drops it 3 feet away and it sticks on ground... he opens
mouth seeing what is there, audience thinks bear, some WILD
SOUND not clear bear or something else?...

GEORGE
Oh, here you are, cool...

POV OF GEORGE:

Reveal, the Deer stands looking at him, kicks on ground,
with antlers pushing ground like ready to fight... George

GEORGE
Wow... hey, hey easy! I just want
to take what I dropped, I aint

kids, a toy...

He drops it and looks up to see how he can help deer to get
out...

GEORGE(CONT’D)
You know I help you... I do it for
free, you did me a favor to make
him sick of me... he kills me, what
am I doing, damn...

He hesitates and looks at deer, she’s silent, but like
begging for help... George talks taking sticks from top of
hollow used for hiding it... he’s making a ladder from them
in the corner, against wall hard sticking them into walls of
corner from top to down 1 by 1...

GEORGE(CONT’D)
damn I’ll help. I promise to pay
with gold I’ll find many years
later if he gives me a chance. I
hope he buys that shit though he
doesn’t seem to be that much

bushes open way to him like a gate to Grassland under them, they slowly go up when he comes close and behind him they close the way like a wonder world gates. he gets through, behind thick bushes again...

he stops wondering, he was here or not before, not sure... place is like in dreams, near a lake or waterfall... he drops things and washes face... sits awhile and takes out device, searches for gold near mountain rocks... sees the deer feeding grass near, not afraid of him...

GEORGE
Oh I see you’re shameless... that was nice of you, how many marks you left on my back do you know... not counting the one on my fist for helping you...

He shows fist, stares at the deer... she doesn’t pay attention, looks at him from time to time... he feels he’s talking like idiot to an animal and shakes hand like never mind... talks keeping search...

GEORGE(CONT’D)
No need to thank, I just revenged that asshole for annoying me... he kills me... don’t worry I’ll pay him... if I find gold here any soon, I aint in a rush... I can wait, the main thing is to have faith in it... but I don’t know if he can wait...

Now in a low voice, afraid someone else hears...

GEORGE(CONT’D)
Do you know any gold place here, tell me please if you know?...

He stares at deer, she also stops, looking at him awhile, resumes feeding grass...

He sighs, like what stupid am I, keeps searching, comes below rock with detector... he sings whistling, hears SOUND of deer steps on the rock over him...

stops as some GOLD COINS fall onto his fist, head... 3-4 coins making echo sound as they fall down on rocks and shine... he’s astonished, checks them with detector, it’s gold, tries again... he takes some surprised, raises head up...

sees above him the deer on the rock looking at him... silence, deer again kicks on rock, he jumps up scared...

Well diamonds, what carat? Oh, I mean if you’re busy or have any reason best known to you not to talk with me before public you could do small favor giving gold and diamonds as much as I wish, what you say? I promise to spend 50% of it for animals and green world, so deal?

**DEER**

Deal! I give you as much as you want, but if you say enough, it all becomes waste, keep this in mind!
