

FADE IN

EXT. TOWER BLOCK ROOF TOP - 8:30 PM

A crimson sun low in the sky smears fingers of light across a smoggy futuristic metropolis.

MARITA 22 wears a one piece tight bikers outfit. She's tinkering with a large HARLEY JET-BIKE. An intricate amulet design on the bike's tank matches the one on her back. Beauty and her beast . . .

She starts up the THUNDERING bike. As she revs up into the powerband -

ANGLE ON four afterburner cones of mauve with blue and gold striations bursting from the tailpipes

She jumps astride the bike and pulls on a full face helmet

MARITA (V.O.)
Live stream - ON.

We see what she is seeing

MARITA (V.O.)
Wanna have some fun?

Ride with me.

She GUNS the bike forwards, roaring off the rooftop and into the sky

EXT. ESTABLISHING SHOTS - CONT

Marita zooming over and around this bizarre city.

EXT. THE ROCKETEER BIKERS PUB - CONT

A long line of CUSTOMISED HARLEY JET-BIKES are parked out front. Marita deliberately hovers over, JOLTING the first bike off its side stand, knocking it so it CRASHES into the next - like dominoes all the bikes fall

BIKERS shout protests. More race from the crowded pub

Marita touches down. FLIPPING the throttle the thick back tyre lays down an impressive doughnut. Glancing over her shoulder she regards her metal mischief.

MARITA
Ooops!

She fiercely accelerates down the road leaving A THICK TRAIL OF RUBBER behind

EXT. THE ROCKETEER BIKERS PUB - CONT

The Bikers try to right their now entwined machines. Some will start - others won't. The PACK LEADER scowls the street. A few bikers point

BIKERS

She went that way

The Pack Leader's flunkies have got his bike up and are checking for damage. He jumps astride and starts it.

PACK LEADER

After her!

He careens off as others mount up and follow

EXT. SMART NARROW SIDE STREET - CONT

Marita barely makes the turn at breakneck speed.

MARITA

Short cut

REVEAL that it isn't - then -

A BENTLEY car emerges from a garage into her path

Marita BRAKES SO HARD that the back wheel rises up almost over the front -

With feet to spare, she lets the momentum THROW her against the car passenger door which she yanks open

INT. BENTLEY - CONT

The smartly dressed DRIVER 30, looks aghast as he's only just noticed her. Jammed in the centre console is an open bottle of red wine.

MARITA

I'm being chased -

She leaps in

MARITA

Drive !!

DRIVER

A maiden in distress?!

His upper class accent doesn't disguise the fact that he's drunk.

EXT. BENTLEY (MOVING) - CONT

The large powerful car THUNDERS away down the road

INT. BENTLEY (MOVING) - CONT

MARITA

What is this thing?

The Batmobile??

DRIVER

No - an heirloom

He reaches for the bottle and takes a slug. He offers

DRIVER

You want some wine?

As he watches Marita struggling out of her helmet he almost collides with the Pack Leader -

His bike's front wheel in the air as he barrels past

Marita grabs the steering wheel, forcing the car to lurch sideways SCREECHING into the turn

MARITA

Go faster -

He can't see much as she hunches over him to steer the car. He SEES Marita's lipstick changing from crimson to a frosty blue.

EXT. SMART NARROW SIDE STREET - CONT

Marita's bike lies on its side in the road.

BIKE COMPUTER

You've had an accident - do you need assistance?

MARITA (V.O.)

Princess - Find me. Air pursuit

The bike restarts then SHOOTs into the sky

EXT. BENTLEY (MOVING) - CONT

The car WEAVES in and out of traffic at increasing speeds, often on the wrong side of the road.

The Pack leader has them in his sights as his growing gang roars up regrouping behind him.

EXT. POLICE JET CAR - NIGHT

The OFFICERS are hovering behind a sky-screen showing a Cola advert

INT. POLICE JET CAR - CONT

OFFICER 1

Nice to have a slow night

POLICE COMMS

A biker gang are pursuing a grey Bentley at illegal speeds along Circular One -

OFFICER 2

Spoke too soon

EXT. POLICE JET CAR - CONT

The car's afterburner cones snap on. It careens away, SIRENS BLARING

POLICE COMMS

The car doesn't have 5G capability so we can't shut it down

OFFICER 1

Don't worry. We'll get it

OFFICER 2

You don't even know what a Bent-Ley is ?

EXT. BENTLEY (MOVING) - CONT

The biker gang surround the speeding car THUNK, DUNK, CLONK, as various devices are thrown, sticking to it.

Marita SWERVES scattering them but they stay with her.

As - The Police car COMES AT SPEED towards them

INT. BENTLEY (MOVING) - CONT

Marita reaches for her helmet

MARITA

This has been a blast!

She angles the car towards a raised curb - a METALLIC SCREECH as the car launches high into the air -

EXT. BENTLEY (MID AIR & ROLLING) - CONT

Marita is FLIPPED out of the car into the sky. She's INVERTED as her Jet-bike ROARS in to gather her up.

Beneath her the Bentley comes to rest on its roof.

INT. BENTLEY (AS IT SETTLES) - CONT

The Driver, still strapped in but upside down wipes a wash of RED from his face. He is unhurt. The liquid is his spilled red wine

EXT. ROADSIDE CRASH CARNAGE - CONT

A few of the bikers have CRASHED. The others flee.

Police start making arrests.

EXT. SKY SCENE - LATER

Marita zooms away. No one is following

MARITA

That's enough for now. Live
stream - OFF

EXT. ROADSIDE CRASH CARNAGE - CONT

The Pack Leader and his bike lie wedged under a parked car. Both are stuck tight. His legs are broken.

He squints up to watch the purple blue trail as Marita jets away.
