## OUTLINE:

In the Aurora Era, the entire continent was shrouded in darkness, and it was rumored that there was great power and countless wealth in the depths of the north, but no one who went there survived. Among them, the Feather King was deeply tempted by his greed and could never return. Due to the strength and greed of the Feather King, evil ultimately chose him. The Feather King was devoured by evil and degenerated into an evil emperor and demon. Since then, the desire to honor the demon has increased day by day, and he has built his own huge army, the Demon Army. Ready to devour the entire continent of Aurora.

Fu Shen wanted to be emperor, and the epicenter of the Western Pass was not satisfied with Emperor Zhen's rule, so the two reached an agreement to collude internally and externally to launch a rebellion. The sudden rebellion caught Aurora off guard, and Emperor Aurora and his mother unfortunately died in the rebellion. Zhenyu, along with his brother Zhenjing and Fu Xuan, the general of the Southern Realm, fought together and finally quelled the rebellion. But Aurora, who was severely injured, was in his weakest state. At this time, the barbarian leader Barbarian King, under the lure of Mo Yin, was ordered by Gurza to lead an army to attack the most empty southwest part of Aurora. At this time, Zhen Jing persuaded Zhen Yu, who should inherit the throne, ascend to the throne and govern the weak and powerless Aurora. But Zhenyu felt that what Aurora needed at this time was not the emperor but an ally. So Zhenyu did not listen to the advice and went to the legendary country of the feathered man alone.

Zhen Yu unknowingly came to this legendary country of Yuren Kingdom, and everywhere he went, he was amazed by Zhenyu, and accidentally met the beautiful Yuren princess, Yu Xia. The two fell in love at first sight. Yu Xia listened to Zhen Yu's intention to

come, and took Zhen Yu to see his brother Yu Sheng, the new king of Yuren Kingdom. Because the relationship between the Yuren Kingdom and Aurora has not been friendly for a long time, Yusheng did not want to see Zhenyu, and when he heard that Yuxia and Zhenyu were in love, he was even furious and wanted to kill Zhenyu, and Yuxia's intercession and Zhenyu's bravery made Yusheng finally let Zhenyu go, but the request never appeared again. Zhenyu's desire to form an alliance naturally failed, but Yuxia firmly believed that he could persuade Yushen.

Yu Xia wanted to elope with Zhen Yu under the pretext of sending Zhen Yu away, but unexpectedly Yu Xia was robbed by the Vaal robbers

who suddenly appeared, and Zhen Yu chased the Vaal robbers all the way to a deep mountain and old forest. After learning Yu Xia's identity, the Vaal bandits were even more coveted by this beautiful princess. In a moment of desperation, the free forces in the deep mountains and old forests, the bear tribe, saved Yu Xia. After some conversation, the bearman Wang Lietan also refused to form an alliance. The lost Zhenyu and Yuxia returned together, but unexpectedly found that Aurora was being attacked, and Yuxia promised Zhenyu to lead troops to support him two days later. Zhenyu returned to Xiguan and found that this place had already been occupied by barbarians. So he took a detour back to the main city of Aurora and talked with everyone in detail, and Zhenyu decided to counterattack and recapture the southwest double pun two days later. At dawn two days later, Zhenyu, Zhenjing and Zhenkang were ready to recapture the southwest Shuangguan with Fu Xuan and Yu Xia's reinforcements in two ways, but they were unexpectedly ambushed by the barbarian army who was already familiar with the terrain. Just when the Aurora army was about to be unable to hold on, Yu Xia came to the rescue with a feather guard, and Fu Xuan also led reinforcements from Beiguan, and the situation on the battlefield was instantly reversed. In the end, justice triumphed over evil, and everyone finally regained the southwest pun, and the love between Zhenyu and Yuxia became stronger and tighter.

Although the border was recaptured, the barbarians in the north were still eyeing this eastern power, and the barbarian king would personally lead the entire barbarian army to pacify Aurora. And the most terrifying demon is about to take action. What's more, Aurora takes a lot of time to recover.

Zhenyu and Zhenjing? I still want to ask you, you are from the Fu family, you are just a general, you Fu Shen has been a prime minister with Zhen Huang for so many years, why are you willing to work for the puppet emperor of Zhen Huang all your life.

Source: General? Hmph, is my contribution less than yours?

Fu Xuan: It's not that your merits are less than mine, but that you are too arrogant.

Epicenter: Bah! You are not qualified to point fingers at me, I don't want to say so much to you, you should think about your current situation, I have more people than you.

Fu Xuan: What is there a lot of people, we will fight until the last moment.

Epicenter: Okay, I want to see how long you can hold on, give it to me!

ΔThe epicenter soldier was about to go up, and a bow and arrow shot an epicenter soldier in the shoulder, and the soldier covered his shoulder in unbearable pain.

Everyone looked in surprise in the direction of the bow and arrow.

ΔI saw Zhenyu riding a horse and rushing over with a bow and arrow, followed by dozens of the most elite Aurora Dragon Guards, and the arrow was shot by Zhenyu just now.

Fu Xuan: Zhenyu.....

Epicenter: How is it possible.....

ΔZhenyu threw away the bow and arrow in his hand, jumped off the horse, and the dragon guard behind him also dismounted, and everyone confronted each other.

Zhenyu: Epicenter! Surrender! Your Fu Shen has been arrested by us!

ΔThe epicenter was also deterred when he saw this situation.

Epicenter: What, Fu Shen, how is it possible.

Zhenyu: Let your soldiers lay down their weapons and surrender!

Source: This..... Absolutely impossible, absolutely

impossible.....

Zhen Yuan: Hmph, it doesn't matter if Fu Shen is taken down, I am now in control of the southwest pun, as long as I defeat you, I will be the master of the three levels of Aurora!"Give it to me! Take them down!

All the epicenter soldiers attacked.

Fu Xuan and his soldiers immediately counterattacked, and Zhen Yu and Long Wei also immediately counterattacked, and swords and swords, shields and shields all bloomed everywhere.

ΔZhen Yu and Longwei knocked down several soldiers of the epicenter in a few strokes.

ΔAt this time, the source and Fu Xuan faced each other.

Source: Fu Xuan! Let's make a decision today! See who is the real general!

Fu Xuan: Okay! I've been waiting for this day for a long time!

The source of the earthquake lifted the halberd, and Fu Xuan raised the long sword and collided with it.

38. Secret passage within the day

ΔAt this time, Zhen Jing here was rushing forward in the secret passage, and suddenly Zhen Jing saw two corpses lying on the ground in front of the secret passage, and suddenly felt bad.

ΔZhenjing slowly walked to the two corpses, only to find that the two corpses were Emperor Zhen and the Empress.

Sudden sadness, grief and anger all surged in his heart,Zhenjing shouted Zhen Huang and the queen and shook their bodies, but could no longer wake them up.

Zhen Jing: Father! Mother! I came a step late, but I didn't expect you to..... I'm sorry for you!

ΔAfter Zhenjing calmed down, he checked the wounds on their bodies.

Zhen Jing: It was caused by a sharp sword, Fu Shen must have known that they were going to escape from the secret passage, and sent someone to ambush here in advance, hateful Fu Shen.

39. Aurora Beiguan City Gate under the sun

The Aurora Dragon Guard led by Zhen Yu was heroic and invincible, and defeated more than 100 soldiers under Zhenyuan in a short period of time with excellent martial arts, and ordinary soldiers were not opponents of the Dragon Guard at all.

Zhenyu was even more brave, single-handedly knocking down dozens of soldiers.

Fu Xuan's soldiers were still fighting with the soldiers of the epicenter, and there were casualties with each other.

And the head-to-head battle between Fu Xuan and Zhen Yu is still going on, Fu Xuan's long sword and Zhen Yu's halberd are fighting each other, Zhen Yuan turned around and jumped 360 degrees and jumped down with a heavy blow, Fu Xuan held a two-handed sword to block it, but the power of the halberd was too great, Fu Xuan took a few steps back.

Zhenyuan: It turns out that the general is not very good.

Fu Xuan said with a smile.

Fu Xuan: It seems that the title of general should indeed belong to you.

ΔSaying that, Fu Xuan rushed up with his sword.

At this time, Fu Xuan showed his martial arts, quickly and powerfully wielding the sword in his hand, the source was a little powerless by this force and momentum, and began to be unable to parry, Fu Xuan turned around and kicked the source back a few steps, Fu Xuan hurriedly rushed up and kicked the source away with a flying kick, and threw away the halberd in his hand.

ΔAs soon as the earthquake source fell to the ground wanted to get up, Fu Xuan's sword was placed on his neck.

ΔAt this time, Zhenyu, Long Wei and Fu Xuan soldiers also dealt with many epicenter soldiers, and the remaining epicenter soldiers also threw away their weapons and knelt down to surrender when they saw this situation.

Zhenyu, Long Wei and Fu Xuan's soldiers surrounded to look at Fu Xuan and Zhenyuan.

ΔThe epicenter also felt that he was not good.

Epicenter: Come on, kill me.

Fu Xuan: Don't worry, I won't kill you, your martial arts are very good, you are a general, I will hand you over to Emperor Zhen, so

that you can have a way of punishing a general.

ΔFu Xuan said to Zhenyu again.

Fu Xuan: Zhenyu, my father and queen are safe and sound.

Zhenyu: They have arrived at the secret room.

ΔAt this time, a voice suddenly came from Zhen Jing.

Zhen Jing: Zhen Yu!

Everyone looked at Zhen Jing who was riding a horse quickly.

ΔZhenjing quickly stopped his horse and dismounted, came to Zhenyu, first looked at the source of the earthquake, and then said to the source of the shock in disappointment.

Zhen Jing: Father Huang..... Empress Dowager..... He's dead.

ΔZhenyu immediately broke out.

Zhenyu: What did you say!

Fu Xuan also looked shocked and shocked.

Zhen Jing: Father Huang..... Empress Dowager.....They were killed by Fu Shen's men, and their bodies were in the secret passage.

Zhenjing lowered his head sadly, and Zhenyu's anger reached the extreme.

Fu Xuan was also angry and sad, Fu Xuan immediately turned his head to look at the earthquake source kneeling on the ground and said.

Zhen Yuan: This is the good thing that your Fu Shen has done.

ΔZhenyu shouted to Fu Shen.

Zhenyu: Kill him! Fu Xuan!

The source looked at Fu Xuan and said.

Zhenyuan: Come on, do it, since Emperor Zhen and the queen are dead, I should die too, come on, Fu Xuan.

The sword in Fu Xuan's hand trembled, and Fu Xuan gritted his teeth and stared at the earthquake source.

Zhenyu: Do it! Fu Xuan! They killed the father and the queen! That's my biological parents!

ΔZhenyu's                      tears                      flowed                      down                      angrily.

Fu Xuan finally held back, Fu Xuan slowly moved the sword in his hand and said to the earthquake source.

Fu Xuan: I said that if I don't kill you, I won't kill you, but you also have to pay the price for it. Saying that, Fu Xuan turned his head to Zhenyu and said.

Fu Xuan: Zhenyu! As General Aurora, I don't kill my own people! Although Zhenyuan made a big mistake, he was still the general of Aurora Xiguan from beginning to end! He should be punished as a general! Now I'll leave him at your disposal!" For my sake! Give him a decent punishment!

ΔZhenyu didn't speak, but looked at Fu Xuan.

Fu Xuan: The epicenter is left to you! I'll take the others!"

ΔSaying that, Fu Xuan shouted to his soldiers.

Fu Xuan: Take them all away!

The soldier replied:Yes!

ΔFu Xuan's soldiers and dragon guards escorted all the soldiers of the earthquake away, and Fu Xuan also turned around and left.

Only the earthquake plume, the tremor and the epicenter were left at the scene. Zhenyu came to the source of the earthquake.

Zhenyuan: Zhenyu, I'm sorry for you, I killed Emperor Zhen and the queen, and I will leave it to you.

ΔZhenyu angrily put the sword in his hand on the neck of the source of the earthquake.

Zhenjing: Zhenyu.....

ΔZhenyu said to the source.

Zhenyu: I want to kill you with a sword, but Fu Xuan has already spoken, he is my elder, he is right, you are General Aurora after all, and you should be punished as the general deserves.

40. The streets in the main city of Aurora are outside the day

General Zhenkang and his soldiers were fighting against the remaining rebellious soldiers under Fu Shen, who killed the enemy with a one-handed sword and shield, and knocked down the remaining few rebel soldiers. Other mutinous soldiers began to flee in a hurry.

At this time, Fu Xuan in the distance came over with his soldiers and the escorted epicenter prisoners of war. Seeing this,Zhenkang

hurriedly stepped forward.

Fu Xuan: Zhenkang, I didn't expect you to be here, I'm still worried about your safety.

Zhenkang: Hey, I was just about to enter the palace to find

Zhenhuang, but I didn't expect to encounter this kind of thing. What

the hell is going on? And what are these prisoners of war.....

Fu Xuan: It's a long story, Fu Shen and Zhenyuan rebelled. These are the soldiers under the epicenter.

Zhenkang: What did you say? Fu Shen and Zhenyuan rebelled? How can it be.

Fu Xuan: It seems impossible, and I don't believe it, but it has come to this point, but fortunately, Zhenyu and the others have quelled the rebellion.

Zhenkang: Hey, I didn't expect such a big thing to happen, but thanks to you, I, General Nanguan, didn't help much.

Fu Xuan: Where, where, yes, your Nanguan has been occupied by the Epicenter army, but now they should have surrendered, you should hurry over.

Zhenkang: Then I'll leave it to you, thank you for your hard work.

Fu Xuan: Yes.

The two nodded.

Fu Xuan shouted to his subordinates.

Fu Xuan: Let's go!

Fu Xuan walked forward.

Zhenkang muttered in a low voice.

Zhenkang: How could the epicenter be with Fu Shen.

41. The steps outside the Aurora Palace are outside the day

(Central Mirror) All the ministers, generals, soldiers and others stood on both sides of the palace steps with their heads bowed. In the middle, a group of four soldiers, a total of eight soldiers, carried the coffins of Emperor Zhen and the Empress back and forth, and went up the steps step by step.

42. Outside the gate of the Aurora Palace

Eight soldiers carried the coffin to the gate of the palace and

stepped into the threshold of the palace.

43. Within the day in the Aurora Palace

ΔEight soldiers carried the coffin into the palace, and Zhenyu, Zhenjing, Fu Xuan and Zhenkang stood in a row in front, while the source of the earthquake was escorted by two soldiers to watch.

Zhenyu and Zhenjing immediately knelt down and cried for their father and mother, and the rest of the people looked at it very sadly.

Eight soldiers put the coffin into the two coffin troughs in front, which are two specially prepared coffin storage.

ΔZhenyu and Zhenjing cried sadly and reluctantly watched the soldiers close the container lid.

44. The steps outside the Aurora Palace are outside the day

At this time, a minister on the side of the top step walked to the middle and shouted to everyone.

Minister: The funeral ceremony of Emperor Zhen and the Empress will be held on an auspicious day!

45. In the room in the Aurora Palace at night

Zhenyu and Zhenjing were in the room, and Zhenyu was sitting on a chair.

Zhenyu said sadly.

Zhenyu: My father and mother left like this..... I really hate myself for not being able to protect them.

Zhenjing: If only I had protected them to the secret passage at that time.

Zhenyu: It's useless for me, if I protect my father and mother by myself, so you can escort them.

Zhenjing,Zhenyu,don't blame yourself, it's not your fault.

Zhenyu: Why isn't it my fault! If I were, if I were.....

Saying that, Zhenyu shed tears sadly.

Zhenjing: I'm also very sad, but if you think about it, now is not the time to be sad, there are still many things waiting for you to do.

Zhenyu: What else can I do, my father and mother are dead.

Zhenjing: Now the entire Aurora is panicked and chaotic because of these things, and now there is an urgent need for an heir who can settle the world to inherit the throne and rebuild Aurora. Moreover, the current Aurora is an internal and external trouble, especially the barbarians in the north are eyeing us. What is even more worrying is that the terrifying monster in the deepest part of the north, known as the Demon of the Demon, is said to have an army of millions to engulf the entire continent of Aurora at any time.

Zhenyu: That's just a legend, don't worry.

Zhenjing: But the queen mother said that this monster existed before we were born, and she still clearly remembered the day when darkness came, and the clear sky was occupied by dark clouds.

#### 【Flashback】

46. The steps outside the palace of the main city of Aurora (100 years ago)

The queen who saw through the camera in the palace suddenly saw that the sky outside the palace had darkened, and immediately walked out of the palace to check.

The queen walked to the steps and looked up at the clear sky, which was slowly occupied by dark clouds.

#### 【Flashback End】

47. The room in the Aurora Palace is in the day

Zhenjing: It is said that the monster was changed by the legendary king of the Feather Man Kingdom due to greed for evil powers.

ΔZhenyu suddenly raised his head and said.

Zhenyu: Feather Man..... I think I heard my mother say it too. It was a very mysterious and sacred kingdom, which could only be seen from a distance and could not be approached.

Zhenjing: Yes, so you have a lot to do now, but no matter what, I will stand by your side to support you and help you.

Zhenyu: You are right, but we are still young, although I can do martial arts, but I have almost no ability to govern the country, and I have no ability to manage a country at all.

Zhenjing: But Aurora can't be without people now.

ΔThe two were silent for a moment. Suddenly Zhenyu said.

Zhenyu:No.

Zhenjing:What?

ΔZhenyu looked at Zhenjing and said.

Zhenyu: Aurora doesn't need an emperor now.

Zhenjing also looked at Zhenyu and said.

Zhenjing: What do you need?

Zhenyu: An ally is needed.

48. The boundary of Aurora is outside the day

Zhen Yu and Zhen Jing rode horses to the border of Aurora.

Zhenjing: I can only send you here.

Zhenyu:Don't worry, thank you for agreeing to do this.

Zhenjing: Are you really going to find the legendary Yuren Kingdom? That's just a legend.

Zhenyu: I think the legend also has his basis, otherwise how could it become a legend?

Zhenjing: But, don't you need to bring a guard, I'm really worried about you, how can I explain to everyone if something happens. You are too dangerous alone.

Zhenyu: Zhenjing, you are the only one who supports me in the whole of Aurora, I can't tell anyone else, if fate makes me die,then I can't choose. But if fate asked me to save Aurora, what would you choose if it were you?

Zhenjing:You believe in fate so much?

Zhenyu: I believe it will bring light to Aurora.

Zhenjing: Zhenyu.....

Zhenyu: Okay, give me the luggage, if you can't wait for me to come back in thirty days, don't wait, Aurora will hand it over to you first.

Zhen Jing:I.....

Zhenyu: Okay, don't say it, I believe you can.

Zhen Jing handed the luggage on the horse to Zhen Yu a little helplessly, and Zhen Yu took the luggage and put it on his horse.

Zhenyu:            Okay,            I'm            leaving,            take            care,            Zhenjing.

Zhenjing: Take care, I'll wait for you to come back.

ΔThe two shook hands, and Zhenyu turned around and rode away.

ΔZhenjing still looked at Zhenyu's back reluctantly.

#### 49. Outside the Black Tower

The camera shows a large number of minotaurs building siege towers, catapults and other siege tools from far to near.

The bull-headed slave owner whipped the bull-headed worker with a leather whip and shouted: Hurry up! (Minotaur language)

ΔThe camera moves to the top of the Black Tower.

#### 50. Honor the Demon in the Black Palace

ΔA huge room without a door was pitch black, and the demon in a hooded robe (about the size of a normal human) stood outside the doorless room and said to the demon in the dark room.

