him to be in a contest to marry my daughter. That doesn't make any sense.

Ooga looks confused.

OOGA

Fuck you Chief.

Ooga leaves.

MEDICINE MAN

I think he killed Fargot.

CHIEF

So do I. If only we had modern ways of figuring out stuff like that. New science ways to determine who the killer was.

The chief looks off and thinks for a second.

CHIEF (CONT'D)

Maybe someday. We will burn Fargot's body in three days, as the clan way dictates. Medicine man, let the contest continue.

EXT. OOLA'S TENT - MOMENTS LATER

Auga walks up to Brow and Oola. Auga looks distraught.

PRINCESS AUGA

Have you heard? Fargot is dead. He was hit in the head with a rock.

Brow and Oola make surprised looks. The princess looks saddened.

BROW

Who do they think killed him?

OOLA

It was probably Ooga. I don't think he likes the competition.

BROW

Maybe you should get rid of Ooga on the next elimination round today.

PRINCESS AUGA

We don't know if it was Ooga. The murder might not even be related to the competition.

OOLA

Come on Auga. It has to be Ooga. He's a crazy bastard. He's always ripping the heads off of chickens and drinking their blood.

PRINCESS AUGA

He's a cave man psycho alright. And he's a chicken killer. But we don't know if he is guilty of murdering men. Are you two coming to the competition today?

OOLA

We wouldn't miss it.

PRINCESS AUGA

Good, I might need your advice on who to eliminate later.

BROW

We will be there after we eat breakfast.

PRINCESS AUGA

O.k. I'll see you there.

The three hug. Auga leaves.

EXT. DESERT - LATER

The five remaining contestants are standing out in front of the medicine man. The crowd is off to the right, as they were before.

MEDICINE MAN

In case you are not aware, we have lost Fargot. He was murdered last night. This is so sad. He was a great warrior and friend. Let's have a moment of silence for him.

Everyone is silent for a bit.

MEDICINE MAN (CONT'D)

Today's events will start with the javelin throwing contest. Ooga will be the first to throw. We will also need one volunteer to help us return the javelin to the contestants. Who will volunteer?

EXT. CROWD - CONTINUOUS

Wintow raises his hand from the crowd.

EXT. DESERT - CONTINUOUS

MEDICINE MAN

Excellent Wintow. The contestants will begin the competition when the chief and I are down field to mark the javelin throws distance. Good luck men.

The chief and Wintow walk over to the medicine man. The chief, medicine man and Wintow then walk down the field.

EXT. CROWD - MOMENTS LATER

Oola, Auga and Brow are standing around.

BROW

I think this is going to be super boring.

PRINCESS AUGA

They should have a competition where they throw axes at each other. Now that would be exciting.

All three laugh.

OOLA

And it would help you with the elimination process.

The three laugh again.

EXT. DESERT - CONTINUOUS

The chief, Wintow and medicine man get down to the other end of the field. The medicine man yells.

MEDICINE MAN

Let the throwing begin.

Ooga is the first up. From left to right. Ooga handles the javelin for a little bit to get the feel of it. Then Ooga steps back and lets the javelin fly. It goes a long way and lands in the ground, standing up. It is a good hundred feet. The crowd applauds Ooga. Ooga smiles. The chief and medicine man go over and mark the throw. Wintow grabs up the javelin and sort of jogs back with it. It takes Wintow awhile to get back and he is tired. Wintow hands the javelin to Igor. Wintow slowly starts to walk back to the other side of the field. Ooga is proud.

OOGA

No one will even come close to throwing this thing as far as me.

Igor steps up next with the Javelin. He stands there with it bouncing up and down in his hand. Then Igor steps back a bit and runs up with the javelin and trips and falls. Everyone is laughing at him. He gives them the Grunt clan sign of the bird, which is the fist around the hand thrusting it up and down (which means shove it up your ass). Igor picks up the javelin again and steps back and then runs forward and throws it. It goes just 30 feet. Ooga laughs. Igor is embarrassed.

EXT. CROWD - CONTINUOUS

The crowd laughs.

EXT. DESERT - CONTINUOUS

The chief and medicine man go mark the spot of Igor's throw. Wintow has reached the Javelin again and picks it up and turns and jogs back to the contestants. It takes Wintow a little while to get back. Wintow is super winded and just throws the javelin on the ground. Wintow stands there for a bit breathing heavy. Wintow then turns and walks back down the field. It is Attow's turn to throw. Attow picks up the javelin backwards. Looks at it confused and then turns it around. Attow steps back with the javelin. He goes running up and throws the javelin. It flies just about 20 feet. The crowd boo's Attow.

EXT. CROWD - CONTINUOUS

CROWD

Boo

Attow just looks at the crowd.

EXT. DESERT - MOMENTS LATER

The chief and medicine man move to the javelin and mark it. Wintow arrives and grabs up the javelin and jogs back to the crowd with it. Wintow returns and is super winded. Wintow throws the javelin on the ground and turns and walks back to the other end of the field. Spart steps up and grabs the javelin. He is looking around. He steps back a few paces and then runs up and lets the javelin fly. It is high and comes down and hits Wintow in the back. The javelin goes about 60 feet.

EXT. CROWD - CONTINUOUS

The crowd lets out a shocking sound as they watch Wintow get hit with the javelin.

CROWD

Oooooooooohhhhh!

EXT. DESERT - CONTINUOUS

Wintow is on the ground screaming. He is bleeding out his wound. The javelin is standing straight up out of Wintow's back.

WINTOW

OooHHH!

The chief and medicine man walk up to Wintow. The chief and medicine man measure the throw.

CHIEF

Stop with all the screaming Wintow.
It's just a flesh wound. Medicine
man, do your thing.

The medicine man puts his foot on Wintow's back and pulls on the javelin. It won't come out.

WINTOW

Oooooohhhhh!

Wintow screams really loud. The medicine man moves his foot a bit and then pulls really hard on the javelin and it still doesn't pop out.

WINTOW (CONT'D)

Oooooohhhhh!!

Then the chief and medicine man both grab a hold of the Javelin. They both put their feet on Wintow's back. They both pull on the javelin and I pops out.

WINTOW (CONT'D)

OOOOHHH!

CHIEF

Wintow stop being such a baby. Walk
it off.

Wintow can barely get up. The medicine man wipes off the javelin with a rag and then plugs Wintow's hole with the same rag.

MEDICINE MAN

Go back to the crowd Wintow. I'll
be there soon to finish patching you
up.

Wintow starts to walk away.

CHIEF

What are you doing Wintow?

Wintow turns around and looks at the chief.

CHIEF (CONT'D)

Take the javelin back with you.

Wintow makes a wtf look and then grabs the javelin. Wintow drags the javelin back with him. He is moving slow with pain. He has his hand over his wound.

