EXT.ROAD NEARBY THE CITY STADIUM IN SKOPJE-EVENING

The sky full of stars shows up over Skopje in the evening.The stars in the sky look like playing some kind of game. A strong light shows up in the sky. The light disappears and time capsule appears moving towards the Earth.

The time capsule falls like a lightning on the road nearby the City stadium making a great whole.Smoke comes out from the whole. No people around. Total silence.

A MAN's figure comes from the whole -tall, skinny with black Adidas bag and scarf on his head.He wears a big green soldiers backpack. A handle from the sword can be spotted from the exterior of his backpack.He is dressed like a NINJA WARRIOR.

INT.APARTMENT OF THE SECOND NINJA WARRIOR-NIGHT

A YOUNG MAN with athletic body dressed in green Rambo T-shirt meditates in his apartment. On the bed next to him his ninja cloth is send out.In the corner of the wall there is a japanese sword-katana.That's THE SECOND NINJA WARRIOR.

It's so calm in the apartment.Suddenly, the peace is disturbed by the unpleasant sound of the wind that comes through window in the living room. His closed eyes are disruptively moving.

While he meditates behind his back appears raised katana and the face of the First Ninja Warrior trying to cut off his head. The Ninja Warrior opens his eyes and with lightning speed steps aside.He gets up,but behind him is no one there.He is disturbed, takes a deep breath, takes his jacket and goes out from the flat.

INT.CAFFE BAR-NIGHT

Caffe bar in the Skopje center.The caffe bar is full of PEOPLE sitting, loughing, talking loudly, while there is a live music band in the backstage. The second Ninja Warrior is sitting relaxed on the table, talking to the Manager of the Caffe who actually is an ex clan member in which the Warrior belongs.

The Manager gives to the Warrior a slip, he opens it and looks the name of the First Ninja Warrior. He takes a lighter and burns the slip.

The First Ninja Warrior enters into the Caffe bar.He

penetrates through the crowd and sees his opponent. The Manager notices him and whispers to the Second Ninja Warrior. Their eyes cross each other. They both go to each other with knives behind their backs.

Suddenly, a light comes out in shape of a fireball in front of their faces from which the VOICE OF THE ANCIENT ANCESSTOR hears. Only the ninja warriors hear the voice.

THE VOICE

My warriors, here is not the time or place to end your time journey. Your battle is determined to be on the Valley of death where the winner will have the power over the two clans.

The light disappears and the two ninja warriors retreat.

EXT. VALLEY OF DEATH-DAY

The two Ninja Warriors are in sitting position, armed with katanas prepare for battle.

THE SECOND NINJA WARRIOR

We can still put an end before it starts. Without bloodshed.

(beat)

Let's shake hands of reconciliation  
May our clans live in peace and  
harmony.

THE FIRST NINJA WARRIOR

(ironically)

As long as you are alive, my clan  
will never be NO 1.

(beat)

Therefore, prepare yourself to die!!!

The First Ninja Warrior stands up and takes a battle position of his body. The Second Ninja Warrior does the same.

The ninja warriors are going towards each other with raised katanas. The First warrior attacks the second one with the katana pointed at his head, but the second warrior successfully defends himself from the attack and hurls with his katana toward the body of the first warrior.

The first warrior with lightening speed rejects the attack and retreats two steps backwards. He rolls and attacks the second warrior with the sword straight to the stomach. The second warrior defends himself and hurls again with the katana toward his head.

The first warrior does somersault backwards and stands in the fighting position with the raised katana above his head. A moment of silence. The both warriors look at each other and with short movements diagonally prepare themselves for another attack.

They go towards each other and start swordfight. The sound of the blades from katanas echoes through the air. During the swordfight the second ninja warrior succeeds to throw away the katana of the first ninja warrior from his hand.

They distance each other. The first warrior takes shuriken out and throws toward the second warrior, but he skillfully rejects the shuriken with his sword and throws it back right into the stomach of the first warrior.

The warrior staggers, his face contracts, blood comes out from his mouth, looks at his opponent and powerlessly falls to the ground. The second ninja warrior is approaching him and cold blood washes the blade of the katana from his blood.

Suddenly, he looks at the GIRL with arc and arrow pointed at him. The girl kills the Warrior with the arrow directly in the heart and he falls over the body of its opponent.

The girl gladly laughs, turns around and leaves.