Demon Hidden Demon: The King (The Hidden Demon's voice is terrifying and evil).

Demon: It's time (the demon's voice is strong and dark, and it's terrifying).

Mo Yin: Yes, my lord, I know what to do.

#### 51. Barbarian tribes tent at night

Δ(Close-up mirror) The barbarian king raised his head.

A barbarian soldier ran in and said to the barbarian king (the barbarian king sat in the largest tent of the barbarians, tall and burly, about two meters tall, and dressed in fur fabric armor unique to the north. Some human heads are hung as decorations, and two horn-like things are carried on their shoulders.)。

Barbarian soldier: Barbarian king, Mo Yin wants to see you.

The barbarian king was immediately surprised and frightened.

Barbarian King: Demon Hidden ?!

ΔAs soon as the words fell, Mo Yin had already walked in.

The barbarian soldiers quickly stepped aside and left the tent, and the barbarian king quickly stood up and said respectfully.

Barbarian King: Lord Demon Hidden Lord, I have long admired the great name, why are you here.

Mo Yin: It looks like you know who I am.

Barbarian King: I know, I know, I have admired the great name for a long time many years ago, and you are the first commander of the Demon Army, in charge of the Demon Army. I didn't expect to meet for the first time today in a place like this.

Mo Yin: Then do you know what I am here for?

Barbarian King: This ..... I don't know. Please let us know.

Mo Yin: Do you know the current situation of Aurora?

Barbarian King: Huh? There is civil strife in Aurora?

Mo Yin: You don't want to take this opportunity to attack Aurora?

Barbarian King: Did Aurora really rebel? If it is true, I will immediately assemble the army and go.

Mo Yin: So you don't believe me?

Barbarian King: No, no.

Mo Yin: I don't care if you want to miss this opportunity.

Barbarian King: Oh, no, your message must be the most accurate, I'll prepare it.

Mo Yin: If you defeat the Three Realms of Aurora down, I will send troops to help you attack the main city of Aurora, and you will be the master of Aurora at that time.

Barbarian King: This proposal is good, this proposal is good, it is not a loss to Lord Demon Yin.

Mo Yin: Also, if you can help me find the Aurora Dragon Sword, I will give you the powerful power and wealth that everyone yearns for in the legend.

Barbarian King: Really?! But I did hear of this Aurora Dragon Sword, but it seems that no one has seen it, and it has always been very mysterious.

Mo Yin: It is precisely because of the difficulty that the reward is great.

Barbarian King: Yes, yes, don't worry, I will definitely find it. By the way, I haven't seen your true body yet, Master Moyin, can you let me see it."

Mo                      Yin:                      It's                      not                      time                      yet.

ΔAfter saying that, Mo Yin turned around and went out.

ΔAt this time, the barbarian soldier came in again and asked.

Barbarian Soldier: Barbarian King, what did Mo Yin say just now.

Barbarian King: There is civil strife in Aurora.

Barbarian soldier: There is civil strife in Aurora?

Δ(Close-up mirror) The barbarian king turned his head to the barbarian soldiers and said.

Barbarian King: Ask Gurza to gather a large army and prepare to advance to the southwest of Aurora.

52. Honor the Demon in the Black Palace

Mo Yin was still standing outside the door of the huge room without a door.

Mo Yin: It's done, the barbarian king knows what to do.

Demon: I hope they don't disappoint us.

Mo Yin:Yes.

Venerable Demon: The end of Aurora has arrived.

ΔAt this time, a pair of red eyes lit up in the dark room and looked at the camera.

53. Yujin Mountain Forest Outside Japan

ΔThe high and telephoto lens moves upwards to show a large area of dense mountains and forests.

54. In the mountains and forests

ΔZhenyu led his horse to walk in the mountains and forests, looking around,the sun shone through the trees, and everything seemed so beautiful and harmonious.

55. The waterfall in the mountains and forests is outside the day

ΔAt this time, Zhenyu led his horse to a waterfall in front of the mountains and forests, and the scenery of the mountains and flowing water was pleasant.

Zhenyu: It's so beautiful here.

Zhenyu came to the river, squatted down, dug a little water with his hands, drank it in his mouth, and smiled.

Zhenyu:                      This                      water                      is                      so                      sweet.

At this time, a very beautiful bird stopped at the feet of the

feather, and the feather was also attracted by the bird.

This bird is not only not afraid of Zhenyu, but pecks at Zhenyu's legs with its beak.

Zhenyu gently held the bird with his hand, the bird was also naturally held by the Zhenyu in the palm of his hand, Zhenyu and the bird looked at each other, this bird was different, extremely unique, and extremely beautiful.

Zhenyu: I have never seen such a beautiful bird.

Zhenyu gently stroked the bird's body with his hand.

ΔAt this time, an arrow suddenly shot over, and it hit Zhenyu just a little bit, and the bird in Zhenyu's hand was also frightened and flew away immediately. Zhenyu also instinctively reacted to dodge the arrow.

Zhenyu immediately hid next to a big tree and took out his sword to observe.

Zhenyu: Who is it?

Δ(close-up shot) At this time, suddenly a bow and arrow behind him pointed at his neck. Zhenyu was immediately at a loss, but he didn't expect the other party to run behind him unconsciously.

ΔThe camera opened, and a woman (Yu Xia) wearing a white and beautiful long dress held a bow and arrow at Zhen Yu's neck. Yu Xia's facial features are smaller than those of Aurora humans and full of aura, but their eyes are large, and their sky blue pupils look holy and agile.

Yu Xia: If you move, your life will be gone.

ΔZhenyu's eyes looked back, wondering who it was.

Yu Xia: Who are you and what are you doing here?

ΔZhenyu heard that it was a woman's voice.

Zhenyu: Miss..... Can you take the bow away first?"

Yu Xia: The ghost knows what you will do after taking it away, let me tell you, I have seen many people like you.

Zhenyu: Miss, you misunderstood, I'm not the kind of person you said.

Yu Xia: Then what kind of person are you?

Zhenyu: I am Aurora.....

Before he finished speaking, Yu Xia interrupted Zhen Yu's words.

Yu Xia: Another bandit who calls himself Aurora has already killed one today, so I will kill another one to eliminate harm for the people.

ΔSaying that Yu Xia was about to open his bow, Zhen Yu hurriedly shouted.

Yuxia: What other last words?

Zhenyu: The last words are .....

Saying that, Zhenyu immediately lowered his head forward, turned around and hid on the opposite side of the tree. At this time, Zhenyu was separated by only a big tree between Yuxia. The big tree blocked the view of the two of them, and neither of them could see each other's faces clearly.

Yu Xia shook left and right with a bow and arrow to aim at Zhen Yu, but Zhen Yu dodged left and right so that Yu Xia could not aim.

ΔYu Xia said anxiously.

Yu Xia: Come out for me!

Zhenyu: I won't come out, let's see how you on me.

Yu Xia's anxious scalp was numb and couldn't aim accurately,so Yu Xia,who was in a hurry, rolled to the ground and aimed at Zhen Yu with a bow and arrow.

And Zhenyu also rolled to the ground at this time, turning around and knocking off the bow and arrow that was just aimed at him.

Yu Xia's bow and arrow were knocked to the ground, and he immediately took out his sword and immediately swung it at Zhen Yu.

ΔZhenyu also immediately blocked it with a sword, and the two collided with each other like this, and the two also looked at each other's faces at the same time, and both of them were stunned.

ΔZhenyu has never seen such a beautiful fairy-like woman, and Yuxia has never seen such a handsome and masculine bandit.

Yu Xia calmed down and immediately slashed Zhen Yu with his sword, but they were all blocked by Zhen Yu one by one.

Zhenyu: Okay, miss, miss, don't fight.

Zhen Yu immediately hijacked Yu Xia to his chest and put a sword on Yu Xia's neck.

ΔAt this time, Zhen Yu felt that men and women were not close to each other, and quickly let go of Yu Xia.

Zhenyu: I'm sorry.

Yuxia:You!

Zhenyu: Miss, let's not fight, I don't think you look like a bad person.

Yuxia: Am I a bad person? I think you are.

Zhenyu: I'm not a bad person, I'm not a bandit, I'm Zhenyu of Aurora.

ΔYu Xia was stunned by this name.

Yuxia:Zhenyu.....

Zhenyu: Yes, I am Zhenyu, the heir to the throne of Aurora.

Yu Xia: Heir to the throne?

Zhenyu: Yes, what's your name, miss.

Yu Xia: My name is Yu Xia, and don't call me Miss. I am the princess of the Feather Man Kingdom.

Zhenyu was also stunned by this information.

Zhenyu: Yuxia..... The princess of the Feather Man Kingdom, no wonder she is so beautiful, both of us actually have a feather character in our names.

Yuxia:Huh? What did you say?

Zhenyu: Ah, no, no.

The two began to slowly transform from their enemies just now.

Yu Xia: Are you really the heir to the throne of Aurora?

Zhen Yu didn't speak, took out a token from his pocket and handed it to Yu Xia.

ΔYu Xia took the token and saw that it was really engraved with the word Auroraand engraved with a dragon, and the whole token was gold.

Zhenyu: How about it, believe it now, how can bandits have tokens?

Yu Xia: Then you are here.....

Zhenyu: It's a long story, I'm here to find you.

Yuxia:Looking for me?

Zhenyu: I would like to ask you for your help to help Aurora.

Yu Xia: What's wrong with Aurora, in fact, the relationship between Yuren and Aurora has not been very good for many years. Moreover, the current Feather King is also very hostile to Aurora, I'm afraid

Zhen Yu: Aurora has just recovered from the rebellion, and now it is an internal and external trouble, and the barbarians in the north are eyeing Aurora, and the most important thing is to honor the demon.

△Speaking of Demon Yuxia, he hurriedly said.

Yunatsu: Honorable Demon?

Zhenyu: You know?

Yu Xia: I heard from my mother that the Demon was changed by the King of Yuren a hundred years ago.

Zhenyu: Huh?

Yu Xia: Let's not talk about it here yet, in that case, I will take you to the Yuren Temple, and I will tell you in detail on the way.

Zhenyu: Okay.

56. Yuren Mountain Forest Outside the day

High-altitude shooting Zhenyu led the horse and Yu Xia walking

side by side, Yu Xia's bow and arrow were placed on Zhen Yu's horse's

back, the surrounding scenery was pleasant, the scenery was

beautiful, and the two walked tacitly.

Zhenyu: So that's the case, no wonder you have been closed for so long.

Yu Xia: Yes, my brother's current Yuren King has always wanted to get rid of the Demon, but his power is too great, and the power of our Yuren alone is not enough. And we have lost wings and half of our strength.

Zhenyu: So you have wings, but if we can join forces, I think we should be able to defeat the Demon.

Yu Xia: The problem lies here, my brother wants interests, not simple allies, and he will not form alliances without interests.

Zhenyu: What should I do?

△At this time, the unique and beautiful bird just now suddenly flew over, Yu Xia made a pause with her hand, and the bird gently stopped on Yu Xia's fingers.

Zhen Yu: This bird.....

ΔYu Xia said with a smile.

Yu Xia: It's my pet, named Yu Jie, the one you just touched it.

ΔZhenyu said a little embarrassed.

Zhenyu: Oh..... Right..... Sorry, I didn't know it was your pet.

Yu Xia: It's okay, you didn't hurt it. Right, summary.

Saying that,Yu Xia kissed the bird.

Yuxia: This bird is a unique species of our Yuren country,very  
precious and very beautiful. Come and touch it, it's very  
comfortable.

Zhenyu:Ah.....

Yu Xia: It's okay, you touched it just now, come and touch it.

Zhenyu gently stretched out his hand and touched the bird's feathers.

Yu Xia: How is it, it's very comfortable, it's very obedient.

ΔSaying that, the bird spread its wings and flew away.

Yuxia: Huh? As soon as you say obedience, you fly away.

Zhenyu smiled.

Yu Xia's puffy little face is really cute.

Zhenyu: Let's go, it wil come back.

Saying that, the two continued to walk forward.

At this time, Yu Xia accidentally twisted her foot and made an oops.

Zhen Yu hurriedly supported Yu Xia and said.

Zhenyu:What's wrong?

Yuxia: I tripped over something.

Zhenyu: Oh, you're bleeding.

Yu Xia: Oh.

ΔZhenyu tore off a piece of cloth from his clothes without saying a word.

Zhenyu: Come on, I'll bandage you.

Saying that, Zhen Yu bandaged Yu Xia's bleeding ankle with a strip of cloth.

Yu Xia's face was a little rosy and looked at Zhen Yu squatting on the ground.

At this time, while the seismic plume was bandaging, I suddenly saw a slightly glowing ore on the ground.

Zhenyu: What is this?

ΔYu Xia also hurriedly squatted down to check when he heard the sound.

At the same time as Yu Xia squatted down, Zhen Yu also immediately raised his head, and the two happened to be squatting face to face at close range, with you and me in each other's eyes. Coupled with Zhenyu's bandage, both of them felt unprecedented heartbeats.

ΔZhen Yu was a little disobedient to his right hand at this time, and wanted to touch Yu Xia's moving face.

But just when his hand was about to touch Yu Xia's face, Zhen Yu quickly retracted his hand and awkwardly changed the topic.

Zhenyu: Oh..... Oh..... What is it.

ΔZhenyu shifted the topic to the ore underground.

ΔYu Xia also looked down at the ore awkwardly.

Yu Xia: This..... This is an ore unique to the Feather Man Kingdom, how could it be here. It is said to be the source of the feathered wings, and our wings rely on them to provide strength. But after the Feather King was corroded by darkness, the ore also dissipated. This ore has disappeared for almost a hundred years, and now it has reappeared, what does this mean.

Zhenyu: Is it related to the demon?

Yuxia: That's so strange.

ΔZhenyu wanted to pull out the ore, but no matter how hard he tried, he couldn't pull out the ore.

Zhenyu: I can't pull it out, the ore has been embedded with the ground.

Yuxia: It looks like something big is going to happen.

Zhenyu: Forget it, let's go first.

Yuxia: Yes.

The two stood up at the same time and faced each other at close range again, with you and me in their eyes.

At this time, Zhen Yu slowly brought his mouth close to Yu Xia, and Yu Xia did not dodge but naturally acquiesced. Zhen Yu and Yu Xia's lips were slightly pressed together at the moment. Zhenyu began to slightly protect Yu Xia with his hands at this time, and Yu Xia couldn't help but use his hands to protect Zhenyu, and the two hugged and kissed each other with their eyes closed.

After a while, the two of them also left their lips and put down their hands. Show each other a happy, warm and innocent smile.

ΔZhenyu said with an awkward smile.

Zhenyu: Let's go.....

Zhen Yu naturally took Yu Xia's slender hand and moved forward together.

ΔThe two also looked at each other affectionately while walking, and turned forward again to walk with a smile.

#### 57. Outside the barbarian camp at night

The barbarian army outside the barbarian camp has been assembled, standing neatly outside the camp, and the black is pressing. Gurza shouted in front of the army.

Gurza: Towards Aurora!

ΔThe barbarian army roared and began to march forward under the leadership of Gurza.

#### 58. Inside and outside the barbarian camp

The barbarian king stood in the camp and watched his barbarian army march forward in front of him.

Barbarian King: Aurora, I'm here.

The barbarian king showed a smile.

#### 59. Within the day in the Aurora Palace

Zhenjing and Fu Xuan were sitting at a table.

Fu Xuan: What did you say? Zhenyu went to find Yuren Kingdom?

Zhenjing quickly made Fu Xuan quiet with a booing gesture.

Zhen Jing: Shh..... Be quiet, it's not good to be heard by others.

Fu Xuan: What is he doing, how can he go out alone, then what Yuren

Kingdom is just a legendary story, why don't you stop him.

Zhenjing: I also want to stop him, but you know his temper, and in the end I can only secretly send him out.

Fu Xuan: If there is a three-pronged and two-short, how do you explain to the people of the world, Aurora is already an internal and external trouble, isn't this worse? Oh, really,

Fu Xuan sighed.

Fu Xuan: The rebellion has just been quelled here, and Aurora urgently needs a new emperor to consolidate the world and win people's hearts.

Zhenjing: He called me to preside over the world for the time being, but how can I do it, it's no problem for me to go into battle and kill the enemy, but I can't be the emperor.

Fu Xuan: Then what now?

Zhenjing said holding his cheek.

Zhenjing: I don't know, hey.....

60. The periphery of Yuren City is outside the sun

Yu Xia: It's coming soon,

The two walked out of the mountains. A magnificent, holy, and sacred Yuren main city came into view.

ΔZhenyu looked up.

Zhenyu: That's the main city of the Feather Man Kingdom.....

Yuka: Yes, how does it feel?

Zhenyu: I have never seen such a sacred and holy city, it is really shocking.

Yu Xia: Actually, we have been walking within the boundaries of Yuren Kingdom just now.

Zhenyu: Huh?

Yu Xia: Since you stepped into this mountain forest, you have entered the territory of the feathered people, so..... I found you easily.

Zhenyu: Fortunately, I met you, otherwise I wouldn't know how to get to Yuren City.

Saying that, the two smiled at each other again.

Yu Xia: By the way, don't be nervous when you see Yu Sheng later.

Zhenyu: forehead.....

Yuxia: Let's go in.

Zhenyu: Okay.

#### 61. Outside the gate of Yuren City

The blue and white inlaid gate of the main city of the feather man came into view, and two feather guards holding spears and feather shields crossed their spears to stop Yu Xia and Zhen Yu.

Yuxia: Don't you recognize who I am?

Feather Man Guard 1: Your Highness the Princess, outsiders are not allowed to enter the Feather Man City, you know.

Yu Xia: Now I can do it.

Feather Man Guard 1: This.....

Feather Man Guard 2: But the rules of the Feather King.....

Yu Xia interrupted.

Yu Xia: The Feather King is the Feather Man King, the princess wants to take people in, do you want to stop them?

The two feathered guards glanced at each other and withdrew their spears and tacitly entered.

Yu Xia said to Zhen Yu.

Yu Xia: Follow me, let's go in.

Zhenyu: Oh, okay.

Yu Xia and Zhen Yu stepped into the open gate of the main city of Yuren one after another.

#### 62. The ninth ring in the main city of the feathered people is outside the sun

Yu Xia took Zhen Yu on the road to the Yuren Temple.

ΔZhenyu looked at the scenery of the main city of the surrounding Feather Man and the Feather Man in amazement. The facial features of the feathered people are similar to those of Yuxia, and the rest are human characteristics.

Yu Xia: We are now walking on the Ninth Ring Road.

Zhen Yu: Nine rings?

Yuxia: The Feather Man City is divided into nine floors, each of which is a giant ring, so the main city of the Feather Man is also called the Nine Rings City. The spire tower at the top is the Feather Man Temple, the highest place in the main city, where the Feather Man King, the Queen Mother and I live.

Zhenyu: That's amazing.

Yuxia: I am the third child, the youngest and the only girl. My brother Yusheng is the oldest, and the second Yushuo passed away when I was very young. Now my brother and I depend on each other.

Zhenyu: What about the queen mother?

Yu Xia: Queen Mother.....

Zhenyu: I'm sorry.....

Yu Xia: It's okay, anyway, after so many years, I don't think about it.

Zhenyu: It's not easy for you.

ΔSaying that, when the two were passing by with other feathered people, the other feather people looked at Zhenyu differently except for calling the princess.

ΔZhenyu is a little restrained and nervous.

Yu Xia: Don't be nervous, Zhen Yu, I'm here.

ΔAt this time, a feathered woman asked Yuxia.