EXT. CROWD - MOMENTS LATER

Oola says to Auga and Brow.

OOLA

Wintow is hurt. I will help him.

Oola goes over to Wintow. Oola helps Wintow back and also carry's the javelin back with her.

EXT. DESERT - MOMENTS LATER

Bunga grabs the javelin from Oola. Oola walks Wintow away into the crowd. Bunga steps back a few paces and races up and then lets the javelin fly. It goes 50 feet. The crowd applauds. Ooga gets mad. The medicine man and chief measure the throw. They return, the medicine man has the javelin with him. The medicine man stands in front of the crowd. The chief goes into the crowd.

MEDICINE MAN

The top three throwers of the javelin are: Ooga number one.

OOGA

Yes, I win again.

MEDICINE MAN

Number two is Spart.

The crowd claps.

MEDICINE MAN (CONT'D)

And third is Bunga. Princess Auga, these three men can not be eliminated in today's round. The next contest today will be wrestling.

All the other contestants are bummed out except Ooga. Ooga is excited.

MEDICINE MAN (CONT'D)

But first I will patch up Wintow. Let's take a break for a little bit. Do not let Wintow's screaming bother you.

EXT. CROWD - MOMENTS LATER

Brow, Oola and Auga talk.

PRINCESS AUGA

We know who will win the wrestling competition. It will be Ooga.

WINTOW (O.S.)

OoooHHHH! That hurts!

BROW

I wish I was wrestling. I bet I'd beat Ooga.

The girls laugh.

OOLA

Brow, you aren't strong enough to beat Ooga. He is too big for you to beat.

Brow gets bummed out.

WINTOW (O.S.)

That fucking hurts bad, oooohhhhh!

PRINCESS AUGA

Brow you're much smarter than Ooga though. Being smart is more important than being strong.

Brow smiles. The medicine man comes over from the crowd.

MEDICINE MAN

The first wrestling match today will be between Bunga and Ooga. Men get ready to wrestle.

Ooga and Bunga go out in front of the crowd.

EXT. DESERT - MOMENTS LATER

Bunga and Ooga go around in circles like wrestlers do. They try to grab one another. Ooga grabs Bunga and gets him in a head lock. Bunga escapes. The two go around in circles again. Bunga jumps up and kicks Ooga in the face. Ooga gets mad.

OOGA

You loser. No kicking like a girl. I will kill you.

Ooga goes after Bunga. Ooga catches and grabs Bunga and gets him to the ground. Bunga tries to escape.

Ooga grabs him by the balls and squeezes. Close-up of the fake balls being grabbed and squeezed.

BUNGA

Oooohhhh! Let go of my balls.

Ooga laughs. You can see Ooga's face as he squeezes the balls tighter. Ooga is laughing and smiling.

BUNGA (CONT'D)

Oooohhh!

Bunga is screaming and making painful close-up expressions, then he passes out. Ooga gets up and runs around. He is jumping up and down.

OOGA

I'm the winner.

The medicine man walks over and raises the hand of Ooga.

MEDICINE MAN

Ooga is the winner of the match.

Bunga is laying there. Bunga slowly wakes up. Bunga holds his balls. Bunga is whimpering.

BUNGA

My balls.

The medicine man comes over to Bunga, moves Bunga's hands away and looks at his balls.

MEDICINE MAN

Holy shit! You need to soak these balls in warm water. And don't have sex until they get smaller. These balls are as big as ostrich eggs.

The medicine man is making faces of disgust and horror. Bunga is in pain. The medicine man gets up and regroups.

MEDICINE MAN (CONT'D)

Time for the next match. Igor against Spart.

Bunga crawls away. Show Bunga's huge fake nuts as he's crawling away. Spart and Igor go out in front of everyone. They begin to wrestle. They go around in circles sizing up each other. They move in on each other. Then back out again. Spart grabs Igor and gets him in a head lock. Igor can't breathe. Igor is trying to get out of the head lock. Igor manages to escape. Igor jumps on Spart's back and starts to gouge Spart's eyes.

SPART

Uuuuhhhhh!

Spart spins around and throws Igor to the ground. Spart is rubbing his eyes. Spart then tackles Igor and grabs his legs and starts twisting them together like a pretzel.

IGOR

Ooohh! The pain.

Spart continues to twist Igor's legs. Then Spart grabs Igor's feet and starts twisting them. Igor is pounding on the ground. Igor is in serious pain. Spart is now twisting Igor's legs again. Igor is pounding on the ground.

IGOR (CONT'D)

I give. I give.

The medicine man flags his hands.

MEDICINE MAN

Spart has won.

Spart gets up and waves his hands. Igor can barely get up. He is pissed.

IGOR

You cheat Spart. You're a cheater.

SPART

I won fair and square. You are just a bad wrestler. And you should bathe every now and then. Stinky Igor.

Igor gives him a nasty look.

MEDICINE MAN

The next wrestling contest will be between Attow and Ooga.

Attow gives a disappointed face. Ooga and Attow go out in front of everyone.

ATTOW

How come I have to wrestle Ooga?
I'm afraid he'll hurt my nuts.

MEDICINE MAN

Get ready to wrestle gentlemen.

Attow and Ooga are now out in front of everyone and ready to spare. They are looking at one another.

MEDICINE MAN (CONT'D)

Go at it men.

Ooga comes charging at Attow. Attow tries to run away but Ooga grabs him. Ooga has Attow in a head lock. Attow is breathing hard. Attow elbows Ooga. Ooga is hurt and looks surprised. Attow breaks free and runs away. Ooga runs after Attow. Ooga grabs Attow by the hair. Ooga pushes Attow to the ground and lays on top of Attow. Attow is trying to get Ooga off of him. The medicine man comes over and taps three times on the ground. The medicine man separates the two men. The medicine man holds up Ooga's hand to show that he is the winner.

MEDICINE MAN (CONT'D)

And the winner is Ooga.

Ooga gets up and is jumping around. Attow slowly gets up.

OOGA

I'm the winner.

The crowd is applauding.

MEDICINE MAN

And the last wrestling match today is between Ooga and Spart. Men get ready to wrestle.

Ooga and Spart go up to one another.

MEDICINE MAN (CONT'D)

Begin.

Ooga and Spart circle one another. They are judging each other. Ooga goes towards Spart.

OOGA

I will get you good Spart.

Spart laughs at Ooga.

SPART

Ahh aahhh aahha. I didn't know monkeys could talk.

