Character A drags Character B to the orientation hall.The room is filled with new students in uniform.All Chatting about whatever.Characters A and B find a spot right in the middle of the chatting crowd.

CHARACTER B

Woah i-it's a bit crowded.

Character B brings her bag closer to her chest

CHARACTER A

Yeah it is.Oh Isn't this exciting (gasps) this means we get to make lots new friends.

An adult in a suit comes on stage.She taps the mic and a high pitched noise comes making everyone cover their ears.

PRINCIPAL

The principal droned on about the school history and curriculum. Character A is scanning the crowd of students. She found some of them interesting, some boring, some weird. She was not too impressed with the selection of girls.

CHARACTER A