Feathered Woman:Your Highness, what's wrong with your feet?

Yu Xia Zhi Wu said.

Yu Xia: Oh, it's okay, just slid a little.

Feathered Woman: Oh, I hope you get better soon.

Yuxia:Thank you.

Zhenyu: A princess is a princess.

Yu Xia: Where is it?

Yu Xia was a little embarrassed.

### 63. Outside the Feather Man Temple

The two came to the outside of the Feather Man Temple. The blue and white and holy and noble Feather Man Temple came into view, and the two Feather Man Holy Guards held the hilt of their swords in both

hands, and the swords stood majestically on both sides of the temple

with their swords facing down.

Zhenyu: This is the temple.....

Yu Xia: Don't be nervous when you see my brother.

Zhenyu: Ah.....

Before Zhenyu could react, Yu Xia made a pilgrimage to the gate of the temple.

Zhenyu led the horse and hurriedly followed.

Zhen Yu: Wait for me, Yu Xia.....

64. The Feather Man Temple is in the day

Yusheng wears a golden feather crown on his head and sits on the throne of a feather man wearing a special cloak of golden feather man.

ΔYu Sheng looked up at Yu Xia and came in with a stranger.

Yu Xia: Brother.

Zhenyu hurriedly said.

Zhenyu: Brother, ah, no, hello Yuren King.

Yu Sheng said puzzled and a little angry.

Yusheng: Who is this, how do you bring others into the temple.

Yu Xia: Oh, he is the future emperor of Aurora, named Zhen Yu, and I met her in the mountains and forests.

Yusheng: Aurora? How did you bring Aurora into the Feather Man Kingdom, and brought him to see me, don't you know the relationship between the Feather Man and Aurora?"

ΔSuddenly Yusheng saw a piece of cloth bandaged around Yu Xia's ankle, and Zhen Yu's clothes happened to be missing a piece of cloth. He asked.

Yu Sheng: What's wrong with your ankle?

Yu Xia: Ah, oh, I accidentally tripped, but fortunately Zhen Yu bandaged me in time.

Yuxia: What did you say? He bandages you? His hand touched your ankle?

Yu Xia hurriedly explained.

Yu Xia: Oh, brother, it's nothing.

Yusheng: Do you know the sacredness of the Yuren, do you know that you are Her Highness the Princess, does the princess just let people touch it casually, if this spreads, the reputation of the Yuren Kingdom will be greatly damaged, and your reputation will be affected, and you actually let an outsider touch you, do you know shamelessness!

Zhen Yu felt that this Feather Saint was extremely difficult.

Yuxia: Brother, what are you in a hurry for, we kissed.

Zhenyu:Huh?

Yu Sheng: What did you say? You guys kissed?

Yu Xia: Zhen Yu and I fell in love at first sight, I am a prince, he is a prince, we both have feelings for each other.....

Saying that, Yu Xia was still a little shy and shy.

Yu Sheng's anger suddenly came up, and Yu Sheng immediately stood up.

Yusheng: You rebellious sister, you actually have feelings for outsiders and have your first kiss, you, you have slandered the reputation of the feathered people and tarnished the sacredness of the feathered people.

ΔYu Xia saw Yu Sheng so angry and became nervous.

Yusheng: Come on! Imprison the princess for me!"

ΔSuddenly rushed in from outside the temple two feather guards holding spears to take Yu Xia away.

ΔYu Xia and Zhen Yu were also frightened by the sudden situation.

Yuxia:Brother!

ΔAt this time, Zhen Yu suddenly rushed in front of Yu Xia to block the Yuren guards.

Zhenyu: If you want to deal with me, dispose of me, but don't hurt Yuxia!

Yuxia:Zhenyu.....

Yusheng: You actually want to lose your life for her? Come on! Take this shock feather down for me first!"

Saying that, the two feather guards grabbed Zhen Yu's two arms and wanted to take them away.

At this time, Yu Xia quickly knelt down and interceded for Yu Sheng.

Yu Xia: Brother, it's my fault, don't care about Zhen Yu, just let him go. I am willing to be punished.

Zhenyu:Don't! Yu Xia!.

Yusheng: You two are wearing a pair of pants now. Now, like this, Zhenyu, now I will give you a way out, if you win them, I will let you go, if you lose, then don't blame my men for being merciless.

At this time, Wuming came in from outside the door, and the guards holding spears and feathered long shields held their shields side by side and set up positions against Zhenyu.

Yu Xia: Zhen Yu, you can't beat them,although they are not the elite of the Feather People, but the ordinary soldiers of the Feather Man Kingdom are also very powerful, and you alone are not their opponents.

Zhenyu said to Yusheng.

Zhenyu: Okay, I accept your conditions, but whether you win or lose, you are not allowed to move Yuxia.

Yusheng: Okay, I promise you.

Yuxia:Zhenyu.

Zhenyu: Don't worry, I won't lose.

ΔSaying that, Zhen Yu pulled out the sword from his body, clenched his hands, and stared at the five feather guards.

ΔYu Xia stood back one stop to make room.

The other two featherman guards holding spears stood on both sides to examine.

But Yu Sheng showed a smug smile at this time.

ΔZhenyu held the long sword in his hand, charged up, jumped up, and slashed at the long shield of the feathered infantry, making a loud crisp sound, and the sword was bounced away by the long shield.

Zhenyu launched an attack again, but no matter how he cut and stabbed, he was skillfully bounced off by the feathered infantry with long shields and spears.

ΔYu Xia can't stand it anymore.

Yu Xia: It's useless, Zhen Yu.

Yu Sheng said highly.

Yusheng: Give up, Zhenyu.

Zhenyu: I won't give up.

ΔYusheng said to the Yuren guards.

Yusheng: Surround him!

The five feather guards set up shields and began to spread out, surrounding the shock feathers, forming a circular encirclement formation.

Seeing this, Yu Xia quickly interceded with Yu Sheng.

Yuxia: Brother! Please let him go!

Yu Sheng: He accepted the challenge himself, but I gave him a choice.

Yu Xia: Please, don't hurt him, let me accept punishment.

ΔTears already flowed out of Yu Xia's eyes.

Yusheng: If he can't even beat these feathered guards, how can he be the emperor of Aurora, and how can he match you.

Yu Xia looked back and cried as Zhen Yu was surrounded in the middle.

But Zhen Yu was awakened by Yu Sheng's words at this time.

Zhen Yu voice-over: Yes, if I can't even defeat these ordinary soldiers, how can I lead Aurora, and how can I lead Aurora to defeat the Demon. If I unfortunately die here, it only means that I am not capable, then even if I return to Aurora alive, I will not be able to inherit the Aurora throne, I am just a coward. Yes, I have to defeat them, I have to prove myself.

Δ(Close-up) Zhenyu's expression became firm, brave and calm.

ΔWith the spear thrust of a feather guard, the battle began again. The thrust was perfectly dodged by Zhenyu, and Zhenyu slashed on the spear with a sword and made a loud echo, and the featherman guard attacked Zhenyu continuously, and Zhenyu dodged one by one, and counterattacked with his sword.

At this time, a feather guard in the rear also began to thrust into Zhenyu, and under the attack of the front and back, Zhenyu's dodge counterattack seemed a little powerless. But Zhenyu was fighting at this time and trying to find a way to find flaws.

ΔAt this time, the third feather guard on the side also joined the spear thrust, and Zhenyu became more passive, and each counterattack of Zhenyu was either blocked by the spear or bounced off by the shield.

Zhenyu suddenly swept away the gap in the lower plate of the feather man infantry with a sword, but he didn't expect that the feather man guard was so skilled and immediately stomped on the ground with a long shield, blocking the gap and blocking Zhenyu's sweep.

ΔAt this time, the five feather guards went into battle together to launch an attack on Zhenyu, and Zhenyu was in trouble for a while.

ΔYu Xia on the side was extremely nervous, and her heart had already reached her throat.

ΔAnd the high-ranking Yusheng smiled proudly.

Yusheng voiceover: You're done, Zhenyu.

Zhenyu voiceover: You have to go around behind them.

Five spears stabbed at Zhen Yu at the same time, Zhen Yu lay flat on his waist, bent his legs to avoid this fatal attack with high difficulty, Zhen Yu immediately got up and ran towards a feather guard, jumped up with the help of the elasticity of the long shield, jumped to the long shield of the feather man guard next to him, and jumped again with all his strength to jump behind the opposite feather guard, and then turned around and swept the ankles of the two feather guards with a sword, and the two feather guards fell to the ground.

ΔYu Xia's nervous expression was immediately relieved, and he showed a surprised and happy expression.

And the expression of Yu Sheng on top began to show a panicked look.

At this time, Zhenyu immediately fell to the ground with the help of the long shield of the feather man guard, stepped on the long shield again, jumped again, jumped behind the feather man guard in front, bent down again, turned around, and swept the ankle of the feather man guard with a sword, and the feather man guard fell to the ground in response.

The last two feather guards were left Seeing this, they stabbed at the Zhenyu spear at the same time, and Zhenyu knelt down on his knees and slid directly from under the two spears to the back of the two

feather guards, and swept the ankles of the two feather guards with a sword, knocking down all the last two feather guards.

ΔZhenyu got up a little out of breath but looked at the five feather guards who fell to the ground around him, and turned his head to look at the high Yusheng and said.

Zhenyu: Their lives are not in danger, they just have ankle injuries, so hurry up and call someone to treat them.

ΔYu Xia shouted excitedly.

Yu Xia: Zhen Yu!

ΔYu Xia hurriedly ran over, hugged Zhen Yu and said.

Yu Xia: You are so powerful, you are worthy of my Zhen Yu.

Zhenyu: I'm fine Yuxia, I won't lose no matter how you have me by my side.

ΔAt this time, Yu Shengqi had nothing to say.

Yusheng: I didn't expect you to really be able to.

Zhen Yu: Now you don't have to imprison Yu Xia.

Yusheng: My Yusheng counts when he speaks, you can go, but I didn't say Yuxia is okay.

Zhenyu: Your words don't count!

Yu Sheng: I didn't say how Yu Xia was just now, I just said to let you have a way out.

ΔZhenyu stood in front and shouted.

Zhen Yu: What do you want to do to Yu Xia, I will kill you today!

Yu Xia: Zhen Yu! No!

Yu Sheng: Kill me? Hmph, it's up to you?

Zhenyu: Just me! What do you think! Dare to duel with me!

Yusheng: You, a little Aurora Emperor, dare to speak wildly to the holy Feather King, don't think that you are amazing if you defeat a few Feather Man guards, they are just the most ordinary soldiers of the Feather Man, and the strongest Feather Man are the Temple Guards, and they can fight ten ordinary soldiers each.

Zhenyu:       Then       you       call       them       to       duel       with       me!

Yu Sheng: I'm not in the mood to play games with you today, since I said to let you go, Yu Xia has nothing to do with you, you won't see each other again after you leave here today, if you dare to come to Yuren Kingdom again in the future or what about Yu Xia, then I will end your life.

Seeing this, Yu Xia hurriedly came to Zhen Yu and whispered.

Yu Xia: Let's go, I'll be fine, I'll see you off.

Saying that, Yu Xia made a look at Zhen Yu.

Zhen Yu was relieved and said to Yu Sheng.

Zhenyu: Okay, I promise you.

Yu Xia said to Yu Sheng.

Yu Xia: Brother, let me send him away, just as a final farewell to Zhenyu.

Yu Sheng thought for a moment and said.

Yusheng: Okay, let's go.

Yu Xia helped Zhen Yu out of the temple.

Yu Sheng looked at Yu Xia holding Zhen Yu, and his heart was full of unhappiness.

65. Yuren Mountain Forest Outside Japan

ΔYu Xia walked in the mountains and forests with Zhen Yu.

Yu Xia: I didn't expect you to be so powerful, you knocked them down in a few strokes, and you didn't kill them yet.

Zhenyu: That's right, otherwise how can I pair with you?

ΔYu Xia smiled shyly.

Zhenyu: By the way, are you sure that your brother will not punish you when you go back, and what did you mean by looking at me just now?

Yu Xia suddenly stopped and sank for a moment and said.

Yuxia: I, I decided to elope with you.

ΔZhenyu was immediately stunned.

Zhenyu: Are you going to elope with me?

Yu Xia: This is the only way to keep us together.

Zhenyu: But, what should your brother do if he finds out?

Yuxia: He can't find us.

Zhenyu: Are you going back to Aurora with me?

Δ Yu Xia nodded affirmatively.

Yuxia: Yes.

66. The Feather Man Temple is in the day

Δ (Close-up) Yusheng's expression felt wrong.

Yu Sheng voice-over: Yu Xia hasn't come back for so long, and Yu Xia's expression just now is wrong, is it? Broken!

Yusheng: Come on!

Two feather guards rushed in.

Yu Sheng: Go and get Yu Xia back for me!

The feathered guards said in unison: Yes!

The two feather guards hurriedly left.

Yu Sheng voice-over: Yu Xia, you are so good, you actually want to elope with Zhen Yu, and I won't punish you when you come back to see me.

67. The boundary of the feathered mountains and forests is outside the sun

Yu Xia took Zhen Yu to the boundary of Yuren Mountain and Forest.

Yu Xia: You can go out here, let's hurry back to Aurora, otherwise my brother will send someone to find me.

Zhenyu: Yuxia, did you really decide to do this?

Yu Xia: There is no turning back, I have fallen deeply in love with you.

Zhenyu: Yuxia..... I will definitely make everyone in Aurora accept you.

Δ Yu Xia nodded with a smile and said: Well, I believe in you.

Thus, Zhen Yu helped Yu Xia onto his horse.

Δ At this time, suddenly the sound of Vaal robbers riding horses appeared around, accompanied by the shouts of driving.

ΔThe two suddenly felt strange and looked towards the source of the sound, and then several Vaal bandits on horseback came out around the woods.

Yuxia: It's the Vaal bandit!

ΔBefore Zhenyu could react, a robber leader quickly rode to Yu Xia and quickly carried Yu Xia on the horse with two hands, and ran away.

Zhenyu:Yuxia!

Yu Xia: Zhen Yu!

The rest of the robbers also rode with the robbers' head, accompanied by the shouts of driving, driving, and smiling.

ΔZhenyu hurriedly mounted his horse and chased after him.

68. The boundary of the feathered mountains and forests is outside the day

ΔAt this time, two Yuren guards rushed to the outskirts of the mountains and forests, but did not find Yuxia.

69.The Feather Man Temple is in the day

Yusheng: What! Didn't find it?!

Feather Guard: We have searched the outskirts of the Feather Man

Mountain and Forest, but we have not found the princess's

whereabouts.

Yu Sheng: Send me someone to search all the surroundings, and you will also find the princess back for me!

Feather Man Guard:Yes!

Yusheng voice-over: Did they really go to Aurora?

70. Outside the night of the Aurora Continent wasteland

The black barbarian army is marching towards the southwest of Aurora and making neat steps.

At this time, a person on the side of the hill poked his head out to scout the barbarian army.

71.Within the day of the Aurora Beiguan camp

Fu Xuan: I feel that the evil forces in the north are approaching Aurora.

Soldiers:Our strength is weak now, and the turmoil has just ended, so we can't resist it at all.

Fu Xuan: Key.....Hey.....

Soldiers: What's the point, General?

Fu Xuan:Nothing.

ΔAt this time, an Aurora soldier ran in and said to Fu Xuan.

Aurora Soldier: General, refuse the spies to report, the barbarian army is advancing southwest.

Fu Xuan: My expectation is indeed correct, their offensive direction is a southwest double pun, and it is also a place where the defense is relatively weak.

Soldier: The barbarians are really here, what should we do now?

Fu Xuan: They must know that Aurora is in a time of weakness.

ΔFu Xuan said to the Aurora soldiers.

Fu Xuan: Where did they march and how many people were there.

Aurora Soldier: It has reached the dead mound, and the spy said that he only saw a piece of black press.

Fu Xuan: So fast!? Now the total strength of the southwest shuangguan

is estimated to be less than half of the barbarian army. If we

transfer troops from our Beiguan or the main city, it is estimated

that it will be too late, and the other party estimates that it will

arrive in less than 2 days.

Soldiers: Do we just sit still?

Aurora soldiers: Should we retreat to the main city first, and then gather our army and then counterattack?

Fu Xuan: Do you want us to be deserters?

ΔAurora soldiers do not squeak.

Fu Xuan: We are the city wall of Aurora and a barrier against foreign

invasion, how can we give up the gate to the enemy? I think the

epicenter thinks the same way as me.

Aurora Soldier: I'm sorry.....

Fu Xuan: Do you know the source of the earthquake and General Zhenkang?

Aurora Soldier: I think they should know about it too.

72. Within the day of the Aurora Xiguan camp

Epicenter: We must repel the barbarian army this time! If it weren't for everyone's generosity towards me, I wouldn't have returned to Xiguan as a general again, and I might have been beheaded long ago. Although Aurora is still very weak, I believe that with Zhenyu, we will definitely be able to defeat the barbarians!"

The other Aurora soldiers present cheered.

Zhenyu: Are you willing to follow me to defeat the barbarians?

Aurora soldiers: Yes! Yes!

73. In the barbarian camp at night

Barbarian soldier: You believe in the Demon Hidden so much? Maybe that power and wealth are fake, just a cover to deceive you.

Barbarian King: Whether it's true or not, I want to defeat Aurora, and capturing Aurora means that our barbarians have controlled the strength to dominate the Aurora Continent, and I want to show Ma Yin that I can also conquer Aurora alone.

Barbarian soldier: Will that demon destroy us as well?

Barbarian King: If you want to come, let him come, and let the Demon see the strength of our barbarians when the time comes.

△Saying that, the barbarian king clenched his right hand into a fist.

74. Bear man forest clearing outside the day

△Driving! Drive! With a few sounds, several Vaal robbers kidnapped Yu Xia to a small clearing in a wood.

The robbers all came down from the horse, and the robber head dragged Yu Xia, whose hands were tied, down Yu Xia, who was dragged to the ground and made a painful sound.

Bandit 1: This woman is really good, white skirt, white temporary skin, this face is really beautiful, I really want to go up and kiss her.

Bandit Head: What we have is time.

Yu Xia shouted.

Yuxia: You dare!

Bandit Head: Yo? We don't dare? I'll let you see if we dare.

Yu Xia: If you dare to touch a single hair of me, my brother will cut you all into pieces!

Bandit Head: The tone is not small, who is your brother?

Yu Xia: I'm afraid that if I say it, I will scare you to death, my brother is the Feather Man King!

The robber head was stunned.

Bandit 1: Feather Man? Boss, this woman is from the Yuren Kingdom.

Yu Xia: I am Yu Xia, the princess of Yuren Kingdom, do you dare to touch me!

Bandit 2: She is the princess of the Feather Kingdom.

Bandit 3: What should I do now, boss?

Bandit Head: What about the princess of the Feather Kingdom, I am still trying to taste a different taste, and who knows if we did it, we can just leave after doing it, they will never find us.

Bandit 1: Why don't you bring it back to the cottage.

Bandit head: What kind of cottage to go back! It's not for our boss to enjoy when we go back, we can't eat a few bites.

Bandit 1: That's right, I haven't tasted the taste of a woman in the Feather Kingdom, let alone a princess.

Bandit 2: It's cool now.

Bandit head: We will solve it on the spot here, so that we can gain both people and wealth.

ΔSaying that, the robber's head took out the feather man ore from his pocket and admired it.

Yu Xia: I said how could there be robbers operating in our mountains and forests, it turns out that you are here for ore.

Bandit Head: Yes, now you should not care about ore, but more about yourself.