Ooga gets mad. Spart backs away. Spart grabs Ooga's legs and throws him to the ground. Spart gets on top of Ooga. Spart is pinning Ooga down. Ooga flips Spart off of him and gets on top of him. Spart wraps his legs around Ooga and flips him over. Spart gets his legs around Ooga's head and pins him. Show a close-up of Spart's legs around Ooga's head. Ooga can't move. Ooga is trying to escape, but can't. The medicine man comes over and taps three times on the ground.

MEDICINE MAN

Spart is the winner.

Spart lets Ooga go. Ooga is angry.

OOGA

I want a re-match.

MEDICINE MAN

No Ooga, you lost. The winners of today's wrestling matches are: Spart, number one. And Ooga is number 2. Princess Auga, of the winners of both contests today you can not eliminate, Ooga, Spart or Bunga. You may only eliminate Attow or Igor.

Princess Auga moves forward. She stands and thinks for a second. She grabs Spart's hand.

PRINCESS AUGA

I will have to think about it.

Princess Auga leads Spart to the tent of fornication. They go into the tent. Ooga is mad and says to Igor.

OOGA

How come I don't get to go to the tent of fornication with Auga? I don't like Spart.

The chief comes forward.

CHIEF

Why does Princess Auga want to humiliate the tribe? This is not the Grunt tribe way.

The tent of fornication is moving a bit.

PRINCESS AUGA

Moaning - ooohhh

Everyone is watching the tent. The tent is moving. The medicine man decides to speak.

MEDICINE MAN

Well, the next event will be tomorrow. We will meet at the same time and place.

The tent is moving still. Show a close-up of Ooga watching the tent.

EXT. CROWD - CONTINUOUS

Show a close-up of the crowd watching the tent. Show a close-up of Bobo watching the tent.

Show a close-up of Brow watching the tent. Show a close-up of Oola watching the tent and eating a bagel.

EXT. DESERT - CONTINUOUS

The screen shows "10 Minutes Later".

PRINCESS AUGA
Moaning- ahhhh.

Princess Auga and Spart come from out of the tent. Auga's hair is messed up. She is jumping up and down. Auga is angry.

PRINCESS AUGA (CONT'D)
I told you to pull out Spart.

Spart is smiling. Auga continues to jump up and down. The crowd is laughing. Auga walks over to Brow and Oola.

EXT. CROWD - CONTINUOUS

Auga is standing with Brow and Oola.

PRINCESS AUGA
Who do you think I should eliminate?

OOLA
You must get rid of Attow. He is just too annoying.

BROW
Definitely Igor.

Princess Auga is thinking, then she returns to the front.

EXT. DESERT - CONTINUOUS

Auga is in front of the table. Auga jumps up and down a few more times.

PRINCESS AUGA
I have decided which one of the contestants will leave next.

MEDICINE MAN
Attow and Igor go to the center.

Igor and Attow head to the center and stand there in front of Auga. Princess Auga stands by the table. She grabs some shit from the shit bowl.

PRINCESS AUGA
I have decided that the shit goes to....

Auga looks back and forth between the two contestants. She waits for effect.

PRINCESS AUGA (CONT'D)

Attow.

Princess Auga throws the shit at Attow. He ducks and is missed by the shit.

ATTOW

Na na nana

Attow, laughs and runs away. Princess Auga goes over to her mother and father.

EXT. CROWD - CONTINUOUS

PRINCESS AUGA

I wish to talk to you later. Please meet me at our tent in a few minutes.

CHIEF

Yes, we wish to talk to you to.

The chief says annoyed. The chief and mother take off to their tent.

EXT. DESERT ELIMINATION - MOMENTS LATER

Attow is standing in front of the camera.

ATTOW

I've got pretty good at dodging shit my whole life. Thank goodness I was eliminated from this competition. Princess Auga is too tall for me. I like short, fat woman.

Attow smiles for the camera.

EXT. CROWD - CONTINUOUS

Princess Auga goes over to Brow and Oola. Auga is depressed and bummed out.

PRINCESS AUGA

Oola, Brow. I want to marry a man that I'm in love with. Someone that that takes my breathe away. Someone who makes me excited. Why do I have to chose from these men?

OOLA

Unfortunately there are just so many men in our tribe to chose from. But don't worry. Regardless of who you marry, you'll still have us. Things aren't so bleak.

BROW

Yes Auga. We will always be there for you.

Auga smiles. The three hug.

EXT. CHIEFS TENT - EVENING

Auga is walking up to the chiefs tent. Four women approach Princess Auga.

WOMEN 1

Auga, why do you have sex with all the men. Pick a husband and just have sex with him.

WOMEN 2

You had sex with Spart today. I want Spart. You can't have all of the men.

The women are angry and they start shoving Auga. Auga shoves them back.

PRINCESS AUGA

Leave me alone.

WOMEN 3

Auga, you are a whore.

WOMEN 4

Auga, your pussy is bald from fucking so much.

The woman are pulling Auga's hair and shoving her. Auga pushes them away from her.

PRINCESS AUGA

You are just jealous. You can have my leftovers.

Auga picks up a rock and threatens them.

PRINCESS AUGA (CONT'D)

Go away before I kill you.

The women back away. The chief comes up to the women.

CHIEF

Princess Auga, put the rock down.
You ladies go home.

The ladies dispatch. The women are still angry. The chief's wife comes out. Auga drops the rock and talks with them.

CHIEF (CONT'D)

See Auga. You anger the tribe's women with your wicked ways. I have decided that you must stop having sex with all the men in the contest.

MOTHER

Yes Auga. Please be a good girl. Masturbate with a rock like the other single women do.

PRINCESS AUGA

I don't really like any of the contestants. Our tribesman suck.

MOTHER

I don't really like your father, but I still sleep with him.

The chief gets a pissed look on his face.

PRINCESS AUGA

It makes me sick to think that I'll have to spend the rest of my life with someone that I don't love.

Auga is bummed out.

CHIEF

You promised you would choose one of the contestants to be your husband. Now you must choose.

Princess Auga is getting mad.

PRINCESS AUGA

Alright! But I'm going to continue to have sex with whichever contestants I want. If I have to marry one of them, then at least I'll marry one that is half way good in the sack. I must taste their bacon.

MOTHER

Auga, all bacon is the same.

PRINCESS AUGA

How would you know? You've only had one pig.

The mother gives a sly look. The chief gets pissed again.

CHIEF

Auga, go get some rest. Tomorrow will come soon. You will be choosing your husband shortly.

Auga is pissed and goes into their tent.

EXT. DESERT - NIGHT

It is quiet around the camp. Bobo is walking around by himself. He has a stick and is staring off into the night. You can hear the coyotes howl. Bobo continues to walk.

EXT. TREE - MOMENTS LATER

Spart is sleeping by a tree. He has a blanket over him. He is snoring loudly. A man comes up to Spart, he is carrying a big rock. He raises the rock over his head and slams the rock into Spart's head. Spart snore no more.