Yu Xia: You bunch of trash, I forgive you for not daring to do anything.

The robber head was a little anxious.

Bandit head: Let's see if I can do it!

Saying that, the robber's head took out a knife.

Yuxia:               What               are               you               going               to               do!

ΔThe robber's head stepped forward and cut the skirt around Yu

Xia's waist.

ΔYu Xia shouted in horror.

The robber head said with a lewd smile.

Bandit Head: This is easy to tear.

At this time, the other four robbers surrounded Yu Xia and let out lewd laughter.

Bandit Head: Come on, let's do our business.

Yu Xia: You, you, you must die well!

ΔSaying that, the robber leader took the lead in doing bad things to Yu Xia.

ΔAt this moment, Zhenyu arrived on horseback, drew his sword, jumped off his horse and slashed at the robber's head.

The bandit head hurriedly avoided the attack, and the other robbers quickly dispersed.

Yu Xia, who was lying on the ground, saw Zhen Yu coming, and immediately showed a surprised and relieved expression.

Yu Xia: Zhen Yu!

Zhenyu: Yu Xia, don't be afraid, I won't let them touch a single hair of you.

ΔSaying that, Zhen Yu helped up Yu Xia who fell to the ground and cut the rope that bound his hands with a sword.

Yu Xia and Zhen Yu stood together.

Bandit Head: Yo, the savior chased us quite fast, he actually found us, what? I want to be a hero to save beauty.

Zhenyu: I want to kill you all and eliminate harm for the people!

Bandit head: Can you beat the five of us alone?

ΔAt this time, Bandit 2 recognized Zhenyu's identity.

Bandit 2:Boss, he is Zhenyu, the heir to the throne of Aurora and is said to have quelled the Aurora Rebellion.

Bandit Head: Aurora? Hahaha, that's not better, we'll kill Emperor Aurora today!"Rape the feathered princess! It's really the happiest thing in the world!

ΔThe five robbers all laughed slyly.

Saying that, the robber took out his sword from his head, and the other four robbers also took out their swords and surrounded Zhenyu.

Zhenyu confronted each other with a sword, showing a nervous but brave expression.

ΔAt this time, something suddenly appeared in the depths of the jungle watching the situation here. Through the perspective of this thing, you can see that five robbers surround Zhen Yu and Yu Xia.

#### 75. Aurora Xiguan Wai Ri Wai

Two rhino horse monsters pulled Gurza's chariot through the camera, surrounded by a barbarian army, Gurza in the middle, a large barbarian siege tower in front, and a barbarian battering ram in the middle. (The barbarian army wore all kinds of horn helmets, steel helmets, etc., and wore barbarian armor, all of which looked more brutal, some were decorated with animal fur, while Gurza was a hard barbarian armor with a skeleton decoration around his waist, and two axes hanging from the chariot.))

The camera turned to the front of the barbarian army, and in front of it was the Aurora Xiguan City Wall.

#### 76. Aurora Xiguan City Wall outside the sun

Aurora Soldier 1: The barbarians are coming!

The source stood majestically on the city wall with a halberd in his hand, looking at the barbarian army in front of him.

Epicenter voiceover: It's finally here.

Aurora Soldier 2 said to the source.

Aurora Soldier 2: The number of barbarians is three times that of us, which is only half of their army, and some of them have gone to Nanguan.

Epicenter: They will take down all our southwest double puns at once, and what we have to do now is to use our advantage in defending the city to try not to let the barbarian army enter the main city and force them outside the city.

#### 77. Aurora South Gate Outside the Sun

Earl led a branch of the barbarian army to the outside of the South Gate of Aurora, accompanied by several barbarian catapults.

#### 78. Outside the city wall of Aurora Nanguan

ΔZhenkang held a long sword and looked at the mighty barbarian army

under the city wall, showing a panicked look.

Zhenkang voice-over: Is this the end of Aurora?

79. Aurora Xiguan Wai Ri Wai

The barbarian soldiers came to Gulza and said.

Barbarian soldier: General, we are here.

Gurza: I didn't expect Aurora to have so many troopsnow, if I had known that I wouldn't have brought so many people. Earl has no problem dealing with Nanguan at all.

The two fierce rhino horses in front of them made terrifying breathing sounds.

80. Aurora Xiguan City Wall outside the sun

Aurora Soldier 1: What is that?

Epicenter: Rhino horse, specially used to pull carts for generals, looks scary, but has little attack power.

Aurora Soldier 2: What do we do now?

Seismic source: Static braking.

ΔAt this time, I saw that the barbarian army under the city wall began to disperse, forming a siege formation.

Epicenter: They are going to attack the city. Archer!

The camera shows that all the archers on the city wall are in place.

81.Aurora West Gate Outside the Sun

With a roar from Gulza, the four siege towers of the barbarians

began to advance towards the city wall with the advance of the

barbarian soldiers. Δ The barbarian battering ram in the middle also

moved forward under the impetus of the barbarian soldiers. Both the

siege tower and the battering ram have many barbarian soldiers with

shields to defend against the bows and arrows above the city walls.

Epicenter: Shoot arrows!

The archers fired a volley, and a large number of arrows flew out in an instant.

83. Aurora Xiguan Wai Ri Wai

The rain of arrows on the city wall flew down and hit many barbarian soldiers, but there were also many bows and arrows blocked by the shields of the barbarian soldiers.

Zhenkang:Dodge!

Aurora soldiers hurriedly dodged the flying stones.

88. Aurora South Gate Outside the Sun

Eight barbarian catapults smashed towards the Aurora Nanguan city wall, and the Aurora city wall was dented and shattered.

89. Aurora South Gate inside and outside

Stones flew over the South Gate, and the Aurora infantry fled in a hurry.

90. Aurora Nanguan city wall outside the sun

Zhenkang: Fortunately, the people were transferred to the main city in advance!

Aurora Soldier: What should we do! General!

Zhenkang: Call the archers to fight back!

Aurora Soldier: Yes!

The Aurora soldier shouted to the archers.

Aurora	Soldier:	Archer	Shoot!
--------	----------	--------	--------

The archers on the city wall began to shoot at the barbarian troops under the city wall.

#### 91. Aurora South Gate Outside the Sun

ΔThe soldiers in the front row of the barbarian army moved a few steps back, and Aurora's bow and arrow could not reach the barbarian army at all.

Earl said with a smile.

Earl: Hmph, this is the soldier of Aurora?

The surrounding barbarians also laughed.

Earl: Smash it me! I'm going to smash through the walls of Aurora!"

Eight catapults continued to frantically throw stones at the Aurora city wall.

#### 92. Aurora Xiguan Wai Ri Wai

The barbarian siege vehicles have arrived at the gate of Xiguan City.

The barbarian soldiers on both sides of the battering ram began to shake the battering ram and hit the city gate and shouted.

And the barbarian siege tower is about to approach the Xiguan city wall.

#### 93. Outside the city wall of Xiguan in Aurora

Epicenter: Quick! Shoot down!

The archers began to shoot at the barbarians pushing the tower under the siege tower.

#### 94. Aurora West Gate Outside the Sun

Bows and arrows shot some barbarian soldiers who pushed the tower, but some were blocked by shields, and the siege tower was about to reach the city wall.

#### 95. Aurora Xiguan City Wall outside the sun

Epicenter: Get ready to face the enemy!

The Aurora infantry on the city wall immediately put on a contradictory defensive posture and faced the siege tower in front of him.

The siege tower hit the city wall, the tower gate slammed down, and many barbarian soldiers rushed over. Directly hit the defensive

formation of the Aurora infantry, and the two infantry fought

together.

ΔAnother siege tower of the city wall also crashed into the city wall, and many barbarian troops also poured out, and the Aurora infantry handed over in close combat.

ΔAnother siege tower was about to crash into the city wall, and the earthquake source took a halberd and drew a handsome posture to prepare for battle.

Epicenter: Come on.

The siege tower hit the city wall, the tower door opened, and many barbarian troops poured out, and a barbarian army rushed to the epicenter, which was instantly solved by a long halberd from the epicenter.

ΔThen another barbarian soldier rushed towards the epicenter with an axe, and a jump slash was easily blocked by the seismic source halberd, and the epicenter kicked the barbarian soldier backwards, and then rotated 360 degrees and killed the barbarian soldier with a knife.

The barbarian army and the Aurora army mingled together.

96. Aurora Xiguan Wai Ri Wai

Gurza looked at the battle situation ahead and smiled happily.

Gurza: Aurora is over.

The battering ram under the city gate is still smashing the door one by one.

97. Inside and outside the city gate of Aurora Xiguan

Many Aurora infantry in the city gate formed a defensive

formation, with spearmen in the front row, swords and shields in the

back, and some Aurora archers pulling bows against the city gate that

was impacted.

The city gate was hit to ashes.

Aurora Soldier: Ready!

ΔAt this time, the city gate was broken through, and the barbarian army immediately rushed in.

Aurora

Soldier:

Archery!

ΔWith a whoosh, the bow and arrow were shot, killing many barbarian soldiers, but they couldn't stand the crowd.

ΔThe barbarian army rushed to the Aurora defense formation, and some barbarian troops were directly stabbed to death by spears, and now the two armies are in harmony.

98. Aurora Nanguan City Wall outside the sun

A stone threw directly into the statue on the city wall, which shattered and collapsed, directly killing two Aurora soldiers, and the fragments smashed heavily on the ground.

Zhenkang looked at this scene and didn't know what to do. Aurora Soldier: General!

ΔThe surroundings were the casualties and shouts of Aurora soldiers.

Δ(slow motion) Zhenkang looked at the tragic situation around him, accompanied by the throwing of stones, the Aurora soldiers fled everywhere, coupled with the horror and helplessness on the faces of the Aurora soldiers (end of slow motion).

99. Aurora South Gate Outside the Sun

ΔAt this time, a stone directly smashed a huge gap in the Nanguan city wall, and the wall shattered and scattered all over the ground.

Earl roared when he saw the city wall being smashed open.

large number of barbarian troops began to flock to the gap.

ΔThen a wall on the other side was also smashed open and fell to the ground.

Earl: Slaughter them all.

Then Earl shouted to the barbarian army.

Earl: Give me a slaughter! Kill all the men! All the women were captured!

The barbarian army let out an exhilarating roar.

100. Outside the city wall of Nanguan in Aurora

Aurora Soldier: General!

Zhenkang has not yet recovered from the fainting feeling just now.

The Aurora soldier shouted again.

Aurora Soldier: General Kang!

Zhenkang then reacted and looked at the Aurora soldiers.

Aurora Soldier: The city wall is broken! The barbarian army is coming!

ΔZhenkang was a little overwhelmed.

Aurora Soldier: Cheer up a little general!

101. The gap in the city wall of Aurora Nanguan is 1 day away

At the gap 1 A large number of barbarian troops poured in, and the scattered Aurora soldiers inside also rushed up to resist them desperately.

102. Aurora Nanguan city wall outside the sun

Zhenkang: Block the gap! We must not let them into the city!

103. 2 days away from the gap in the city wall of Aurora Nanguan

ΔA large number of barbarian troops rushed in, and it seemed that there was no one in the city, and as soon as they came in, they were shot dead by the archers on the city wall.

ΔThe barbarian army then looked towards the city wall. The archer aimed at the barbarian army below and shot a shot.

ΔAt this time, an Aurora soldier advance formation suddenly appeared in front of the barbarian army, composed of sword and shield infantry, the advance formation stopped, and a person came out of the middle of the formation, it was Zhenkang.

The barbarian army was not afraid when they saw this situation, and directly roared and rushed over.

ΔZhenkang killed the barbarian soldier who led the charge with one sword, and once again lowered his head to dodge the barbarian soldier's slash, and killed a barbarian soldier with one sword again.

ΔOther barbarian soldiers also bumped into the formation of the Aurora soldiers, and the two sides fought together.

104. In the Aurora Palace

Zhen Jing Zhenghe and the minister held an emergency meeting.

Zhenjing: The western and southern borders will not resist for long, and we must send troops to support.

Minister 1: But if all the troops in the main city are sent, the risk

is too great.

Minister 2: Aurora has just recovered from the civil strife, and the order in the main city is not yet stable, so we can't send troops rashly. Minister 3: Yes, it's too late to send it now, and we don't know the number of barbarian troops, even if we send it, what if we can't defeat it.

Minister 4: Yes, even if the pun is lost, as long as we hold the main city, they won't be able to attack, and Aurora City is easy to defend and difficult to attack.

Minister 1: We can only pray that the two generals in the southwest can resist now.

Zhen Jing: Block!? How do they stop it? The disparity in strength is so great, if we don't go to the rescue, they will definitely be more vicious than lucky.

The ministers all bowed their heads silently and were speechless. Zhenjing: Hey, what should I do?

ΔZhenjing continued to mutter in a low voice.

Zhenjing: If only Zhenyu were here now, when will you come back, thirty days will pass soon.

105. Within the day of the Aurora Beiguan camp

Soldier: Are we really just sitting still?

Fu Xuan: We can't rush to rescue now, if the northern boundary is conquered again, then Aurora will really be over.

Soldier: But we watched them die.

Fu Xuan: Before Zhenjing's order, we can only sit still.

Soldier: Zhenjing? Why not a seismic plume? Why should we listen to him? As for Zhenyu, shouldn't Zhenyu lead everyone to fight at this time?

Fu Xuan: Okay! Stop it!

ΔThe soldier immediately stopped and did not dare to continue.

Fu Xuan's voice-over: Zhenyu, have you found the Yuren Kingdom, Aurora needs you now.

106. Bear                      Man                      Forest                      Outside                      the                      Sun

ΔThe bandits have surrounded Zhenyu and Yuxia.

Bandit head: Don't talk nonsense with them! On!

ΔThe robbers were about to step forward when they suddenly heard movement in the woods next to them.

ΔEveryone looked at the sound together.

Bandit 1:What sound.

Robber 2: There's something in the woods.

Bandit Head: Don't be afraid, it's just an animal in the woods, harmless.

The bandits calmed down again and faced Zhenyu and Yuxia again.

ΔSuddenly, a robber 1 standing next to the woods was dragged into the dense woods by something, and there was not even a shout.

ΔEveryone was frightened by this sudden situation and looked there together.

ΔAt this time, another robber 2 standing next to the woods was also dragged in and disappeared.

At this time, everyone began to feel really nervous.

Bandit Head:Something.

Bandit 3 suddenly threw the knife in fear, shouted that there was a monster, and ran away.

Suddenly, a brown bear came out of the woods, took Robber 3 away, and burrowed into the woods on the opposite side.

ΔEveryone was frightened by this scene.

Bandit 4 shouted.

Bandit 4: Ahhhhhh It's a bear!

Robber 4 immediately ran away, but unexpectedly the other brown bear that was drilled out fell directly to the ground and bit off his neck in one bite.

There are still three people left, the robber head, Zhenyu and Yuxia, who are already too frightened by this scene to move.

The bandit leader Gu Ruo calmly raised his knife and pointed it at the brown bear in front of him.

Yuxia: They are mysterious bear-men.

Zhenyu: Bear man?

Bear King Lietan (Black Bear) walked up to Zhenyu and Yuxia, who were more than two meters tall.

Zhenyu pointed his sword at Lie Tan.

ΔLie Tan spoke at this time.

Lietan: Are you Emperor Aurora and Princess Yuren? (ietan's voice is strong and powerful)

ΔZhen Yu and Yu Xia glanced at each other.

Zhenyu: How do you know?

Lietan: I heard it from your conversation earlier.

Zhenyu: So you have been eavesdropping just now.

Lietan: Otherwise, how can I save you?

Yuxia: By the way, why did you save us?

Lietan: These bandits are a good piece of meat for us, and we haven't eaten for a long time.

Yuxia: Then why don't you eat us?

Lietan: Because we are not interested in your flesh.

Yuxia: Are you the legendary and mysterious Werrman tribe?

Lietan: Yes, we are the guardians of this forest, Bear Man, we have been living here for hundreds of years.

Yu Xia: Hundreds of years, older than our Yuren.

Lietan: Although your feathered country is mysterious, it has not existed as long as our bear people.

Zhenyu said to Yu Xia.

Zhenyu: By the way, I don't know your age yet.

Yu Xia: I am 80 years old.

Source: Huh? Eighty years old?

Yu Xia: Eighty years old is already very small in the Yuren Kingdom, my brother Yusheng is one hundred and twenty years old, the deceased queen is two hundred years old, and the original Yuren King, that is, the Demon, is already four hundred years old.

Lie Tan: In comparison, the age of human beings is too short.

Zhenyu: My mother, I was actually with a girl who was dozens of years

older than me.

Yu Xia: Why, I'm not happy.

Zhenyu: No, no.....

Lietan: Tell me why you are here.

Yu Xia: We didn't actually want to come here, it was the robbers who kidnapped me here to violate me, and then Zhen Yu arrived in time.

ΔZhenyu seemed to think of something at this time, so he said.

Zhenyu: You should be the leader of the Werebear tribe.

Lietan: Yes, my name is Lietan, I am the king of the Werebear tribe, and I give orders in everything.

Zhenyu: Just right, I have something I want to ask you for help.

ΔYu Xia looked at Zhen Yu.

Lietan: What do you humans want from us bear-men?

Zhenyu: I think you also know the evil demon king of this continent, the demon.

Lie Tan: The Demon has not moved for a hundred years, and we don't want to participate.

Zhen Yu: But if the Demon has been surviving for a hundred years, and

one day it breaks out, then the entire Auror Continent will be

swallowed up by his power, and you bear people may and will cease to

exist.

Lietan: Don't mention what didn't happen, let's talk about it when it happens, no matter what happens, we bear-men will fight to the death to defend our woods.

Zhenyu: Instead of sitting still, it is better to preemptively eradicate the demon, how about forming an alliance with our Aurora?

Lietan: Ally with you humans? This is impossible, we don't want to deal with humans, we don't want to participate in worldly disputes, we just want to live here quietly.

ΔYu Xia also spoke at this time.

Yu Xia: Human beings are weak now, and they are already internal and external troubles, and we Yuren have allied with humans to fight against the Demons, but our strength alone is not enough. If you also

form an alliance, I think it's only a matter of time before the

Honorable Demon is eradicated."

Zhen Yu also looked at Yu Xia in surprise.

Lietan: What? You feathered people have allied with humans?"How could such a sacred country as the Feather Man ally with a weak creature like humans?

Yuxia: Humans are not weak, they are strong in their hearts, as long as they have the belief of invincibility, they are stronger than any race.

Lietan: Okay, I don't want to listen to your story here, you guys go quickly, we're going to have a good meal. If you don't want to see the bloody picture, leave quickly.

ΔSaying that, Lietan and the other bearmen changed into bear form again and began to carry the corpses.

Zhenyu and Yu Xia couldn't bear to look at it, and they were also out of helplessness.

Zhenyu: Since the bear people are unwilling to form an alliance, let's go.

Yu Xia also wanted to stop saying anything to Lie Tan.

ΔZhenyu led the horse and Yu Xia and turned to leave.

ΔAnd Lie Tan turned his head to look at the backs of the two, and turned his head again to pick up the body of the robber's head and return to the woods.

107. Aurora West Guan Inner Night Outside

The source pulled the halberd out of a barbarian soldier's body, and looked at the too many barbarian soldiers around him panting. And the Aurora soldiers behind the source were also panting, their faces covered in dust and blood.

Aurora Soldier: We can't stop it, there are too many of them.

ΔAt this time, a barbarian soldier rushed up and was easily cut down by the earthquake source halberd.

Epicenter: If you can't stop it, you have to stop it, let's retreat to the moat first.