EXT. CHIEFS TENT - MORNING

The chief and Auga are outside of the chief's tent. The chief is sun bathing. The medicine man comes up to the chief.

MEDICINE MAN

Chief, I have bad news.

CHIEF

What is it medicine man?

MEDICINE MAN

Someone has killed Spart. He was hit in the head with a rock just like Fargot.

The chief and Auga are surprised. Auga is bummed out.

PRINCESS AUGA

All the best men are dying. Fargot and Spart were the ones that I might have wanted to chose.

CHIEF

Does anyone know who might have killed Spart?

MEDICINE MAN

No. No one heard or saw anything.

PRINCESS AUGA

I think this is contest related. We need to find out who is killing everyone. I think it is Ooga.

The chief contemplates.

CHIEF

We can't be sure of who is doing the killing. This might not be related to Fargot's death. Sometimes people just get mad and kill one another. When I was young, people would kill each other just for farting.

Princess Auga make a wtf look.

PRINCESS AUGA

This is obviously contest related. Father you should do something. You should find out who the killer is. You are the chief, act like a chief.

The chief gets mad and then makes a concerned face.

CHIEF

I guess this could be contest related. We will have to just continue on with the contest though. I'm not a skilled detective. I can not solve things like this.

The chief is sad and thinks for s second.

CHIEF (CONT'D)

We will set fire to Spart's body in the usual clan way in three days. Screw it. We'll burn Fargot and Spart's bodies together to save on wood.

MEDICINE MAN

Yes chief.

Auga, the chief and the medicine man all stand there quiet.

EXT. DESERT - CONTINUOUS

A man comes down the trail to the chief's tent. He is a good looking white guy and a foreigner from another tribe. The foreigner arrives at the chiefs tent. Auga and the foreigner's eyes meet and they are attracted to one another immediately. It is love at first sight. Love at first sight music plays. The foreigner than composes himself and speaks to the chief.

MANNY

Hello, my name is Manny. I'm from the Osaco tribe. I have come to participate in the contest to marry your Princess Auga. I wish to speak with the chief of the Grunt tribe.

CHIEF

I'm the chief. The contest has already started. You have disrespected our clan by being late. You can not compete in the contest now. It wouldn't be fair to the other contestants. Besides, who wants a son in law that is not punctual. Go back to your tribe.

The chief motions for him to leave.

MANNY

But I got lost. The directions that were given to me were wrong.

Auga speaks to Manny.

PRINCESS AUGA

I'm Princess Auga. The one that you have come to compete for.

Manny looks at her with love.

MANNY

I have never seen a woman as beautiful as you Princess Auga. My heart is filled with joy. My pants are filled with joy.

The chief makes a wtf face.

PRINCESS AUGA

I like you Manny. You will compete for my love and vagina.

The chief gets mad.

CHIEF

He can't compete. I have decided.

PRINCESS AUGA

Manny will participate in the games or I will not play any more. I will go into the desert and live with the coyotes.

The chief gives Auga a strange look. The chief shakes his head.

CHIEF

Why must you be so hard headed Auga?

The chief is distraught and bummed out.

CHIEF (CONT'D)

O.k. you may compete in the contest.
But you better not cheat or be late
again or else.

PRINCESS AUGA

Or else what? You will get mad and
stomp your little feet.

The chief is pissed.

MEDICINE MAN

The next event will start shortly in
the desert.

The chief, medicine man, Auga, Manny and the mother leave to go to the event. Manny and Auga walk near each other. They give each other love looks. Auga grabs his hand and holds it.

EXT. DESERT - LATER

Bunga, Igor and Ooga are waiting at the desert event field. Off to the side is the crowd, Oola, Brow, Bobo and others are there. The chief, medicine man, mother, Auga and Manny arrive. The medicine man and Manny go out in front of the contestants. The rest of the group goes into the front of the crowd.

MEDICINE MAN

Grunt clan. Our brave and fearless
warrior Spart was murdered last night.

EXT. CROWD - CONTINUOUS

The crowd is bummed out and/or they're talking.

CROWD

Oooooohhhh.

EXT. DESERT - CONTINUOUS

MEDICINE MAN

He will be missed. Let's have a
moment of silence for him.

The medicine man looks down all sad. There is a ten second silence. Then the medicine man pops his head back up.

MEDICINE MAN (CONT'D)

We have a new contestant that has arrived. The chief is allowing him to compete in the contest. His name is Manny.

Ooga, Igor and Bunga are mad.

EXT. CROWD - CONTINUOUS

The crowd murmurs.

CROWD

Ooohhh.

EXT. DESERT - CONTINUOUS

OOGA

This is not fair. This loser would have been eliminated by now if he had been competing all along. I protest.

Ooga is mad. Igor is mad. The other players aren't happy.

MEDICINE MAN

Silence Ooga. The chief has spoken. Today's contest will be to see how smart our contestants are with various math problems.

Igor and Ooga look confused. Manny and Bunga have no problem with this.

OOGA

Math. What is math?

Igor and Ooga still looked confused. They look at one another.

MEDICINE MAN

It is when you add things together. Like two plus two equals four. Or you subtract two things. Like four minus two equals two.

Ooga makes a wtf look.

IGOR

Math is for losers.

OOGA

This is stupid. Counting is for women.

MEDICINE MAN

Regardless, you four will be competing in these calculations. To begin we will start with addition. Come here men.

The men reluctantly huddle around the medicine man. The medicine man takes a stick and writes $2 + 2 = ?$ in the sand.

MEDICINE MAN (CONT'D)

Now cover your answer with your hand and show me how many is the correct answer by holding up that many fingers. Like this.

The medicine man holds up some fingers behind his hand.

MEDICINE MAN (CONT'D)

Don't let the other contestants see your answer.

The four men think for a bit. Igor and Ooga still look confused.

MEDICINE MAN (CONT'D)

I just told you the answer a little while ago. Here, I'll show you how to do it.

The medicine man holds up two fingers.

MEDICINE MAN (CONT'D)

First you have this many fingers.

Then the medicine man holds up two fingers on the other hand.

MEDICINE MAN (CONT'D)

Then you add this many fingers. Then what do you have for a total when you add both of these together?

Then all four men hold up fingers behind their hand. Ooga looks at Igor's answer to cheat.

MEDICINE MAN (CONT'D)

Ok. I will check your answers.

The medicine man looks at Manny's answer.

MEDICINE MAN (CONT'D)

This is correct Manny.

Manny miles. Then the medicine man looks at Bunga's answer.

MEDICINE MAN (CONT'D)

This is also correct Bunga.

Bunga is happy. The medicine man looks at Igor's answer.

MEDICINE MAN (CONT'D)

This is incorrect. You are holding up just two fingers Igor.