Aurora Soldier: Okay.

Everyone                began                to                slowly                move                backwards.

Δ Suddenly several rockets were fired from above the city wall, killing several Aurora soldiers.

Everyone looked up and found that the city wall had been occupied by the barbarian army.

Aurora Soldiers: The walls have been captured by them!

Everyone was cautious about the barbarian troops on the city wall and the barbarian troops around them.

Barbarian rockets were fired again on the city wall.

Epicenter: Shield!

The Aurora soldiers raised their shields to block the rocket, and the epicenter used a halberd to cut off the arrows to avoid hitting himself.

ΔThe barbarian army on the city wall began to shoot arrows at the source of the earthquake, and the Aurora soldiers kept blocking them with shields, but there were still casualties.

epicenter; This is not the way!

ΔAt this time, the barbarian army rushed over again.

And the epicenter immediately stepped forward and a person stopped in the middle.

Aurora Soldier: General Yuan!

Epicenter: I'm blocking them here, you go first!

Aurora Soldier: The general is going to go together! Who will lead us to fight back if you die!

At this time, the barbarian soldiers rushed up, the epicenter waved their halberds and resisted desperately, while the barbarian archers on the city wall were still shooting rockets.

ΔThe rocket also blocked the idea of the Aurora soldiers wanting to save the source of the earthquake, and dropped a lot of rockets in front of the Aurora soldiers, some of which shot and killed some Aurora soldiers.

Epicenter: Let's go!

The Aurora soldiers were reluctant but had no choice.

Epicenter: Do you want me to die in vain! Don't leave yet!"

With the words of the epicenter, the Aurora soldiers began to retreat unbearably, and the source desperately used halberds to kill the barbarians.

The retreating Aurora soldiers turned their heads to look at the epicenter they were desperately protecting.

The epicenter slashed and killed a large number of barbarian troops, and more barbarian troops surrounded it.

Aurora Soldier 1 stopped and shouted.

Aurora Soldier 1: General Yuan!

Aurora Soldier 1 wanted to go back to rescue but was pulled back by two Aurora soldiers.

Aurora Soldier 2: Don't go over!

Aurora Soldier 1: Let me go!

Aurora Soldier 3: We're going to die!

Aurora Soldier 2: General Minamoto won't die, trust him!

Aurora Soldier 1: General!

Δ(slow motion) Aurora Soldier 1's face was full of anger, and an open hand stretched out to the source of desperate resistance in front of him (end of slow motion).

#### 108. Aurora West Gate Outside the Night

Gurza said with a slight smile.

Gurza: They have no power to resist, it's time to enter the city. Barbarian Soldier: Yes, my lord.

The barbarian soldiers shouted to the barbarian army: Enter the city!

The barbarian army began to enter the West Pass in a mighty manner.

ΔThe camera shows that the Aurora West Pass has been conquered by the barbarian army, accompanied by rockets and fire.

#### 109. Aurora South Gate Outside the Night

A large number of fireballs were thrown by catapults and smashed into the south gate of Aurora.

ΔEarl looked at a large number of fireballs and was complacent.

#### 110. Aurora South Gate Inside and Outside

ΔA large number of fireballs swept through the air and smashed into the ground, smashed into the city wall, smashed into the houses, and smashed into the Aurora soldiers.

Aurora Nanguan city wall and a sea of fire in Nanguan.

There are fleeing Aurora soldiers everywhere.

ΔZhenkang said hopelessly.

Zhenkang: Nanguan has been breached.

Aurora Soldier: Don't give up!

Zhenkang: Do you think we still have the ability to resist?

ΔAurora soldiers were speechless.

Zhenkang: Abandoned the pass.

Aurora Soldier:What?

Zhenkang: I said abandonment.

Aurora Soldier: We just gave up Nanguan to the barbarians?

Zhenkang: If you don't want to die, listen to me.

ΔAt this time, an Aurora soldier 2 said pantingly.

Aurora Soldier 2: Nanguan has been conquered, and the barbarian army is coming in.

Zhenkang: Abandon the pass and retreat to the main city.

Aurora Soldier 2: Abandoned?

Zhenkang: I said abandonment! Didn't you hear it! If we resist any

longer, we will all die!" If we survive, we still have a chance to

fight back, and Zhenjing must have his own ideas if he didn't come to

the rescue. Even if you come to save us, it will be the current

situation when you arrive.

ΔThe two Aurora soldiers looked at each other and nodded.

Zhenkang shouted to the other remaining Aurora soldiers.

Zhenkang:Abandoned! Retreat to the main city!

#### 111. Aurora South Gate Outside the Night

Earl:                      They                      should                      be                      abandoned.

Barbarian soldier: Yes, my lord, our stone-throwing is too fierce,  
and they have no power to resist at all.

Earle: It's basically a cannon to hit mosquitoes. By the way, did you catch a woman?

The barbarian soldier said timidly.

Barbarian soldiers: They say that the people in the city have already fled to the main city.

Earl: What! Okay, you Aurora, I haven't tasted a human woman for a long time, and I have already run away.

Bring down the main city of Aurora for me!

Barbarian soldier: My lord, my lord, we should listen to Gurza, let's occupy Nanguan first.

Earl: Fuck! Do you listen to me or listen to him!

Barbarian soldier: But the barbarian king also asked for it.

Earl wanted to vent but held back.

Earl: Okay, I'll hold back this breath first, Aurora, you wait. Give me a slaughter! Kill anyone you see!

Barbarian Soldier: Yes, my lord.

112. In the night in the Aurora Palace

Zhenjing: I'm sorry to summon you so late.

Minister 1: Actually, we can't sleep either.

Minister 2: Yes, this battle is being fought all day, and we can't sleep for a day.

Zhenjing: I thought for a long time, I still want to send troops to support them, if the southwest double swing is occupied by them, they will have a geographical advantage, it will be more difficult for us to counterattack, they are condescending, unless there are reinforcements outside the city to support them, then even if the double pun is recaptured, it will be a heavy loss. At that time, if the support of the barbarian army arrives, Aurora will have no power to fight back.

Minister 3: King Jing, in fact, we have always wanted to ask where Zhenyu went, at such a critical moment, he should stand up and lead everyone to resist the barbarian army together.

△The ministers said one after another.

Ministers: Yes, yes, where is Zhenyu going?

Zhenjing: Don't talk about it.

The ministers fell silent.

Zhenjing: I know the doubts in your hearts, and I am here to tell you the truth today. In fact, Zhenyu left Aurora a month ago.

Ministers: What? Huh? Where did Zhenyu go?

Zhenjing: Zhenyu went to find an ally.

Ministers: Allies? Who is it?

Zhenjing: It is the legendary Yuren Kingdom.

The ministers talked more about it.

Ministers: Yuren Kingdom? This is okay, the Feather Man Kingdom is fake, how can the Feather Man ally with us? Oh, yes.....

Zhenjing: Okay! Don't say it! The reason why Zhenyu didn't preside over the overall situation at this time was because Aurora was now in internal and external troubles and weak troops, so he urgently needed the support of allies. Zhenyu had long expected that the barbarian army would attack Aurora, but in just one month, Aurora could not recover from the civil strife, and only allies could save Aurora at this time. Before leaving, Zhenyu agreed with me on a return time.

Ministers: How long is it?

Zhenjing: One month.

Ministers: A month, this, it's been a month, and I haven't come back yet, it seems that there are more bad luck than bad luck.

Zhenjing: Okay! Stop talking nonsense! I believe in Zhenyu, since he said that he could definitely do it, although he was a few days late, he did not completely lose hope, I believe he will definitely come back with his promise, and Aurora will definitely be able to fight back. Let's give him a little more time. Let's do this, two days, two more days, if Zhenyu hasn't come back in two days, we will attack with our whole army to recapture the southwest pun!"

113. In the night in the Demon Black Palace

Mo Yin was still standing outside the door of the huge room without a door.

Demon Hidden Horse: Lord Demon, it is reported that the barbarian army has captured the southwest double pun.

Demon: It seems that we don't need to take action.

Mo Yin: But the more this happens, the more Aurora will unite. Besides, if the legendary Aurora Dragon Sword appears, I'm afraid that the barbarian army will not be able to resist it.

Honorable Demon: Aurora Dragon Sword..... What kind of sword is this?

Mo Yin: It is said that this sword only appears once in a hundred years, and only the strongest people in Aurora deserve it, and it has immeasurable power.

Demon: Even if the dragon sword reappears, it will not be able to compete with us, our army will eventually flatten the entire continent of Aurora, whether it is humans, feathered people, bandits or other forces, they will be swallowed up by our power, darkness will cover the whole world, and I, the demon, will rule the world! After saying that, the Venerable Demon let out a terrifying roar.

114. The boundary of the feathered jungle is outside the sun

ΔZhenyu rode a horse and took Yu Xia to the boundary of the Yuren Jungle, Yu Xia hugged Zhenyu's waist tightly and leaned on Zhenyu's broad shoulders.

Zhenyu stopped his horse and said.

Zhenyu: We're here.

Seeing that Yu Xia did not move, he asked.

Zhenyu: Yuxia?

Yu Xia smiled and leaned tightly on Zhen Yu's shoulder and said.

Yu Xia: I really want to lean on you like this, your body is so warm and powerful, and I feel so secure on this road.

ΔZhenyu is a little shy and warm.

Zhenyu: When everything is over, I will let you live forever in my arms.

ΔYu Xia was even warmer and warmer after hearing this.

Yu Xia smiled shyly and pressed it tighter.

Yu Xia: I like to hear you say this, this is what you promised me.

Zhenyu: Don't worry, it's hard to chase a man who says a horse.

ΔYu Xia happily dismounted, and Zhen Yu also dismounted.

Zhenyu: Are you sure your brother can agree, or you can go back to

Aurora with me directly?

Yuxia: For my sake, my brother will definitely agree to form an alliance. Even if I go back with you now, I won't be able to help Aurora, but it will bring disaster to Aurora, my brother will definitely send troops to attack you, and then it will not be an alliance, but an enemy."

Zhenyu: You're right, no matter what, I hope that our two countries can become friends to fight against the demon.

Yuxia: By the way, do you know the Aurora Dragon Sword?

Zhenyu: Aurora Dragon Sword?

Yu Xia: It is said that the Dragon Age will appear every hundred years in Aurora, and the dragon sword will also appear, and there will be more peculiar scenes, and the dragon sword needs the most powerful brave man of Aurora to have it.

Zhenyu: I think I've heard my mother mention this before, but I think it's just a legend.

Yu Xia: Then didn't you find our legendary Yuren Kingdom?

Zhenyu: Yes.....

Saying that, Zhenyu fell into deep thought.

Yu Xia: Okay, I have to go back quickly, you have to go back too, the one-month deadline you said has passed, everyone must be worried about you.

Zhenyu: Yes, I'll go back now, but..... I had an ominous feeling.

Yuxia: What hunch?

Zhenyu: Aurora may be in danger now.

Yuxia: Could it be that you think too much?

Zhenyu: I also hope I think too much, I hope Aurora is safe.

At this time, Yu Xia vaguely saw smoke rising from the sky far away.

Yuxia: What is that?

Zhenyu also looked along and said in shock.

Zhenyu: It's Nanguan! Aurora Nanguan is suffering from a crisis! As expected, my hunch was not wrong.

Yuxia: So fast? Who is going to attack Aurora?

Zhenyu: I don't know, I have to go back right now, everyone is waiting for me.

Yu Xia: Well, go back quickly, don't worry, Zhen Yu, I will go to you with the sincerity and support of the Yuren Kingdom in two days.

Zhenyu: Okay, I'll wait for you to come back, and we'll defeat the enemy together.

Saying that, the two hugged.

Zhenyu: Yuxia, I will definitely marry you when I become emperor.

Yu Xia said with a sweet smile.

Yuxia: I also hope that I can become the queen of Aurora, there will be no racial distinction from now on, we are all a family, and I will be your wife for the rest of my life.

ΔThe two smiled with relief.

Zhenyu: Okay, it's time to set off.

Yu Xia: Well, I'll go back now.

Zhenyu: Be careful on the road.

Yu Xia: You too, be careful on the road.

Saying that, Yu Xia turned around and trotted to the edge of the jungle, and looked back at Zhen Yu again.

Zhenyu nodded to Yu Xia.

ΔYu Xia turned around and disappeared into the jungle.

ΔZhenyu also hurriedly mounted his horse and rode towards Aurora.

#### 115. Aurora Xiguan inside and outside

The epicenter killed from late night to dawn, and he was exhausted from killing the enemy and killing, and began to breathe heavily. There are still a large number of barbarian troops around him.

The epicenter held a halberd in one hand and propped it up on the ground, while he bent over and gasped.

ΔAt thistime, a burly barbarian soldier vaguely walked into the gate of Xiguan City, and the epicenter was the barbarian general Gurza.

Gurza: Yes, yes, I watched you kill from late at night until dawn, two hours have passed, and I am shocked by your physical strength,

but you are also exhausted. Now let me be your last executioner."

Zhenjing said panting.

Zhenjing: Just with a small role like you? It's still early.

Gurza: It's time to still hold on, so why resist desperately.

Zhenjing: As the general of Aurora Xiguan, I have the responsibility

to protect the safety of Xiguan and protect the lives of my

subordinates.

Gurza applauded.

Gurza: Your courage is commendable, knowing that there is a huge disparity in strength, and fighting until the last moment, it is not a loss to be a general of Aurora.

Zhenyuan voiceover: General Aurora

### 【Flashback】

116. The gate of the northern boundary is inside and outside

Fu Xuan: Although our family has always been ordinary, Emperor Zhen is not bad for us, and Emperor Zhen personally named me the first general of Aurora, I am very self-sufficient, not as strong as you and Fu Shen's greed, if a person is too greedy, then he will never be satisfied.

Source: General? Hmph, is my contribution less than yours?

The source of the earthquake lifted the halberd, and Fu Xuan raised his sword in both hands and collided with it.

117. The gate of the northern boundary is inside and outside Epicenter: Kill me.

Fu Xuan: Don't worry, I won't kill you, your martial arts are very good, you are a general, I will hand you over to Emperor Zhen, so that you can have a way of punishing a general.

Fu Xuan: Zhenyu! As General Aurora, I don't kill my own people!

Although Zhenyuan made a big mistake, he was still the general of the

Western Boundary of Aurora from beginning to end! He should be

punished as a general! The father and queen are no longer there, that

is your biggest! Now I'll leave him at your disposal!"For my sake!

Give him a decent punishment!

### 【Flashback End】

118.Aurora Xiguan inside and outside

Δ Zhenyuan smiled bitterly.

Zhenyuan: Yes, General, I am General Aurora, so you barbarians who are savage and brutal and don't know how to protect their important things still want to defeat us? I show you what it means to guard.

ΔSaying that, the epicenter picked up the halberd and rushed towards Gurza.

ΔA knife went down and was easily blocked by Gurza with a giant axe.

Gurza: It seems that you don't have enough strength.

The epicenter swung at Gurza again, and was blocked by Gurza again.

The source of the earthquake continued to attack Gurza with all his strength, but he failed to hurt a single cent.

The epicenter had already swung to the point of no strength, and once again used a halberd to support it on the ground and gasped for breath.

ΔThe surrounding barbarian troops looked at the epicenter, and Gurza was not afraid of the heroic general in front of him at all.

Gurza: What's wrong, you said you want to protect important things.

Epicenter: Shut up! As long as the belief always exists, I won't, lose!

The source of the earthquake used up his last strength, clenched the halberd with both hands, turned around vigorously and slashed at Gurza, just when he was about to cut off Gurza's head, the epicenter was suddenly hit by something, the whole person stopped, and his eyes froze.

ΔAt first glance, it turned out that his waist was cut by Gurza's giant axe, and blood flowed.

The only remaining faith and strength of the earthquake source made him grab the handle of the giant axe with his left hand, trying to get the giant axe away from his waist, but no matter how hard he tried, he couldn't shake it.

ΔAt this time, Gurza twitched the giant axe with all his might, and

the epicenter's body was bleeding all over the ground, and he

immediately threw away the halberd in his hand and fell to the

ground.

Δ The epicenter was still staring at Gurza, wanting to get up but unable to get up.

ΔGurza stepped on the bleeding waist of the epicenter with one foot, and looked down at the epicenter and said.

Gurza: It's time to end your life, General.

Saying that, Gurza raised the giant axe with both hands.

ΔThe pain of being stepped on by the epicenter was unbearable, and the epicenter said with a wry smile with the last of his strength.

Source: I... Carrying on... Treason... I should have died a long time ago, although I came a little late... But,maybe...This is my fate...

The Gurza giant axe fell, and the camera went black.

119. The border of Aurora Nanguan is outside the day

Zhenyu rode a horse and finally came to the border of Aurora

Nanguan, Zhenyu looked at the South Gate in the distance, the

collapsed city wall, and the debris everywhere, Zhenyu was calmed by this scene.

Zhenyu: What's wrong with Nanguan, what's wrong with Aurora, how could this happen. Who, who! Zhen Jing..... How are you, Fu Xuan, Zhenyuan, Zhenkang, how are you."

Zhenyu:Zhenjing!

ΔZhenyu hurriedly rode his horse to ride towards Nanguan, and suddenly found that there were some barbarian soldiers standing on the remnants of the city wall.

ΔZhenyu quickly stopped his horse.

Zhenyu: That's..... Barbarians? Could it be that the barbarians are attacking us? Is my hunch right?

Zhenyu: No, I can't go in from the front, I have to go around.

Saying that, Zhenyu rode his horse from the other side.

120. Aurora main city street outside the day

Zhenkang brought the remnants of Nanguan to the streets of the main city with a gray face, which was still safe, but the people were shocked and frightened when they saw their eyes.

ΔZhenjing and the ministers hurriedly ran over to ask.

Zhenjing: General Kang! General Kang, how is Nanguan, what is the current situation.

Δ Zhenjing looked at Zhenkang's expression and the remnants behind him and felt bad.

Zhenkang: Nanguan has been captured, this is me and the only remaining defenders.

Ministers: Ah, what, oh, this is not good.....

Zhen Jing: As I expected, the defenders of Nanguan were not enough to resist the barbarian army.

Minister: What about Xiguan, how about General Yuan's side?

Zhenjing: I don't know much about this, I don't seem to see them withdraw.

Zhenjing: Did they block the barbarian army?

Saying that, a group of remnants of Xiguan ran in from the gate of the main city from a distance.

Δ Everyone hurriedly stepped forward to answer.

Zhenjing: Are you?

Epicenter: They are the defenders of Xiguan.

The remnants of Aurora said panting.

Aurora Remnants: We ..... We are under General Minamoto.

Minister: What about General Yuan?

Aurora Remnants: General Yuan, General Yuan.....

Saying that, the remnants of Aurora began to cover their faces and cry.

Zhenjing: Tell me, what's wrong with the epicenter.

Aurora Remnants: In order to cover our retreat, General Yuan blocked the barbarian army alone.

Zhenjing: What?

Zhenkang voice-over: Zhenyuan, you are such a person, I admire you.

Zhenjing: The source of the earthquake.....

The ministers talked a lot.

Ministers: What should we do now, the southwest pun has been lost,

yes, this is coming to the main city soon.

Zhen Jing: If they want to come, let them come, I will let them come and go. It's a pity that General Yuan is more bad than lucky.

Although he was guilty of treason, he was always a good general, and his sacrifice gave us the belief to fight back.

Minister: What should we do now?

Zhenkang: By the way, where is Zhenyu?

Zhenjing: Zhenyu.....

Just when I talked about Zhenyu, I heard Zhenyu's shout in the distance.

Zhenyu: Zhenjing!

Everyone looked in the direction of the sound together.

ΔI saw Zhenyu riding a horse and rushing towards this side quickly.

Zhen Jing: Zhen Yu?!

Ministers: Zhenyu is back, Zhenyu is back.

ΔZhenyu quickly dismounted and came to everyone.

Zhenyu: Zhenjing, what's wrong?What happened to Aurora? Why did it become what it is now?

Everyone bowed their heads silently and was depressed.

Zhenjing: The barbarians are attacking us,now..... The southwest double puns have all been breached.

Zhenyu: Sure enough, it was exactly what I expected.

Zhenyu: The day I left, I felt that Aurora was in danger, but I didn't expect it to be so fast.

Zhenjing: So you went to find reinforcements?

Zhenkang: Reinforcements? By the way, where did you ride your horse?

Zhenjing: Zhenyu is.....

Zhenyu: I don't have to hide it anymore, I'm going to the Yuren Kingdom.

Zhenkang: Yuren Kingdom?

Zhenjing: I originally wanted to tell you too.

Ministers: How is the Feather Man Kingdom, yes, yes, where are the reinforcements?

Zhenyu: Let's not talk about it here, let's go back to the palace first.

Zhenjing: Okay.

121. Within the day of the Aurora Palace

Zhenkang: Did you really find the legendary Yuren Kingdom?

Zhenyu: Well, I didn't expect that I would find it, maybe it's God's will.

Zhenjing: What the queen mother said is indeed true.

Zhenyu: Not only did I find the Feather Kingdom, but I also.....

Zhenkang: What else?

Zhenyu: Still.....

Zhenjing: Speak quickly.

Zhenyu: I also met the princess of the Feather Kingdom.....

Zhenjing: Princess of the Feather Man Kingdom?

Zhenkang: There is such a good thing.

Minister: What about reinforcements?

Zhenyu: Reinforcements will come, Yuxia will come to support us.

Zhenjing: Yuxia? It should be the princess of the feather man in your mouth.

Zhenyu: Yes, she is the most beautiful woman I have ever seen, as beautiful as a fairy, holy and innocent.

Zhenkang: I said Zhenyu, you shouldn't be fascinated by people.

Zhenyu: What do you say?

Minister: You went to find an ally but fell in love with someone's princess.

Ministers: Yes, yes, womanizers.

Zhenjing: Okay! I believe Zhenyu is not that kind of person.

Zhenyu: To be honest, I was indeed fascinated by her, but I will not

forget my original intention. Yu Xia also promised me to bring

reinforcements

over.

Zhenjing: In other words, is the Yuren Kingdom willing to ally with us, they have not always been reluctant to deal with other countries, they are a very mysterious race.

Zhen Yu: This is a long story, Yu Xia's brother, who is the current Yuren King, does not agree to the alliance and is ready to kill me.

Zhenjing: Kill you?

Zhenyu: He looks down on us humans, and even more opposes me and Yuxia being together, but everything is fine. And the first Feather Man King is today's Honorable Demon.

Everyone: Huh? Is the Feather King a demon? What's going on?

Zhen Yu: The greed of the Feather King allowed himself to be corrupted by evil and turned into the current Honorable Demon, not only with great power, but also with his own strength to create his own demon army (with the flashback below).

**【Flashback】**

122. Outside the northern cave

The Feather King entered the cave alone.

123. In the northern mountain cave

The Feather King howled in pain, his whole body entangled in a dark aura. The Feather Man King stretched out his wings in the air, and the wings changed from white to black, and finally completely decayed, and the wings disappeared. At this moment, the Feather Man King slowly lifted his head on the ground, his eyes glowed red, and an evil smile appeared on the corner of his mouth.

**【Flashback End】**

124. Aurora Palace within the day

Zhenyu: So we are actually facing the Feather Man King.

Zhenkang: So that's how it is.....

Zhenyu: I also met more secretive Werebear tribes on the way, but unfortunately they didn't want to ally with us.

Zhen Jing: Bear man? Such an ancient race reappeared at this time.

Zhenyu: That's right! Where is the epicenter? Why didn't he show up here?

ΔAt this time, everyone bowed their heads silently.

Zhenyu:Really?

Aurora Remnants: General Yuan is estimated to be..... in order to protect us from staying there alone to resist the barbarian army.

ΔZhenyu slammed the table.

Zhenyu: Is his fate really supposed to be like this?

Zhenyu: Epicenter, I won't let you sacrifice in vain.

Zhen Jing: I feel that the barbarians have a premeditated plan, they

first occupy the southwest double pun to occupy the advantage of the

land and consume us, and then launch a general attack when the

barbarian king leads the army to arrive.

Zhenyu:Anyway, I'm back now, and Yuxia also promised me to bring reinforcements to support us in two days, so we will definitely be able to recapture the southwest pun to avenge the epicenter. I will lead everyone to fight back.

Zhenkang: Do you think our chances of winning are good?

Zhenyu: We can definitely defeat the barbarian army.

125. In the barbarian camp tent at night

Barbarian Soldier: Barbarian King, there is good news from the front line, Gurza and the others have occupied the southwest pun.

The barbarian king said with a smile.

Barbarian King: Okay! It's time to defeat Aurora once and for all.

Barbarian King: Come, gather all the barbarian armies, and I will personally lead the army to pacify Aurora!

Barbarian Soldier: Yes, Barbarian King.

ΔThe barbarian soldiers left, and the barbarian king showed a proud smile.

Barbarian King: Demon Hidden Mountain, just take a good look.

126. Inside and outside the barbarian camp

High-altitude shooting outside the base camp The mighty black barbarian army has been assembled, including several mammoths.

At this time, the barbarian king walked out of the tent and looked at the mighty army in front of him, showing a confident expression.

127. Within the day in the Feather Man Temple

Yu Xia hurriedly ran into the temple.

Yu Sheng saw that Yu Xia was finally back and said.

Yu Sheng: Do you still have the face to come back?! Where did you go with Zhenyu?! Do you know that I am in a hurry, and I can't find you even if I send someone to look for you!"

Yu Xia said a little at a loss for words.

Yuxia: Brother, don't be angry yet.

ΔYu Sheng suddenly noticed Yu Xia's unkempt clothes.

Yu Sheng: You? What happened to you and Zhenyu?!

Yuxia: Huh? I didn't do anything with him.

Yusheng: Look at you, your clothes are disheveled, nothing has happened yet?!

Yu Xia: No, I was kidnapped by a few robbers, and it was Zhen Yu who saved me.

Yu Sheng: What did you say? You were kidnapped? How could a robber come to Yuren Kingdom? You're fooling me.

Yu Xia: No, see for yourself.

ΔYu Xia said and took out a feather man ore from his pocket.

Yusheng: This is..... Feather Man Ore?

Yu Xia: Ore has appeared in our mountains and forests again, and the robbers are here for this.

Yusheng: Impossible, ore hasn't appeared in a hundred years, how could it suddenly appear. Our wings have been sourced from this ore since our father..... After being devoured by evil forces, the ore disappears. Could it be that my father.....

Yuxia: I also feel strange, but these ores attract bandits, and this unique thing will definitely sell for a good price there.

Yusheng: Damn humans, we must protect the ore.

Yu Xia: The hateful thing is the robbers, and the shock is not hateful.

Yu Sheng: You are still helping him speak, right, what about Zhen Yu?

Yu Xia: I just came to tell you about this. Zhen Yu returned to Aurora.

Yu Sheng: It's great to go back, since you are at this point, just

forget him as a dream.

Yu Xia: I haven't finished speaking, Aurora is now being attacked by the barbarians, and with Aurora's current strength, it may not be enough to repel the barbarian army, so I want you to send troops to support Aurora.

Yu Sheng: Let me send troops to support Zhen Yu? Sister, is your brain burned out?" You know that I don't like Zhenyu, let alone humans, and let me send troops to support?"

Yu Xia: I knew you would say that, even if humanity is wiped out, it

has nothing to do with you, even if the entire continent is in

crisis, you don't care, because you never care about anyone,

including me.

Yusheng: Why don't I care about you anymore? As your brother, I have been taking you to play since I was a child, cooking and laundry for you, and matching you with the best-looking clothes.

Yu Xia: None of this is what I want! You never cared about what I wanted, you only knew how to change my mind to be like you!

Yu Sheng: Why don't you care what you want, isn't this long skirt what you want? Then you tell me what you want.

Yuxia: I want Zhenyu! I want you to send troops to rescue him!

Yusheng: Look at you, you are never mature, do you know the consequences of our alliance with humans, do you know what other people in the Yuren Kingdom think?

Yu Xia: I don't care what others think! You can't give me what I want, why am I staying here?

Yu Sheng: Yu Xia, my good sister, can you calm down, if we form an

alliance with humans, then we will also be attacked, I don't want my

people to suffer, I don't want them to live in dire straits. We must

reserve our strength to fight against the demon on the day he

appears, and we must not waste unnecessary strength.

Yu Xia: You know all day long that the demon is honored, didn't the barbarians attack Aurora under the instructions of the demon? Isn't this the plan of the Demon? Devouring the forces of the Aurora Continent little by little, if we join forces, the Demon is not our opponent at all!"

Yusheng: You are whimsical again, the power of the demon is not something that can be resisted by joining forces.

Yu Xia: Yes, we can't compete with each other, so can we defeat him alone?

ΔYu Sheng was stunned by Yu Xia's words.

Yu Xia: Why don't you speak, did I get it?

ΔYu Shengye was angry and attacked his heart.

Yusheng: Anyway, I will resolutely not ally with humans! Don't think about it!

Yuxia: Okay! I'll show you what I can do!"

ΔYu Sheng was once again frightened by Yu Xia's words.

Yu Sheng: What are you going to do, Yu Xia?

Yu Xia: You can't control it.

Saying that, Yu Xia turned around and left in a hurry.

Yu Sheng is still shouting: Yu Xia! Yu Xia!

128. Bear man outside the woods at night

Lietan and the other bears had just finished their meal and all turned into human forms.

Werebear 1: Lietan, don't we really help humans?

Lie Tan: I don't want to meddle in human affairs, I just want our tribe to be safe.

Werebear 2: However, if humanity is defeated, it may be our turn next.

Werebear Woman: Werebear 2 is right, if we don't twist into a rope, I'm afraid we will also be victims.

Lietan: In fact, for hundreds of years, we bear people have been living in peace, which is also the result of my efforts. If one day this place is no longer suitable for us, I don't know how to face you, what I want to see is your peace, I don't want to see us swallowed up by war.

Bear Man Girl: I understand your feelings, but.....

Lietan: If one day the war really comes to us, then we will fight again, and I will protect the safety of all of you.

Werebear 1: Will it be too late then?

Lietan: Okay, I don't want to do that much. Then again, why did the bandits appear in this area, not just now, the bandit activities here have become normal in recent times. What feather man ore was talked about in their conversation just now, is it for this?

Werebear 2: It is said that the Feather Man Kingdom originally had wings, it seems to be because of this ore. Later, for what reason, their wings disappeared, and now the ore has reappeared?

Bear Man Woman: In fact, our lives have been disturbed now.

Bear Man 1: Why didn't you let us eat when the bandits appeared before, why did you just save them and eat the bandits?

Lietan: Because, I don't want to sit idly by.....

Saying that, Lie Tan looked at the north with deep eyes.

129. Aurora Xiguan Inner Night

Gurza sat aside, and several barbarian soldiers carried a wooden stretcher with the body of the epicenter on the stretcher.

The barbarian soldiers carried the stretcher to the fire that had been set up.

ΔGurza stood up, walked to the body of the epicenter and said.

Gurza: You are a respectable opponent, and it is very good that Aurora can have a general like you guarding the West Pass

Honored.

Gurza: Okay, burn him.

ΔThe barbarian soldiers put the stretcher on the fire along with the corpse.

The raging fire began to burn the bodies of the epicenter. Gurza, on the other hand, stood aside and watched.

Gurza: The barbarian king should get the news that we have captured the southwest pun, and the barbarians will be pacified in ten days.

130. In the night in the Aurora Palace

Zhenjing: Okay, let's arrange it like this. Zhenyu and I led the

Aurora elite dragon army to recapture the West Pass, and Zhenkang led

the army to recapture the South Pass, and Fu Xuan would come to

support from the North Pass, so that he would form a corner with

Zhenkang to eliminate the barbarian army.

Zhenyu: Well, we will act early tomorrow morning, and we will be able to go to the southwest the day after tomorrow, a day has passed, and the day after tomorrow should be the day when Yuxia reinforcements arrive.

Zhenjing: Are you sure Yuxia will bring troops the day after tomorrow?

Zhenyu: I believe her.

Zhenjing: Okay, in that case, we will set off tomorrow morning, and the day after tomorrow will be the day when we regain the southwest pun.

Zhenyu:Yes.

131. Aurora Dragon Scale Road Outside the day

ΔZhenyu and Zhenjing rode horses and led thousands of Aurora elite dragon troops on the dragon scale road to Xiguan.

Zhenyu: We have arrived at Longlin Road, let's rest in front of us tonight, it is very close to Xiguan from here.

Zhenjing:Zhenyu.

Zhenyu: What's wrong?

Zhenjing: If Yu Xia hadn't come.

Zhenyu: She won't come.

Zhenjing: What if?

ΔZhenyu suddenly stopped and looked at Zhenjing and said.

Zhenyu: No case.

After saying that,Zhenyu rode forward on horseback.

Zhen Jing also looked at Zhen Yu's back and followed.

132. Aurora Longwei Road outside the day

Zhenkang is on the march with a young Aurora general and an ordinary Aurora army of more than 30,000 people.

Aurora Little General: General Kang, you say, will the Yuxia in Zhenyu's mouth come, if you want to say that General Fu will come, I believe it, he will definitely come, but what you say about the Yuren Kingdom sending troops to support, I don't believe it.

Zhenkang: At this point, we have to believe that the survival of Aurora is in the hands of Zhenyu.

Aurora Little General: Hey.....

Zhenkang: Don't sigh, so many of us have sighed and sighed, and it is time to go to the battlefield soon, and the morale of the army must be stable.

Aurora Young General: Yes!

Zhenkang: General Yuan has left us, and we want to avenge him.

Aurora Young General: Huh? What? General Yuan him?

ΔZhenkang nodded and said.

Zhenkang: He was great, he sacrificed himself for Aurora. So we must not lose confidence.

Aurora Young General: General Yuan.....

Saying that, everyone continued to walk forward.

The young general of Aurora suddenly saw something like a dragon's tail in front of him and asked.

Aurora Young General: What is that?

ΔZhenkang also saw it and said.

Zhenkang: That's the sign of Longwei Road, and we'll set up camp there tonight.

Aurora Young General: We are now walking on the Dragon Tail Road?

Zhenkang: This is your first time going out.

Aurora Young General: Yes, I have been staying in the main city and basically haven't even been to the border. This is my first time traveling far away.

Zhenkang: No wonder, the three passes of Aurora West and North are led by three roads, the North Gate is Longshou Road, the West Gate is Longlin Road, and the South Gate is the Longwei Road we are taking now. In fact, it is very difficult for the barbarian army to attack the main city from the border, as long as we hold it at the end of the road, it will be difficult for them to capture, so I think this is also the reason why they do not continue to attack. We passed in front of Longwei Road and arrived at Nanguan. So we have a good rest here tonight, and tomorrow at dawn is when we recapture Nanguan.

Little General Aurora: So that's the case, I'm really ignorant.

Zhenkang: It's okay, take your time. I didn't know anything when I came up.

Aurora Little General: Will the barbarian army also know this terrain, if the barbarian army blocks it in front, is it equivalent to being easy to defend and difficult to attack?

Zhenkang: Don't worry, the barbarian army should not be familiar with the location of Aurora. All they have in their minds is killing.

Aurora Young General: Then I'm relieved.

ΔZhenkang shouted to all the soldiers.

Zhenkang: Stop!

Zhenkang: We will set up camp here tonight, everyone will have a good rest for one night, and we will recapture Nanguan early tomorrow morning!

Aurora soldiers: Yes!

ΔEveryone began to dismount and set up camp.

133. Aurora Dragon Scale Road Outside the Night

The Aurora Dragon Army led by Zhen Yu and Zhen Jing has set up camp, and the dragon army has begun to light a fire and cook.

ΔZhenyu stood by the tent and looked around, and Zhenjing walked over and said.

Zhenjing: Zhenyu, what are you thinking?

Zhenyu: I have a bad feeling.

Zhenjing: You had a bad premonition before, but the barbarian army really came to attack us, what does it mean to have this premonition now?

Zhenyu: I don't know, I just don't think our counterattack will go very smoothly.

Zhenjing: It's normal for things to go wrong.

Zhenyu: No, I'm talking about the barbarian army can have been premeditated.

Zhenjing: Will you think too much, after all, these things have made everyone panic recently.

Zhenyu: I hope so. By the way, do you know the dragon sword?

Zhenjing: Are you talking about the legendary Aurora Dragon Sword?

At this time, an Aurora dragon army came over with a hot meal.

Aurora Dragon Army: Two generals, dinner is ready, this is a dinner

we specially prepared for you, please enjoy it.

ΔBoth of them smiled and felt warm.

ΔZhenjing hurriedly took dinner and said.

Zhenjing: Thank you very much.

Zhenyu: Thank you, you should eat it too.

Aurora Dragon Army: Thank you, General, let's eat now.

Saying that, the Aurora Dragon Army turned around and left.

Zhenjing: Let's go in and eat.

Zhenyu: Yes.

Zhenjing entered the tent with the food, and Zhenyu followed closely behind.

134. Zhenyu tent inside the night

Zhenyu: It's still warm inside.

Zhenjing: Quick, let's eat.

ΔZhenyu and Zhenjing sat down and ate.

Zhenjing: You just said Aurora Dragon Sword? What news did you hear?

Zhenyu: No, I just heard Yu Xia mention it.

Zhenjing: How did Yu Xia know about the Aurora Dragon Sword?

Zhenyu: The Feather Man Kingdom has existed longer than Aurora, so they must know a lot.

Zhenjing: The dragon sword is indeed often mentioned by the queen

mother, it is said that a hundred years later, Aurora will enter the

Dragon Age, and the dragon sword will appear, and there are

unexpected things happening.

Zhenyu: I also heard my mother say it, but it's been a hundred years now, and nothing has happened.

Zhenjing: Yes, I don't know if this legend is true, maybe it's just a story told to us by the Queen Mother.

Zhen Yu: Yu Xia said that only a true brave person can pick up the dragon sword.

Zhenjing:                      The                      real                      brave

Zhenjing fell into deep thought.

Zhenyu patted Zhenjing and said.

Zhenyu: Okay, don't think about it, there will be a war tomorrow, let's eat quickly.

Zhenjing: Yes.

The two continued to eat.

135.[Sky Realm]

ΔThe sky is from dark to dawn.

136. Outside the exit of Aurora Longwei Road

Zhenkang and the young general of Aurora rode in front and took the lead in leading the Aurora army to march, and the surrounding fog was a bit heavy.

Zhenkang: How did you sleep last night?

Aurora Little General: It's okay.

Zhenkang: Are you a little nervous?

The young general of Aurora said awkwardly.

Aurora Young General: Hmm.

Zhenkang: After all, it was the first time to go far away, and it was this kind of battle, which is understandable. However, there are so many people with you, not to mention that I am Zhenkang, the barbarian army is nothing at all, you just need to remember to kill the barbarian army.

Aurora Young General: Thank you, General Kang, I remember.

Zhenkang looked ahead and said.