You can see Ooga changing his answer and holding up different fingers.

MEDICINE MAN (CONT'D)

Ooga, did you just change your answer?

OOGA

No.

Ooga shakes his head no. The medicine man looks at Ooga's answer.

MEDICINE MAN

Well, your answer is wrong anyway. You are holding up three fingers.

Ooga is mad.

OOGA

Counting is stupid.

Igor and Ooga are mad. The medicine man erases the first math problem on the ground. The medicine man then writes $4-2=?$ on the ground with his stick. The men huddle around and look at the problem in the sand.

MEDICINE MAN

The next math problem is $4-2=?$ Which means that you have four of something and then you take two away. What would you have left?

The medicine man holds up four fingers on one hand. Then he holds up two fingers on his other hand.

MEDICINE MAN (CONT'D)

Cover your hand and hold up what you think is the correct amount of fingers to solve this problem.

Igor and Ooga still look confused. The four men hold up their answers behind their hands. Ooga looks at Igor's answer. The medicine man proceeds to look at the answers. He looks at Manny's first.

MEDICINE MAN (CONT'D)

Manny, you have the correct answer.

Manny smiles. The medicine man looks at Bunga's answer.

MEDICINE MAN (CONT'D)

Bunga, you have the correct answer.

Bunga gets a big smile on his face. The medicine man looks at Igor's answer.

MEDICINE MAN (CONT'D)

Igor, you are wrong. You aren't holding up any fingers. This is wrong.

Ooga starts changing his answer. The medicine man looks at Ooga's answer.

MEDICINE MAN (CONT'D)

Ooga, you are holding up four fingers. This is incorrect.

Ooga is pissed. Ooga is shaking his head.

OOGA

This is so stupid, why do I need to count?

MEDICINE MAN

Now we will do some multiplication.

All the men have a blank, confused look.

BUNGA

What is multiplication?

MEDICINE MAN

If you have a number. And then you have that many more of another number.

The men still look confused. The medicine man holds up two fingers. Then he holds them down and puts up the same two fingers.

MEDICINE MAN (CONT'D)

You have two twice. Then how many would you have.

The men still look confused. Manny looks like he might get it. The medicine man erases the last math problem. The medicine man writes in the sand, $2 \times 2 = ?$ The men all look at it. They all hold up fingers behind their hands. The medicine man looks at Manny's first. Ooga looks at Igor's answer.

MEDICINE MAN (CONT'D)
 Good job Manny. You have the correct
 answer.

The medicine man looks at Bunga's answer.

MEDICINE MAN (CONT'D)
 Sorry Bunga, that is not the correct
 answer.

The medicine man looks at Igor's answer.

MEDICINE MAN (CONT'D)
 Igor, you are holding up just one
 finger. This is the wrong answer.

Ooga quickly changes his answer.

MEDICINE MAN (CONT'D)
 Ooga I saw you cheating.

The medicine looks behind Ooga's hand.

MEDICINE MAN (CONT'D)
 Ooga you are also just holding up
 one finger. This is wrong.

Ooga is pissed.

OOGA
 All this math stuff hurts Ooga's
 brain.

Ooga rubs his head.

EXT. CROWD - CONTINUOUS

Princess Auga speaks to Oola and Brow.

PRINCESS AUGA
 See, Manny is smarter than any man
 in our tribe.

OOLA
 Yes, and he is good looking too.'

Oola and Auga smile at one another. Brow is bummed out.

EXT. DESERT - MOMENTS LATER

MEDICINE MAN
 This ends today's math problems.
 Manny is first, Bunga is second.
 And Ooga and Igor were tied for last.
 (MORE)

MEDICINE MAN (CONT'D)

Although I think we should somehow dock Ooga points because he cheated twice.

Ooga gives the medicine an evil angry look.

MEDICINE MAN (CONT'D)

Next in today's competition is the rock carrying contest. You men will take turns carrying a heavy bag of rocks. Whoever carries them the farthest, wins. You will start from here.

The medicine man points to a line in the dirt.

MEDICINE MAN (CONT'D)

The chief will go with you to measure how far you carried the bag. Manny, you will be the first to go.

Manny steps up to the bag of rocks and picks it up. It is heavy, he carries it about twenty feet and sets it down. The chief measures the spot. The chief then wonders how he will measure the bag for the return trip. The chief looks confused. The medicine man sees the chief's predicament.

MEDICINE MAN (CONT'D)

Ooga go down to the chief, you will carry the bag back here as far as you can carry the rocks.

Ooga goes down to the chief. Ooga picks up the bag. Ooga carries the bag all the way back and keeps going past the medicine man. The chief is behind him. Ooga sets the bag down. The chief has been counting his steps. The chief looks confused again and is counting in his head. The chief calls out to the medicine man.

CHIEF

Manny had 20 steps. Ooga has 32 steps.

MEDICINE MAN

Igor, go pick up the bag and come back to me with it.

Igor looks confused, but goes to the bag. Igor picks up the bag and starts to come back to the medicine man. He goes 5 steps and stops. The chief is behind him counting the steps he takes.

CHIEF

Igor gets 5 steps.

The crowd laughs. Igor is embarrassed. The medicine man looks at Bunga.

MEDICINE MAN

Bunga. Go to the bag and carry the bag towards me.

Bunga goes to the bag. He lifts the bag. He moves the bag to the medicine man then he keeps going past the medicine man. Bunga puts the bag down, he is tired. The chief is following behind Bunga.

CHIEF

Bunga has gone 15 steps.

The medicine man thinks in his head.

MEDICINE MAN

The winners of the rock carrying contest are Ooga first place. Manny second place, Bunga third and Igor last.

The crowd applauds. The medicine man thinks for a second.

MEDICINE MAN (CONT'D)

The winners of the two contests today can not be eliminated. So Manny and Ooga cannot be chosen to leave. Princess Auga you can only eliminate either Igor or Bunga.

The princess is thinking.

PRINCESS AUGA

I'll have to take a moment to think about this.

Princess Auga grabs Manny's hand and they go into the tent of fornication.

EXT. CROWD - CONTINUOUS

No. Its should be embarrassing for
Princess Auga when she finally comes
out of the tent of fornication.
Whenever that may be.

EXT. DESERT - CONTINUOUS

BROW

So that's an orgasm.

PRINCESS AUGA

Manny is wonderful. And he makes me laugh. I'm in love.

Princess Auga is beaming with happiness.

OOLA

This is great Auga.

PRINCESS AUGA

Manny's tribe doesn't screw doggie style. So I wont get pregnant. I guess I don't have to practice birth control either.

Auga is beaming.

OOLA

This is fantastic. You don't have to worry about babies, at least not yet.

Oola and Auga laugh. Brow just stands there.

PRINCESS AUGA

I don't think I'd practice birth control even if we had done it doggie style.

Auga smiles and laughs. Oola laughs. Brow jus stands there.

PRINCESS AUGA (CONT'D)

Who should I get rid of next?

OOLA

I think you should get rid of that little creep Igor.

BROW

Yes, Igor should be the next to go.

Auga thinks for a second.

PRINCESS AUGA

I'm going to tell the medicine man my decision.

Princess Auga walks off.

Princess Auga arrives at the shit table.

PRINCESS AUGA

I have made my decision.

MEDICINE MAN

Igor and Bunga. Go before Princess Auga.

Igor and Bunga go before Princess Auga. Auga addresses the crowd. She takes out the shit bucket and pulls the towel off of it.

PRINCESS AUGA

I have thought about my elimination choices. And have decided that....

She looks at the two elimination contestants Bunga and Igor who are now across from her.

Both the contestants sort of cover themselves.

PRINCESS AUGA (CONT'D)
That Igor deserves the shit.

Princess Auga grabs up a clump of shit and throws it at Igor.
Igor gets shit in the face.

MEDICINE MAN
It is time for you to go Igor.

all.

Everyone starts to disperse.

IGOR
I never thought that I'd win any
way. Besides Princess Auga is such

wouldn't have liked me any more. He
might have hurt me. And I wouldn't
want that.

Igor has a big smile on his face.

EXT. DESERT - LATER

Ooga goes over to Manny. They kiss. Manny holds her in his
arms. They both have big smiles on their faces. Auga grabs

PRINCESS AUGA

And I love you Manny. I never want this day to end. We were meant to be together. It is in the stars.

Auga points to the stars. Manny hugs Auga.

MANNY

We will have many more happy days and nights like today.

Princess Auga steps back.

PRINCESS AUGA

You can sleep here tonight. I have to go back to my parents tent.

Auga looks all concerned.

MANNY

What is the matter Princess Auga?

PRINCESS AUGA

Lately there have been bad things happening.

MANNY

What bad things do you speak of Princess Auga?

PRINCESS AUGA

People have been dying. I think it is related to this contest. Some of the contestants have had their heads bashed in with a rock.

Princes Auga thinks for a second.

PRINCESS AUGA (CONT'D)

Manny, maybe you should sleep in our tent tonight?

Manny looks surprised.

MANNY

I couldn't. That would be disrespectful to the chief.

Auga looks concerned.

MANNY (CONT'D)

Don't worry Auga. I will sleep lightly. I will get a club for protection.

Then Auga smiles and is less concerned.

PRINCESS AUGA

You are smart and brave Manny. You are everything that I've always wanted. I have never been truly happy until now.

MANNY

Go get some rest Princess Auga. We have another day of events. There are only three of us left to compete.

PRINCESS AUGA

The killer raises the rock again and smashes in Manny's head. The killer throws the rock down. The killer turns to leave. Bobo is standing in front of him. Bobo has been standing there watching. Bobo stares up at the killer with a look of surprise. The killer starts moving towards Bobo. Bobo turns and runs away.

EXT. CHIEFS TENT - MORNING

The medicine man comes over to the chiefs tent. The chief is outside doing his yoga.

MEDICINE MAN

Chief, I have bad news.

The chief gets up.

CHIEF

Not again.

MEDICINE MAN

Yes, this time it was that new guy,
Manny, that was killed. He was hit
with a rock.

Auga comes out of the tent with her mother.

PRINCESS AUGA

No. No. Manny isn't dead.

MEDICINE MAN

Yes, Princess Auga. It is so.

Auga looks down all distraught. She is crying. Her mother
hugs Auga.

CHIEF

These three killings must be related.

Auga breaks away from her mothers hug. She is still crying.

PRINCESS AUGA

I know that asshole Ooga did it. He
killed my Manny. I hate Ooga father.
I will kill him.

Auga is mad and crying.

CHIEF

You don't know for sure if it was
Ooga.

MEDICINE MAN

Maybe Manny was killed because he
was a foreigner.

The chief makes a face of understanding.

CHIEF

Now I believe that having a foreigner
for the new chief might not have
been such a good idea. The clan
might not have followed his
leadership. He was an outsider. He
might not have been a good chief.

Princes Auga comes and pounds on her fathers chest.

PRINCESS AUGA

He would have been the best chief
ever.

The chief holds his daughter.

CHIEF

Auga, if Ooga did kill Manny, that is what a real chief would do. A real chief wouldn't wait to see if he won or not. He would grasp the chief job, for it is his destiny.

Auga leaves her father's arms. She is still distraught and can't talk.

CHIEF (CONT'D)

A real chief would get rid of his rivals.

The chief gets all solemn.

CHIEF (CONT'D)

Your mother doesn't know this, but I killed your mother's former boyfriend many moons ago. He was my competition. I also hit him on the head with a rock. That's how I became chief.

Close-up of the mother making a pissed off look. Auga looks at her father and starts to cry again. Auga races off into the desert.

CHIEF (CONT'D)

Princess Auga, where are you going?

Auga keeps running.

EXT. DESERT - LATER

Auga gets out into the desert and slowly stops running. She comes to a stop. Auga stands looking out into the desert with tears in her eyes. The desert is still and barren.

EXT. OOLA'S TENT - LATER

Oola and Brow are outside talking together.

OOLA

Brow, have you seen Bobo today?

Brow looks around.

BROW

No I haven't.

Oola looks at Brow curiously. Auga comes up to Brow and Oola. Brow and Oola hug her.

OOLA

We were worried about you Auga. We heard that you had taken off into the desert to go live with the coyotes.

Auga is depressed.

PRINCESS AUGA

Ooga killed my Manny. He hit him with a rock.

Oola hugs Auga.

OOLA

I know. We heard.

PRINCESS AUGA

Manny was my true love. He was the only man that I have ever loved. I will never fall in love again.

Auga is depressed. There is a close-up of Auga.

PRINCESS AUGA (CONT'D)

And I'll never have an orgasm again.

Auga is sad and begins to cry. Brow and Oola both hug her. Auga is sobbing. They all stop hugging.

BROW

Auga you will find true love again. What is true love any way? It is someone who makes you happy. It is someone that you can get along with and trust. It is someone to have babies with you.

Auga is still crying.

PRINCESS AUGA

I've decided that I'm going to leave the clan. I will go out on my own.

Princess Auga thinks for a second.

PRINCESS AUGA (CONT'D)

Maybe Manny had a twin brother.

Princess Auga looks out into the desert.

OOLA

No Auga. You can't go out on your own.

(MORE)

OOLA (CONT'D)

There is too much evil out there.
Our civilization has not evolved.
Many people are still like cave men.