Zhenkang: It's about to leave Longwei Road, and it's about to go five kilometers out of Longwei Road.

The young general of Aurora also watched as the road ahead began to slowly widen.

At this time, many arrows suddenly shot out from the fog in front of him, killing several Aurora soldiers in an instant.

Everyone was panicked by the ambush that broke in.

Zhenkang: There is an ambsh!

The young general of Aurora trembled.

Aurora Young General: They are indeed ambushed here.

Zhenkang: Shield wall!

Aurora soldiers quickly use rectangular shields to form a shield wall in front.

Some of the Aurora general's guards stepped forward and used round

shields to form a shield wall in front of Zhenkang and Aurora

generals.

Zhenkang: How do they know the topography of Longwei Road?

ΔI saw a large number of barbarian troops appearing in the fog on both sides of the exit of Longwei Road, and a large amount of arrows rained out from behind the barbarian army.

Zhenkang: The bow and arrow are coming!

The rain of arrows shot at the rectangular and round shields of the Aurora soldiers, and some Aurora soldiers were also shot.

Zhenkang desperately swung his sword to resist the bow and arrow, and the young general of Aurora was suddenly shot in the thigh and fell from his horse.

Zhenkang: Little general!

ΔZhenkang also hurriedly dismounted and stepped forward to check the injuries of the young general of Aurora.

Zhenkang: Little general, how is it?

ΔZhenkang looked at the bow and arrow on the leg of the young general of Aurora.

Aurora Young General: It's not a big problem, it's just a shot in the leg.

Zhenkang: Don't move, I'll help you pull it out.

Zhenkang gently pulled out the arrow. The young general of Aurora screamed in pain.

Zhenkang: I'll help you up.

Zhenkang helped the young general of Aurora to get up.

Aurora Little General: We are now in a dilemma.

ΔZhenkang looked around and tried to think of a way.

At this time, all the barbarian infantry roared and rushed up.

collided with the shield wall of the Aurora soldiers, and the two armies fought at the exit of Longwei Road.

ΔZhenkang supported the young generals of Aurora and held a sword in one hand to resist the barbarian army rushing towards each other.

Aurora Young General: This is not a solution, our archers in the back row can't open at all. The bows and arrows of the barbarian army were still shooting at the Aurora soldiers, and the Aurora soldiers fell one after another.

ΔThe Aurora soldiers in the back row of Aurora were also unable to move.

Zhenkang: Come, I'll help you mount your horse, and you go to the back row to hide first.

Aurora Young General: No, I want to fight.

Zhenkang: How can you fight if you can't stand still?

Aurora Young General: I want to kill the barbarian army, I want to avenge Aurora.

Zhenkang: I can understand your feelings, but now is not the time to talk about this brother. Come on, hurry up.

Saying that, Zhenkang helped the young general of Aurora onto his horse.

ΔZhenkang patted the horse's buttocks, and the horse ran backwards with the young general of Aurora.

The young general of Aurora rode quickly to the rear through the path given by the Aurora soldiers.

ΔZhenkang let go at this time, picked up the sword of the soldier who fell on the side, and rushed up with a sword in each hand and began to slash and kill the barbarian army bravely.

137. Aurora Longlin Road Exit Outside the day

ΔZhen Yu and Zhen Jing had already led the Aurora Dragon Army out of the exit of the Dragon Scale Road, and the surrounding fog was filled with fog and deserted.

Zhenyu: Why is there such a big fog today?

Zhenjing: I don't know how Zhenkang and the others are doing.

Zhenyu: Fu Xuan should also be here soon.

Zhenjing: It stands to reason that we should still have three

kilometers to Xiguan.

△Saying that, suddenly a large number of barbarian troops appeared in the fog, and directly surrounded Zhenyu and the others, forming a circle.

Everyone was suddenly nervous and overwhelmed by this ambush.

Zhen Jing: There is an ambush!

Zhenyu: Ring Defense!

Saying that, Zhen Jing and Zhen Yu immediately dismounted.

The Aurora Dragon Army formed a circle with sophisticated tower shields, and in the middle, the most elite one-handed long knife and dragon round shield Dragon Army took a defensive stance to protect Zhenyu and Zhenjing. (The dragon army in the middle has a red trailing hair decoration behind the masked helmet, while the other dragon soldiers are not covered helmets and do not have red trailing hair, and their mouths are not wrapped, but the dragon armor they wear is similar).

Zhenjing: Not good.

Zhenyu: What I was worried about happened.

Zhenjing: Your mouth is really damned.

Zhenyu: The barbarian army really knows the terrain of the Dragon Scale Road.

Zhenjing: This is impossible.

Zhenjing: What should we do now?

At this time, the barbarian army in front stepped aside, and Gulza walked out with a two-handed hammer.

Gurza: I didn't expect it, I knew you were coming, so I prepared a gift for you.

Zhenjing: How do you know the topography of Dragon Scale Road?

Gurza: After capturing the southwest double pun, we specially sent people to scout the surrounding terrain. We've been waiting here for two days and two nights, and now we'll give you a turtle in an urn. Presumably, there are no soldiers in your main city, as long as you are defeated, it will be equivalent to capturing Aurora, hahaha.

Gurza smiled.

ΔZhenjing said to Zhenyu.

Zhenjing: When will Yu Xia come?

Zhenyu: It should be soon, but we have to survive before she comes.

Zhen Jing: I hope she can fulfill her promise. I don't know what happened to Zhenkang.

Zhenyu: I don't think it's better than here.

Gurza: What are you whispering about! No matter how much you discuss tactics, it's useless!  
Today is the anniversary of Aurora's death!

Gurza: Up!

ΔAll the barbarian roarers rushed to the circle surrounded by the Aurora Dragon Army.

The high-altitude shot shows a circle of barbarian troops rushing towards the circle surrounded by the dragon army.

ΔZhenyu shouted to everyone.

Zhenyu: Aurora Dragon Army! Brave and invincible!

The Aurora Dragon Army responded loudly to Zhen Yu.

Zhenyu: Meet the enemy!

Aurora Dragon Army Tower Shield Countless spears are set up in front of the shield.

ΔThe barbarian army rushed up and hit the spear of the Aurora Dragon Army, killing him.

Some barbarians wanted to climb the dragon army's tower shield, but they were all stabbed down again by the spear behind the tower shield.

In this way, the barbarian army kept cutting down the tower shield, climbing the tower shield, and hitting the tower shield, but they failed to break through.

138. Outside the exit of Aurora Longwei Road

ΔThe swords in Zhenkang's hands were already stained with blood, and Zhenkang stood in the pile of the corpses of the barbarian soldiers he had killed while panting.

Δ But Zhenkang watched the surrounding Aurora soldiers fall one after another. The Aurora soldiers in the rear could not show their formation at all and were blocked on the Longwei Road.

Zhenkang shouted.

Zhenkang: Break out of the encirclement! Break through the barbarian defenses!

All the Aurora soldiers shouted and took their swords, shields, and spears to kill the barbarian army in front.

At this time, the first Aurora soldier who rushed forward was kicked back by a huge kick and died directly.

Everyone looked and saw that the barbarian army had walked out of General Earl, holding an axe in each hand.

Earl: Just think about breaking through the barbarian army's defenses? There is me, Earl! None of you can escape!

Saying that, Earl used a double axe to kill the two Aurora soldiers who rushed up.

ΔSeeing this, the other Aurora soldiers immediately stepped forward and wanted to kill the barbarian general.

But even if the sword and spear are stabbed and slashed, it can't hurt a single hair of Earl.

On the contrary, Earl's flexibility and ferocity kept using double axes to slash and kill Aurora soldiers.

Four Aurora soldiers stabbed Earl with their spears at the same time, and all of them stabbed the barbarian armor on Earl's chest at once, Earl did not react at all, and laughed and mocked.

Earle: That's it?

Earl instantly cut off four spears with double axes and quickly killed four Aurora soldiers.

ΔZhenkang was surprised and angry and saw all this in his eyes.

Earl said to Zhenkang.

Earl: Are you soldiers of Aurora so vulnerable? Ah!

Earl: Let's have more appetizers for this uncle!

Zhenkang: Let me come!

Saying that, Zhenkang rushed up and collided with Earl's twin swords and double axes.

Earl: Finally, a supporter has arrived.

ΔZhenkang kept wielding his long sword with both hands, but they

were all blocked by Earl.

Earl said with a smile.

Earl: You don't look very good.

Earl taunted while fighting.

Earl: Are you General Aurora? That's just how capable it is!

ΔAt this time, the surrounding fog began to gradually dissipate a little, but there was still fog around.

Earl shouted at the barbarian army.

Earl: Shoot them for me!

I vaguely saw many barbarian archers standing behind the barbarian army shooting a large number of bows and arrows and flying towards the Aurora army.

ΔZhenkang looked at the arrows flying over his head in horror and shot the Aurora soldiers behind him.

Earl looked at Zhenkang and said.

Earle: I'm going to shoot all your soldiers to death, hahaha.

ΔAfter saying that, Earl's hands were paralyzed, indicating that you were done and retreated behind the barbarians.

Zhenkang looked at all this and immediately made a decisive decision.

Zhenkang: The troops obey orders! Cover the advance with a shield wall!

At this time, the Aurora soldiers in the front row once again formed a shield wall with round shields and surrounded Zhenkang and this area of Aurora soldiers.

And the Aurora soldiers behind the shield wall and still stuck on the dragon's tail road began to rush forward with the barbarian arrows above their heads, all forming a formation behind the shield wall.

The Aurora archers in the rear finally rushed out of Longwei Road.

The high-altitude shot can see that Aurora's shield wall forms a very large fan-shaped defense, and Aurora soldiers behind the shield wall continue to rush up from Longwei Road to form a formation.

Zhenkang: Advance!

Everyone began to steadily advance towards the barbarian army under the protection of the shield wall with neat steps.

The barbarian army rushed up and wanted to use their strength to break through the shield wall, but failed under the firm belief of the Aurora soldiers.

The Aurora soldiers gritted their teeth and pushed desperately, desperately resisting the charge of the barbarian army, and there were Aurora soldiers stabbing with swords in the gap in the shield.

ΔSeeing that all the Aurora soldiers on Longwei Road were about to come out.

Earl shouted when he saw the situation.

Eare: It's all waste! Kill them all! No one left!

ΔAt this time, all the barbarian soldiers rushed up.

Zhenkang:Archer!

The rear Aurora archers set up a formation and pulled their bows and fired.

ΔThe arrow crossed the sky and shot at the barbarian army in front.

ΔThere were a lot of casualties among the barbarian army, but the barbarian army was numerous. This is not enough to make an impact.

ΔAnd the shield wall of the Aurora soldiers in front of him was a little irresistible.

Zhenkang shouted again at this time.

Zhenkang: Fight with them!

The Aurora shield wall dispersed, and the most tragic hand-to-hand combat between the Aurora soldiers and the barbarian army began.

ΔZhenkang also struggled to kill the barbarian army, and every Aurora soldier desperately resisted the barbarian army.

139. Aurora Continent Outside the Sun

Yu Xia, wearing red and white feather man armor, rode his own exclusive feather man white horse, surrounded by a thousand feathered guards. Immediately, the horses were covered by blue and white light armor, wearing blue and white feathered imperial guard armor, all sacred and orderly.

Yu Xia: Hurry up! Zhenyu is waiting for us!

Yuxia: Drive!

Δ Yu Xia led the cavalry of the imperial guards towards the west gate of Aurora.

140. Aurora Longlin Road Exit Outside the day

The Aurora Dragon Army is still desperately resisting the barbarian army. A large number of barbarian soldiers were killed on the shield wall floor by the Aurora Dragon Army's tower shield spear formation. The corpses of the barbarian army piled up like mountains.

Zhen Yu and Zhen Jing observed the form in the center of the dragon shield wall.

Zhenjing: They can't attack.

Zhenyu: We can't attack either.

Zhenjing: What should we do now, we can't keep it like this.

Zhenyu: There are too many of them, we can only reduce casualties like this, we must hold on until Yuxia arrives.

Δ At this time, Gurza saw this situation and shouted.

Gurza: It's all useless waste! Get out of the way!

Δ Zhenyu and Zhenjing heard Gurza's shout and looked ahead vigilantly.

Δ I saw the tall Gurza rushing over with a giant axe, jumping and slashing, and smashed the huge axe heavily on the tower shield of the Aurora Dragon Army, making a loud and crisp collision sound. Because the power was too strong, even the Aurora Tower shield could not resist, and several dragon armies that formed the shield wall were all knocked to the ground, forming a gap here.

Zhenjing: The shield is broken!

Gulza rushed in single-handedly, and swung it at the Aurora dragon army, although the huge ax was slow but too powerful, he directly knocked over several dragon troops with an axe.

Δ And the barbarian soldiers behind him immediately rushed in through this gap.

Zhenjing: They rushed in!

Zhenyu: Block!

For a time, the gap was full of barbarian troops, and the gap was gradually widened.

ΔThe spears of the three dragon armies stabbed at Gurza at the same time, but were grabbed by one of Gurza's hands and pulled hard, and the three dragon armies were all dragged out with spears.

ΔMore and more dragon armies are surrounding Gurza. The tower shield formed a small circle to surround Gurza, and all the spears were stretched out and stabbed at Gurza.

Gurza roared, holding the giant axe in both hands and swinging it 360 degrees, knocking down all the dragon troops.

Zhenjing: Let me do it!

Zhenjing rushed out from the center with his sword.

Zhenyu:Zhenjing!

ΔZhen Yu wanted to stop Zhen Jing but had already rushed out.

The Aurora Dragon Army gave up the place for Zhenjing to face off against Gurza.

Zhen Jing who was running stretched out his hand, and the Aurora Dragon Army handed the round shield to Zhen Jing. Zhen Jing took the round shield and quickly ran to a jump and stabbed Gurza with a sword, but was easily dodged by Gurza.

Then Zhen Jing waved the sword in his hand continuously, but was dodged by Gurza one by one, and Zhen Jing looked a little small in front of Gurza. Gurza played with Zhen Jing like a child.

Zhenjing was not convinced, and suddenly lowered his position 360 degrees and turned around and slashed, hitting a little skin on Gurza's arm.

Gurza looked at Zhenjing, and Zhenjing had a smug smile on his face.

ΔUnexpectedly,Gurza said.

Gurza: That's what you do?

ΔThe smug smile on Zhenjing's face faded instantly, followed by Zhenjing's tactics again.

Zhenjing jumped and wanted to go around behind him, and then stabbed a sword at Gurza from the side and rear, but was grabbed by Gurza with one hand.

ΔZhen Jing and Zhen Yu both showed surprised expressions on their faces, but Gurza looked at Zhen Jing calmly and proudly and said.

Gurza: Just with your three-legged cat kung fu, you want to hurt me?

Zhenjing wanted to withdraw the sword body, but Gurza grabbed it too tightly, and Gurza's hand was not bleeding.

Gurza: My hands have grabbed all kinds of sharp weapons, and my skin is as hard as stone, and your sword can't hurt me.

ΔAt this time, Zhen Jing released the hilt of the sword with his

right hand, and held the round shield in his left hand and hit

Gurza's body with a single blow. Gulza took two steps back from this

blow, and the sword body in his hand was immediately released, and

the sword fell to the ground.

Gurza: This blow is good, but the power is a little smaller.

Zhenjing immediately picked up the sword on the ground. The surrounding dragon army was still resisting the barbarians.

Zhenyu:Zhenjing!

Zhenjing: Capture the thief first! I'll kill him!"

ΔSaying that, Zhenjing rushed towards Gulza again, but he didn't expect Gulza to slap the giant axe with both hands, and Zhenjing quickly resisted with his shield, but was directly knocked away by this blow and fell to the ground several meters.

ΔZhenyu shouted when he saw that the situation was not good.

Zhenyu: Zhenjing! You can't beat him! I got it!

Zhenyu rushed out of the dragon army, stood in place facing Gurza, and took out the two-handed sword behind his back.

Gurza turned to face Zhenyu and said.

Gurza: Another one is dying.

ΔZhenjing shouted to Zhenyu.

Zhen Jing: I'm not done yet! I haven't lost yet!

Zhenyu: Zhenjing! If you continue to fight like this, you will die!" You can't beat him!

ΔZhenjing supported himself with a sword with one hand, and said a little exhaustedly.

Zhenjing: Zhenyu, I haven't lost yet, I want to avenge Aurora.

ΔZhenjing roared and rushed towards Gurza with both hands clenched his sword, but he didn't expect Gurza to knock Zhenjing to the ground with a heavy punch.

Zhenyu:Zhenjing!

ΔZhen Jing fell to the ground and wanted to get up, but it was very difficult.

ΔAt this time, Gurza too advantage of the victory to pursue and slashed at Zhenjing lying on the ground with a giant axe.

This cut was dodged by Zhen Jing rolling to the right, but Zhen Jing was already a little exhausted at this time.

Gurza grabbed Zhen Jing's armor with one hand and threw it, and Zhen Jing slid several meters on the ground.

Δ Gurza quickly stepped forward to carry out the final offensive against Zhenjing.

ΔAt this time, Zhen Yu couldn't stand it anymore and rushed forward with a jump and stabbed Gurza in the neck with a two-handed sword, and his instinctive reaction was that Gurza dodged the stab with a backward beating.

Zhenyu stood in front of Gurza, and behind him was Zhenjing who fell to the ground.

ΔZhenyu held the sword in one hand and hung down, his sharp eyes full of anger and murderous intent.

Zhenyu shouted.

Zhenyu: Protect Zhenjing!

All the remaining Aurora dragon troops immediately surrounded the Zhenjing who fell to the ground, forming a circle with tower shields. One of the Aurora dragons shouted.

Aurora Dragon Army: Protect Zhenjing!

The Aurora Dragon Army emits a dragon roar to boost morale.

ΔImmediately Zhenyu moved his steps and rushed up, holding his sword in both hands and slashing at Gurza, who also blocked the blow with a giant axe.

ΔIn this way, the real contest between Zhenyu and Gurza began. Zhen Yu waved the two-handed sword in his hand powerfully, and Gulza also dodged and counterattacked accordingly. Although Gurza's strength was huge, they were all dodged by the flexible shock plumes one by one.

And the surrounding barbarian army also rushed towards the dragon army around Zhenjing, and the two armies fought together again. At this time, the battlefield situation was a head-to-head battle between Zhenyu and Gurza, while the Aurora Dragon Army protected Zhenjing and fought against the barbarian army.

#### 142. On the city wall of Xiguan in Aurora

ΔThe barbarian soldiers vaguely saw some soldiers riding horses in the fog in the distance.

Barbarian Soldier: What is that?

The barbarian army on the city wall looked at the night in unison.

Before he could react, an arrow hit a barbarian soldier in the head, and the barbarian soldier fell directly off the city wall.

ΔBefore everyone could react, several bows and arrows shot over and all hit, and several barbarian soldiers fell.

Barbarian Soldier: There is an enemy! Quick! Archer!

ΔThe barbarian archers quickly took their positions and prepared to fight back, but the opponent's bows and arrows were faster, more accurate, and farther, and they shot the barbarian archers one after another.

#### 143. Aurora Xiguan Wai Ri Wai

ΔYu Xia rushed over with the Yuren guards.

Yu Xia: What Zhenyu said is indeed right, Xiguan has been lost.

Δ(Because the barbarian heavy army ambushed the Aurora army in the front, and the barbarian army did not expect the feathered people to

come to the rescue, the number of barbarian troops left behind in the city pass was not large).

The feathered guards kept shooting arrows to cover the horse, and the barbarian archers on the city wall in front of them were also fighting back one after another, and the arrows that flew over were dodged by Yu Xia, and only a few bows and arrows shot a few feathered guards.

Yu Xia rushed to the Xiguan city gate with the Yuren guards.

144. Aurora Xiguan city wall outside the sun Barbarian soldier: Quick! Close the city gate!

145. Within the second floor of the Aurora Xiguan city wall

ΔTwo barbarian soldiers hurriedly pulled the bolt of the city gate.

146. Aurora Xiguan City Gate outside the day

ΔI saw that the Xiguan city gate gradually closed downwards.

147. Aurora Xiguan Wai Ri Wai

Feather Guards: They closed the city gates!

Yuxia: Go straight up from the city wall.

ΔYuxia and the Yuren guards quickly came to the city wall.

Some of the feathered guards directly took out the rope and threw

it above the city wall, the hook directly stuck the city wall, and

the feathered guards directly jumped up on horseback with the

flexibility they carried, quickly climbed up the city wall along the

rope and killed the barbarian soldiers on the city wall.

148. Aurora Xiguan City Wall outside the sun

The feather guard who climbed up took out his two-handed feather sword and quickly killed the barbarian army, and the barbarian soldier next to him was shot dead by a bow and arrow outside the city before he could react.

Looking inside the city wall from the city wall, I saw that the only small number of barbarian troops had come to support.

149. Within the second floor of the Aurora Xiguan city wall

The feathered guards hurriedly came to the second floor of the city wall and opened the bolt of the city gate.

150. Aurora Xiguan City Gate outside the day

Yu Xia: The city gate is open! Follow me!

Yu Xia took the lead and rushed in on horseback, and the feathered guards behind him also rushed in.

#### 152. Aurora Xiguan City inside and outside

ΔAs soon as the barbarian army rushed to support under the city wall, they were rushed in by Yu Xia and the Yuren guards who rushed in, and everyone slashed and killed them all the way.

ΔAt this time, several bows and arrows flew down from the city wall to assist Yu Xia in shooting the barbarian army.

#### 153. Outside the city wall of Xiguan in Aurora

ΔAt this time, the Xiguan city wall had been occupied by the feathered guards, and arrows were shot at the barbarian army under the city wall.

#### 154. Aurora Xiguan City inside and outside

Yu Xia and the Yu Jin Guard rushed out of a road all the way and headed in the direction of Zhen Yu.

Some cavalrymen at the rear of the Feather Man Praetorian Guard jumped directly down and began to clean up the remaining barbarian troops.

#### 155. Aurora Dragon Scale Road Outside the Sun

Zhenyu and Gurza used swords and axes to contain each other at zero distance, and the two stared at each other.

Gurza's strength prevailed and pushed the shock feather out, and the shock was pushed out several meters and fell to the ground.

ΔGulza did not give Zhenyu a chance to rest, so he immediately rushed up and slashed at Zhenyu with a giant axe, Zhenyu dodged on the ground, and the giant axe split on the ground with a crisp sound.

The continuous attacks were dodged by Zhenyu, and at this time,

Zhenyu was on the ground and took advantage of Gurza's lack of reaction to scratch Gurza's calf with a sword in his right hand.

Gurza shouted.

Zhenyu stood up at this time and said confidently.

Zhenyu: It turns out that you can be hurt, since you can be injured,  
then I can kill you.

Gurza: Don't overestimate yourself, you can't beat me.

ΔGurza took off his helmet fiercely, revealing his entire murderous face.

Gurza let out a roar and rushed towards Zhenyu, Zhenyu hurriedly dodged, but Zhenyu found that Gurza's attack seemed to have changed into a different person, becoming more ferocious and sharp, and his speed became faster.

Zhenyu voiceover: His strength and speed have become stronger and faster, what's going on.

ΔZhenyu dodged, but unfortunately his hair was cut off by Gurza's giant axe.

And Zhenyu began to retreat a little at this moment, and it was not even time to counterattack.

ΔGurza's blow struck, Zhenyu knelt on one knee and made a defensive

posture with a two-handed sword to resist in a hurry, but Gurza's

strength was too great, and Zhenyu's sword was pressed on his

shoulder, and Zhenyu's shoulder was injured.

Zhenyu looked at the bleeding shoulders, and Gurza also said proudly.

Gurza: You are indeed much better than that trash, but you are still not my opponent.

Saying that, Gurza grabbed Zhenyu's throat with one hand with his left hand and picked it up, Zhenyu's whole body was pinched in the air, and his hands grabbed Gurza's huge left hand to break free, but to no avail.

Gurza: Today I will let you be buried with your so-called general named Zhenyuan.

Gurza immediately smashed the shock feather to the ground with his left hand, and the shock feather almost concussed.

Zhenyu said weakly.

Shock plume: source .....

(Slow motion) Zhenyu's smashed head was confused, and his vision became blurred.

The surrounding Aurora dragon army also suffered heavy casualties, although the dragon army was the elite of Aurora, but it could not withstand the barbarian army.

The Zhenjing that fell to the ground had not yet risen, and the protective circle of the surrounding Aurora Dragon Army was shrinking.

ΔZhenyu, who fell to the ground, looked at all this and felt a glimmer of hope in his mind.

156. Outside the Aurora Longwei Road

At this time, Zhenkang was knocked to the ground by Earl.

The surrounding Aurora soldiers could no longer resist the attack of the barbarian army. (End of slow motion)

157. Aurora Dragon Scale Road Outside the Sun

The fog began to dissipate, and the shock plume lying on the ground vaguely saw someone rushing out of the faint fog in front of him, followed by many cavalrymen.

(Slow motion) Yu Xia took a one-handed sword and rode a white horse, leading the Yuren guards towards the barbarian army (end of slow motion).

Zhen Yu: It's Yu Xia..... It's Yu Xia!

ΔZhen Jing, who fell to the ground, also sat up strongly, looked at Yu Xia in front of him, and showed a long-lost smile.

Zhenjing: Yuxia is here, Yuren really came to save us, Zhenyu, you kid.....

Yu Xia: Zhen Yu!

ΔZhenyu looked at Yu Xia and smiled happily.

Yu Xia jumped directly from the horse and stabbed a barbarian soldier with a sword. And the other Yuren guards quickly rushed past Yuxia and rushed into the barbarian army, killing frantically.

Zhen Yu was full of fighting spirit and hope at the moment of Yu Xia's arrival.

Zhenyu shouted.

Zhenyu: Reinforcements are coming! It's time to fight back! For Aurora!

Zhenjing: For

Aurora!

ΔZhen Jing, who was sitting on the ground, also supported himself

and stood up, picked up his sword and rushed forward.

For a while, the tower shield defense circle of the Aurora Dragon Army began to desperately push outward, and the Aurora Dragon Army sent out terrifying people.

At this time, the elite of the Aurora Dragon Army, who was wearing a handsome masked helmet behind the tower shield dragon army, holding a two-handed sword and a one-handed sword round shield, jumped on the face of the barbarian army and quickly cleared the scene.

The feathered guards have all dismounted and fought with the barbarian army on land, and the dismounted feathered guards are still extremely brave, holding the feathered man's two-handed weapons and constantly slashing the surrounding barbarian troops.

ΔZhenyu, who fell to the ground here, also stood up, holding a two-handed sword, and confronted Gurza.

Zhenyu: It looks like you're going to lose.

Gurza: Just a few little furry children can change the situation? You guys are so naïve. We are powerful barbarians! I am the most powerful barbarian general Gurza! I can't beat it!

Gurza roared.

Zhenyu: Then let you see the power of Aurora.

Zhenyu slid and rushed up with a two-handed sword.

The picture is black.

158. Aurora Longwei Road Outside the Sun

ΔAt this time, the fog has all cleared.

ΔWith the shout of the Aurora soldiers.

Aurora Soldier: General Fu is here!

Panting Zhenkang looked over, only to see Fu Xuan rushing over with the entire army of Aurora soldiers from Beiguan on horseback.

Fu Xuan: Zhenkang! Here we go! Save Aurora!

ΔAt this time, Earl was suppressed by the sudden Aurora reinforcements and did not react for a while.

Fu Xuan's reinforcements rushed directly to the face of the barbarian army and leveled all the way.

ΔZhenkang said to Earl.

Zhenkang: You are finished, you have an ambush, and we also have support.

Earl began to get nervous, constantly turning his head to look at the gradually defeated barbarian army in front of him, and then turning his head to look at Zhenkang.

Zhenkang: Come on, stop looking, let's move on to the second round. Earl said angrily.

Earl: Even if reinforcements come, they won't be able to defeat me! The barbarians will not be defeated! Ahhhhh

Earl rushed towards Zhenkang with a double axe, but at this time

Zhenkang had already been occupied by this support force, and

Zhenkang's adrenaline was also stimulated. Zhenkang quickly picked up

the round shield he had dropped on the ground and rushed up to fight

Earl for the final battle.

Zhenkang rushed forward and slid on his knees, Earl's double axes failed to cut down Zhenkang, Zhenkang slid behind Earl and put his right hand backwards, directly scratching Earl's ankle. Earl let out a cry of pain.

Zhenkang immediately got up and turned around to launch another offensive towards Earl, one thrust and one turned around to slash.

159. Aurora Dragon Scale Road Outside the Sun

ΔThe camera is connected, here Zhenyu also turned around and slashed, was blocked by Gurza's giant axe, and then Zhenyu dodged left and right and moved behind Gurza to turn around and slash again, directly slashing Gurza's back.

But Gurza's strong body has not yet made Gurza fall, Gurza turned

around and attacked Zhenyu, but at this time, Zhenyu was already

possessed by the soul, the adrenaline soared, dodged Gurza's

onslaught one by one, and quickly counterattacked, constantly waving

two-handed swords at Gurza's body, some slashed on Gurza's armor and

bounced off, and some directly scratched Gurza's skin.

160. Outside the Aurora Longwei Road

The camera is connected, Zhenkang also quickly waved the sword and shield in his hand, the one-handed sword kept cutting down the armor on Earl's body, and then cut down Earl's skin,

Earl                      let                      out                      a                      cry                      of

pain, Zhenkang slashed quickly while the left hand round shield

resisted Earl's double axe attack.

And Fu Xuan led the Aurora soldiers to continuously output in the barbarian crowd.

At this time, a barbarian soldier hit Fu Xuan's horse with brute force, and Fu Xuan fell.

The barbarian soldiers immediately slashed at Fu Xuan who fell to the ground, but were blocked by a sword, and Fu Xuan saw that it was the young general of Aurora.

The young general of Aurora killed the barbarian soldier with a sword. And stretched out his left hand to pull Fu Xuan up.

Fu Xuan said jokingly.

Fu Xuan: I didn't expect you to be alive.

Aurora Young General: Don't worry, I don't die so easily.

ΔAlthough the young general of Aurora is injured in the leg, he still has combat effectiveness.

The two smiled and nodded to each other, and then continued to kill the barbarian army.

161. Aurora Dragon Scale Road Outside the Sun

Yu Xia was surrounded by a group of barbarian troops here, but Yu

Xia was not timid, Yu Xia casually picked up a sword on the ground,

and now held the sword in both hands, Yu Xia looked at the

surrounding barbarian army confidently.

The surrounding barbarian army rushed towards Yu Xia, and Yu Xia instantly opened his bow left and right, killing the barbarian army with super high martial arts.

The surrounding situation has changed, and the Aurora coalition has the upper hand.

ΔAt this time, Gurza pushed the shock feather out with the back of the axe, and Gurza thought he had the upper hand.

Gurza: Aurora is about to perish.

Zhenyu: No, Aurora will win.

Saying that, Zhenyu pointed his swords at Gurza's chest and rushed over.

Seeing the situation, Gurza immediately picked up Zhenyu and struck a heavy axe, but he didn't expect Zhenyu to go around behind

Gulza, turn around and stab into Gurza's heart with a sword.

Δ(slow motion) Zhenyu stabbed a sword into Gurza's chest from behind (end of slow motion).

ΔYu Xia was also attracted by this sword, and looked at Zhen Yu with wide eyes.

Zhenjing was also attracted at the same time, and also looked at Zhenyu.

ΔGurza knelt on his knees, the giant axe in his hand fell to the ground, and Gurza looked at his chest in pain to reveal half of the sword head.

Zhenyu: You win by brute force, and we win by faith, because we have the belief that we are invincible.

Gurza: Aurora.....

Saying that, Zhenyu immediately pulled out the sword body, and Gurza was once again shouted in pain.

ΔZhenyu turned around again and cut off Gurza's head with a sword.

Yu Xia and Zhen Jing were stunned, but they were happy in their hearts.

ΔGurza's kneeling body fell and he could never get up again.

Everyone looked at this together, and the barbarian army immediately began to rout when they saw this.

Barbarian soldier: Gurza is dead! Gurza is dead!

ΔThe barbarian army began to retreat.

The Aurora army cheered.

162. Outside the Aurora Longwei Road

Zhenkang and Erda were out of breath, and Fu Xuan came over and said jokingly.

Fu Xuan: Do you want me to come?

Zhenkang: A small role can't bother you, a general.

Saying that,Zhenkang wanted to step forward to compete with Earl

again, but suddenly several arrows shot over and killed some

barbarians.

Δ I saw Zhen Yu and Yu Xia rushing over with the Yuren guards.

Fu Xuan and Zhenkang had happy smiles on their faces.

Fu Xuan: You are finally here.

ΔEarl looked at the rushing Zhenyu Yuxia and showed an ugly face.

Earl: How is that possible.....

The surrounding two armies also stopped when they saw this.

Zhen Yu Yuxia dismounted and walked over and said.

Yu Xia: Surrender, you have already lost.

Zhenyu: You Gulza have been beheaded by me.

Earl:Gurzata.....

Zhenyu: Don't resist unnecessarily.

Earl unwillingly threw away the double axes in his hand, looking around at the surroundings that there was no hope.

Zhenyu: Let you go back this time, go back and tell you the barbarian king that Aurora is not easy to mess with, and don't think about attacking Aurora in the future.

Zhenkang: Are you going to let him go?

Zhenyu: Too many people have died, I don't want to die another one, this is also a warning to the barbarians.

Zhenyu said to Earl again.

Zhenyu: Let's go!

Earl shouted unwillingly to the barbarian army.

Earl: Let's go! Let's go back!

The barbarian army here also began to retreat.

Everyone cheered again.

ΔAt this time, Zhen Jing also rode over on horseback.

Fu Xuan: Zhenjing!

ΔFu Xuan smiled and waved to Zhenjing.

Zhenjing almost fell when he dismounted.

Zhenyu hurriedly stepped forward to support him and said.

Zhenyu: Didn't I tell you not to come?

Zhenjing: How can I not come, how can a reunion be without me.

ΔEveryone laughed.

ΔZhenjing said in a low voice to Zhenyu.

Zhenjing: I said, that woman in Yuxia is quite good at fighting,you have to be careful in the future.

Zhenyu: What did you say?

ΔYu Xia also overheard.

Yu Xia: What are you talking about me?

ΔEveryone laughed together.

Suddenly Zhenyu discovered that there was Aurora Nanguan in front of him.

Zhenyu: Isn't it Nanguan in front?

ΔAfter the fog cleared, I didn't expect that there was Aurora Nanguan in front of me.

Everyone looked at Nanguan in surprise. Fu Xuan was not surprised.

Fu Xuan: Don't you know that Longwei Road is a kilometer out of the South Pass?

Zhenyu Zhenkang and Zhenjing were both surprised.

Fu Xuan: I said you are fighting stupidly.

Zhenjing: No wonder it was ambushed by the barbarian army, it turned out to be so close.

Yuxia: I said, can we stop chatting here and go back to rest?

Zhenyu:That's right.

Zhenyu: Let's go! Go back, everyone! By the way, Zhenkang and Zhenjing, you are responsible for settling the southwest pun.

Zhenkang:Huh?

Zhenjing: Why me, I'm injured like this, and I have to ride a horse back to Xiguan.

Zhenyu didn't return, just got on the horse with a smile and took Yu Xia back to the main city.

Zhenjing: Hey, this kid.

Fu Xuan looked at them with a smile.

Everyone drank wine and ate food.

Zhenjing: I said you, you don't know how I came back in the end, Xiguan is stil1 some distance from the main city.

ΔEveryone laughed.

Zhenjing: You are still laughing.

Fu Xuan: Okay, okay, but then again, Yu Xia, is it really good for you to stay here? You feathered king.....

Yu Xia: Don't worry, my brother knows that I am here, and I will go back in two days.

Zhenyu: Yes, will your brother spare you if you do this, I'm really worried about you.

Yu Xia: It's okay, what can my brother do to me. Besides, he can't help it.

Zhenjing, Zhenkang and Fu Xuan sent out at the same time? What is done cannot be undone?.

Yu Xia: Oh, what are you thinking?

Zhenyu: Don't coax blindly, drink your wine.

The three of them were still smiling.

ΔSuddenly Zhenyu's face sank.

Everyone saw that the expression of the zhen feather was wrong.

Zhenjing: Zhenyu, what's wrong.

Zhenyu: This may only be a short-term victory.

Zhenjing: What do you mean that the barbarians will attack us again?

Zhenkang: Don't be afraid, just come, it's not embarrassing enough to be beaten by us.

Yu Xia: That is, with our coalition army, I am afraid that he will not succeed.

Zhenyu: That's not the case, the barbarian king stil1 has a large army, and there are some huge creatures that we don't know about.

Fu Xuan: Giant creature? What is it?

Zhenyu: I don't know, the barbarian king will definitely take the entire barbarian race to take revenge, although we temporarily recaptured the southwest double pun, but because of this, we have

suffered heavy losses, our troops are very small, if the Yuren king does not join forces with us, I am afraid we will not be able to resist the general attack of the barbarians.

ΔEveryone also sank at this time.

Zhenyu: Moreover, not only the barbarians, I feel that the darkness in the north is coming.

Yu Xia: You mean the Demon?

Zhenyu nodded and said: Hmm.

Zhenkang: Does the demon also want to attack us?

Zhenyu: He is not targeting us, but wants to annex the entire continent of Aurora.....

Saying that, Zhenyu raised his head sadly.

The camera looks at Zhenyu's eyeballs from far to near and through the eyeballs.

164. In the barbarian camp tent at night

The barbarian king sits, and Earl stands and bends over. Earl just finished talking about the situation.

Barbarian King: I didn't expect you two wastes to be able to hold even a city gate.

Earl: I'm sorry, Barbarian King.

Barbarian King: Aurora Feather Man Alliance..... They have actually formed an alliance, and it seems that it is time.

Earl: Barbarian King, you want to.....

Barbarian King: I will personally lead the army to pacify Aurora.

Saying that, the barbarian king walked out of the tent.

165. In the barbarian camp at night

The camera shows the menacing momentum of all the barbarian armies from near to far, accompanied by several mammoths.

166. In the night of the Demon Black Palace

ΔMo Yin was sti11 standing at the door of the huge dark room.

Mo Yin: They failed,my lord.

The demon cannot be seen in the room, only the voice can be heard.

Demon: I know they are useless waste, and the barbarian king will personally send troops.

Mo Yin: Should we support them?

Demon: I think so too, call the Invincible Demon.

Mo Yin: Yes.

ΔIn the dark room, two bright red eyes appeared again, and very vaguely saw the Demon Deity standing up and walking down the steps. Walking to the door of the huge room, I vaguely saw the main body of the Honorable Demon wearing dark skeleton armor and a skull crown helmet on its head. The red eyes are particularly conspicuous.

Venerable Demon: It's time.

The picture goes black, and the film ends.