BROW

You will find true love in our clan
Auga.

Auga is sad.

AUGA

No Brow. Manny was my only true love.
And Ooga killed him.

Oola gets mad now.

OOLA

Ooga is an asshole. He knew that
you had feelings for Manny and he
killed him out of spite. He is an
evil stinky cave man. I'm sure Ooga
killed your Manny Auga.

Auga starts to get angry too.

PRINCESS AUGA

I will set a trap for Ooga.

BROW

How will you do that?

PRINCESS AUGA

I don't know. But I will somehow
trick him into showing everyone that
he killed my Manny. Then we will
stone Ooga to death.

Auga is angry and confident.

BROW

Is there a way that you can prove
that Ooga did it?

Oola and Brow stand there.

OOLA

Ooga killed Manny and the others.
He is the king of the assholes. He
should start his own tribe, the
Asshole tribe.

PRINCESS AUGA

I will prove it was Ooga. I will
have revenge.

Auga breaks down and starts to cry again. Brow and Oola hug her.

EXT. DESERT - LATER

The clan is outside ready to watch the final matches between Ooga and Bunga to see who will win Auga's hand in marriage. The chief and wife and medicine man and Brow and Oola are in the crowd. Bunga and Ooga are also in the crowd. Other people are also in the crowd. Bobo is not in the crowd. The medicine man steps forward to speak to the crowd.

MEDICINE MAN

Today is the final day of the contest.
Last night the foreigner Manny was
murdered with a rock.

The crowd is murmuring.

MEDICINE MAN (CONT'D)

It is unfortunate. So now the last
two competitors, Bunga and Ooga,
will compete for Princess Auga's
hand in marriage.

EXT. CROWD - CONTINUOUS

The crowd is shown looking on and talking.

EXT. DESERT - CONTINUOUS

MEDICINE MAN

Today they will compete in the new
sport called boxing. The men can
only use their hands to punch the
crap out of one another. Bunga and
Ooga, please come out here and get
ready to fight.

Bunga and Ooga come out from the crowd to square off against each other. They stand across from one another.

MEDICINE MAN (CONT'D)

Come out fighting men.

The medicine man backs away towards the crowd. The men start moving around in a fight stance. They start punching each other in the face. Ooga looks like he is winning. Ooga is happy. Bunga is getting beat up. Princess Auga steps forward from the crowd with her hand in the air.

PRINCESS AUGA

Wait.

Princess Auga stands in front of everyone. She gets in between Ooga and Bunga.

PRINCESS AUGA (CONT'D)
 We will have a contest today. But it will not be this thing called boxing. It will be a fight to the death.

EXT. CROWD - CONTINUOUS

CROWD
 Murmuring. Oooohhhh.

EXT. DESERT - CONTINUOUS

Bunga and Ooga are looking confused.

PRINCESS AUGA
 The two contestants will each chose a weapon to fight with. There are two weapons to chose from.

Princess Auga points to a large rock and a large club.

PRINCESS AUGA (CONT'D)
 Ooga and Bunga, go choose the weapon you wish to fight with from over there.

Bunga and Ooga look strangely at Auga. The crowd looks strangely at Auga. The medicine man steps back out in front of everyone again to talk with Auga.

MEDICINE MAN
 This is not appropriate Princess Auga. We can't have two members of the clan fight to the death.

Ooga walks over and grabs up the rock and throws it at Bunga. It hits Bunga in the head and he is knocked to the ground. Bunga gets up. Bunga holds his head. Bunga is bleeding from his head. Ooga picks up the rock and is about to hit Bunga again. Bunga looks around dazed.

BUNGA
 I quit. I'm not fighting to the death for Princess Auga. Ooga, you can have her.

Bunga walks away. Bunga walks up to the table of shit. He picks up some shit and throws it at himself and walks off.

EXT. DESERT ELIMINATION - MOMENTS LATER

Bunga is in front of the camera. He has shit on him still. He is still holding his bloody head.

BUNGA

Why would I want to die for Princess Auga? I just wanted to be the new chief so that I wouldn't have to work. If I'm dead, than I wouldn't be chief. Being dead is not fun.

Bunga looks all serious.

EXT. DESERT - CONTINUOUS

The crowd is talking and murmuring.

MEDICINE MAN

I guess if Bunga has quit, then Ooga is the winner. Ooga will marry Princess Auga.

The crowd starts cheering and applauding. Ooga is smiling. Princess Auga makes a face of WTF. She is wondering what just happened. She goes out to the center of the desert again.

PRINCESS AUGA

There's no way I'm marrying Ooga.

The chief steps out from the crowd.

CHIEF

You said that you would marry the winner. The winner is Ooga. Now you must marry him Princess Auga.

PRINCESS AUGA

But Ooga killed Manny and the others.

CHIEF

You don't know if Ooga killed any one.

PRINCESS AUGA

But today he chose the rock as his weapon. The killer used a rock. Therefore Ooga is the killer.

The chief makes a look of contemplation.

CHIEF

Princess Auga. That sort of makes sense.

The chief gives a contemplating look. The chief looks over to Ooga.

CHIEF (CONT'D)

Ooga, did you kill Manny and the others?

Ooga shakes his head no.

OOGA

No.

The chief looks at Auga

CHIEF

See Princess Auga, Ooga didn't kill these men.

Auga looks pissed.

PRINCESS AUGA

He isn't going to admit to killing everyone. Why would he do that?

CHIEF

There is no way that we can prove who actually killed these men Princess Auga.

OOGA

I won the contest, now you will marry me Princess Auga. You will be my bride.

Ooga goes over to Auga and starts to try and kiss her.

PRINCESS AUGA

No Ooga, get away. I will not marry a murderer.

The chief is angry.

CHIEF

Princess Auga. You will marry Ooga. I have spoken. You will listen to me for once in your life. Medicine man. Marry Ooga and Princess Auga right now.

The medicine man comes over to Auga and Ooga and raises his hand.

MEDICINE MAN

We are gathered her today.

Ooga smiles and grabs onto Auga and holds her. Auga is trying to get away. Auga is hitting Ooga. Ooga is laughing.

MEDICINE MAN (CONT'D)

To witness the marriage of Princess Auga and Ooga.

The boy Bobo comes out through the crowd. He comes up to Princess Auga. Bobo starts using hand language to speak to Auga.

PRINCESS AUGA

Stop Medicine Man. Bobo is saying something.

Auga pushes Ooga off. The medicine man stops speaking. Everyone is looking at Bobo. Auga is reading Bobo's sign language.

MEDICINE MAN

What does the boy say?

Auga finishes reading the sign language and speaks back to Bobo in sign language.

PRINCESS AUGA

Bobo says he watched Manny get murdered last night. Who killed Manny Bobo?

Auga makes more sign language. Bobo looks around. Then Bobo signs back. Bobo points to Ooga. Auga looks satisfied.

PRINCESS AUGA (CONT'D)

Bobo says Ooga killed Manny last night. Bobo saw Ooga hit Manny in the head with a rock.

EXT. CROWD - CONTINUOUS

The crowd roars.

CROWD

Oooooohhhh.

EXT. DESERT - CONTINUOUS

Princess Auga turns to Ooga.

PRINCESS AUGA

You killed my Manny.

Auga starts hitting Ooga. Ooga covers himself from the hits.

EXT. CROWD - CONTINUOUS

The crowd is appalled. They are booing Ooga. They are getting angry with Ooga.

EXT. DESERT - CONTINUOUS

OOGA

This is not true. I didn't kill anyone with a rock.

The chief comes forward from the crowd. He pulls Auga off of Ooga. He looks at Bobo. The chief makes his own hand signs. He points at Ooga and pretends he uses a rock to hit something. And mimics Manny getting hit.

CHIEF

Did Ooga hit Manny with a rock?

Bobo looks at the chief. Bobo looks confused. Oola steps forward.

OOLA

Chief, I also read Bobo's signs. He did say that Ooga killed Manny.

The chief looks at Ooga.

OOGA

Chief, that's a lie.

CHIEF

Ooga. I find that you have killed Manny and probably the other two tribes men. You did this so that you would win Princess Auga for yourself.

Ooga makes a pissed face.

CHIEF (CONT'D)

Ooga, you are hereby banished from the clan Grunt. You are to leave now and never return. If you return we will stone you to death.

EXT. CROWD - CONTINUOUS

The crowd starts screaming and yelling. The crowd starts coming toward Ooga.

CROWD

Go killer. Go murderer.

EXT. DESERT - CONTINUOUS

Ooga looks at them. He is pissed. He wants to attack them.

OOGA
Screw you losers.

Ooga turns and walks off into the desert. Auga is smiling and happy. Igor takes off running from the crowd and catches up with Ooga and goes with him out into the desert.

CHIEF
Princess Auga. You will have to marry Bunga then. He was the last contestant remaining. He is now the winner.

The chief calls out.

CHIEF (CONT'D)
Bunga, get your ass over her and marry Princess Auga.

Bunga starts to go towards Auga.

PRINCESS AUGA
No, I will not marry any of the contestants.

The crowd gets annoyed. The chief is mad.

CHIEF
You must. You promised. You will do as I say.

Auga walks over to Brow and grabs his hand.

PRINCESS AUGA
I will marry Brow. He will be a good father and a good chief. It is Brow or no one.

Princess Auga turns to Brow.

PRINCESS AUGA (CONT'D)
You are right Brow. I trust you Brow. We get along great. We will make a good couple.

Brow is happy.

BROW
I have always loved you Princess Auga.

Brow smiles at Auga. Auga smiles at Brow. The chief looks pissed. Then the chief shakes his head. The chief is defeated.

CHIEF

O.k. medicine man. Marry Brow and Princess Auga.

EXT. CROWD - CONTINUOUS

The crowd cheers.

CROWD

Wwwwwhhhhhhoooo!

EXT. DESERT - CONTINUOUS

The medicine man steps up to Brow and Auga.

MEDICINE MAN

We are gathered here today to witness the marriage of Princess Auga and Brow. By the power invested in me by the chief, you are married. You will be together until death do you part.

Brow and Auga kiss. The crowd starts cheering again. Auga grabs Browns hand and takes him to the tent of fornication. They enter it. The chief gets mad.

CHIEF

Princess Auga you are married now. You don't have to do things like that in front of everyone. We will make you your own tent. Away from people so you can have as much intercourse as you want.

You can see the tent start moving a lot. You hear moaning. Everyone is looking at the tent. Even Bobo. The wife. The chief. The medicine man. The whole crowd is watching the tent move. Show on the screen "10 Minutes Later". Then you hear Auga have an orgasm.

PRINCESS AUGA

Ooooooh. Ahhahhhhhh.

Brow and Auga leave the tent. Auga is happy and so is Brow. Auga hugs and kisses Brow. Oola comes up to Auga.

OOLA

I heard that sound again. Did Brow give you an orgasm too?

PRINCESS AUGA

Yes he did.

Auga smiles.

OOLA

Did you do it doggie style? Will
you be having a baby?

Auga smiles and laughs.

PRINCESS AUGA

No. Brow did it tongue style.

Auga moves her tongue around. Oola makes a face of confusion. Auga laughs. Oola doesn't understand. Brow comes up to the two. Brow smiles. Brow has pubic hair in his teeth. Auga says to Brow.

PRINCESS AUGA (CONT'D)

Brow, one day you will be chief.

BROW

Yes Auga.

PRINCESS AUGA

But remember, I will always be the
real chief.

Auga smiles. Brow smiles back.

BROW

Yes Auga.

Brow spits the pubic hair out of his mouth. Brow kisses Auga.

PRINCESS AUGA

Mother, don't tell Brow. But I think
this is Manny's baby. I didn't
practice safe sex with Manny.

MOTHER

That's a coincidence.

Auga makes a "I don't understand face". The old chief is holding the baby and is listening to the conversation intently now.

MOTHER (CONT'D)

Auga, you are not your father's baby either.

Auga makes a surprised look. The chief looks surprised.

MOTHER (CONT'D)

Your real father was the man your father killed with a rock.

Auga looks surprised. The ladies laugh. The chief looks pissed.

PRINCESS AUGA

Mother, I'm so glad that I married Brow. He is my true love. I'm so happy that we now have a child.

MOTHER

Yes, the tribe notices that you're not as obstinate and mean since you've been married. We think it's those orgasm things.

The ladies laugh. Princess Auga looks at her father.

PRINCESS AUGA

Father what do you do now that you're retired?

CHIEF

I sit around and listen to your mother complain. Now all she ever talks about is me giving her one of those orgasms.

The chief looks mad.

MOTHER

I think he's getting alzeihmers. He keeps forgetting to pull his pants down when he pee's.

The women laugh. The chief gets pissed.

PRINCESS AUGA

Brow has turned out to be a great chief. He's almost as good as father was.

The ladies look at one another. Then the ladies bust out laughing. The chief gets pissed.

BROW
Bobo. Do not be afraid. I won't hurt you. Please tell everyone that Ooga killed Manny tomorrow at the event. Tell them Ooga hit Manny in the head with a rock.

Bobo thinks for a second. Bobo smiles. Then Bobo signs back to Brow.

BOBO
Yes, I will do that for you Brow.
You are my friend. I hate Ooga.
